"The work is a religious tale based on the lives of two lay Jain devotees, King Śrīpāl and his wife, Queen Mayaṇā, who together endure several adventures, continue to worship the nine padas and despite having to face several vicissitudes, will attain liberation. The book states that Gautama Ganadhara, the senior-most disciple of Bhagavan Mahavir gave a religious discourse on the Navapada to the religious assembly including King Shrenika. To make the audience enthusiastic and eagerly desirous of worshipping Navapada, enlightened them on extraordinary achievements, fulfillment and prosperity attained in this life and lives to come, by its worship. It was during this discourse that he related the story that has become known as the Śrīpāl Rās. This unparalleled work of devotion and spiritual ecstasy is adorned with spiritual knowledge and religious history. The ethos of Jainism and its facets have been lucidly revealed in the form of this tale, making it an easy and pleasant read. Consequently, even though it is a Jain tale, it appeals to a wide audience. Authored by Upādhyāya Vinayvijayī Mahārāj and Upādhyāya Yaśovijayī Mahārāj in the 18th era of Vikram, Śrīpāl Rās is a significant and unique gift to Gujarātī literature. One experiences great joy in reading, listening to or narrating the great saga. This interesting and enjoyable creation bestows upon its readers and audience the simple but unfailing knowledge about worldly, ethical, religious and spiritual values through the medium of story-telling"--Publisher's Web site.

"Arch has taught the art of effective communication to powerful leaders in government and industry. He's one of the best public speakers I've ever heard. He's bright, witty, engaging, and entertaining. Nobody does it better."--Charles Osgood, CBS News "I learned more in the two or three hours [with Arch] than I have ... in 15 years." - Richard A. Gephardt, former congressman "You can learn a lot from Arch Lustberg." - Mills Lane, retired district judge and TV host How many people do you know have a knack for connecting with others? Very few of us are born with it. The rest of us have to learn it. How to Sell Yourself explains in clear, simple, easy-to-understand terms the skills you need to get your message across in any speaking situation. The secret of winning communication is likability. Some people call it warmth. Some call it charm. Some call it charisma. But whatever name you give it, it can be learned. This book is about how to use your mind, your face, your body, and your voice to win, because, in the end, likability wins. Arch Lustberg, acclaimed public speaker, teacher, and coach, has filled this book with practical skills. He demonstrates how you can sell yourself, your ideas, and your organization. The elected officials he coaches learn that you can't sell your issues unless the voters like you. The Merrill Lynch financial consultants he trains learn that no one buys your product unless they like you. The National District Attorneys Association members he addresses learn that attorneys have a better chance of winning in court if they and their witnesses are liked by the jury. How to Sell Yourself is the last "how-to" you'll need to win over a boss, jury, voter,

legislator, friend, colleague, family member, or any group to which you're talking. Arch Lustberg is one of America's leading performance coaches. Lustberg's client list is a Who's Who of business leaders, elected officials, association executives, and top professionals in every field. He taught speech and drama at The Catholic University of America for 10 years, and produced both a Grammy Award-winning record and a Tony-nominated Broadway musical. Prior to founding Arch Lustberg Communications, he directed the United States Chamber of Commerce Communicator Workshops. His specialties include coaching for media interviews; delivering presentations; testifying in court or legislative and regulatory hearings; campaigning for office, a job or a promotion; and anything that involv ...

New York Times • Times Critics Top Books of 2021 The Times (of London) • Best Books of the Year Excerpted in The New Yorker Profiled in The Los Angeles Times Publishing for the centenary of her birth, Patricia Highsmith's diaries "offer the most complete picture ever published" of the canonical author (New York Times). Relegated to the genre of mystery during her lifetime, Patricia Highsmith is now recognized as one of "our greatest modernist writers" (Gore Vidal). Beloved by fans who were unaware of the real psychological turmoil behind her prose, the famously secretive Highsmith refused to authorize a biography, instead sequestering herself in her Switzerland home in her final years. Posthumously, her devoted editor Anna von Planta discovered her diaries and notebooks in 1995, tucked in a closet—with tantalizing instructions to be read. For years thereafter, von Planta meticulously culled from over eight thousand pages to help reveal the inscrutable figure behind the legendary pen. Beginning with her junior year at Barnard in 1941, Highsmith ritualistically kept a diary and notebook—the former to catalog her day, the latter to brainstorm stories and hone her craft. This volume weaves diary and notebook simultaneously, exhibiting precisely how Highsmith's personal affairs seeped into her fiction—and the sheer darkness of her own imagination. Charming yet teetering on the egotistical, young "Pat" lays bare her dizzying social life in 1940s Greenwich Village, barhopping with Judy Holliday and Jane Bowles, among others. Alongside Flannery O'Connor and Chester Himes, she attended—at the recommendation of Truman Capote—the Yaddo artist colony in 1948, where she drafted Strangers on a Train. Published in 1950 and soon adapted by Alfred Hitchcock, this debut novel brought recognition and brief financial security, but left a heartsick Highsmith agonizing: "What is the life I choose?" Providing extraordinary insights into gender and sexuality in mid-twentieth-century America, Highsmith's diaries convey her euphoria writing *The Price of Salt* (1951). Yet her sophomore novel would have to be published under a pseudonym, so as not to tarnish her reputation. Indeed, no one could anticipate commercial reception for a novel depicting love between two women in the McCarthy era. Seeking relief from America, Highsmith catalogs her peripatetic years in Europe, subsisting on cigarettes and growing more bigoted and satirical with age. After a stay in Positano with a new lover, she reflects in her notebooks on being an expat, and gleefully conjures the unforgettable *The Talented Mr. Ripley* (1955); it would be this sociopathic antihero who would finally solidify her true fame. At once lovable, detestable, and mesmerizing, Highsmith put her turbulent life to paper for five decades, acutely aware there must be "a few usable things in literature." A memoir as significant in our own century as Sylvia Plath's journals and Simone de Beauvoir's writings were to another time, Patricia Highsmith: Her Diaries and Notebooks is an historic work that chronicles a woman's rise against the conventional tide to unparalleled literary prominence.

The dramatic practice of chöd, in which the yogin visualizes giving his or her own sacrificed body to the gods and demons as a way to cut the attachment to self and ordinary reality, offers an intense and direct confrontation with the central issues of the spiritual path. The chöd practices of the Bön tradition, a tradition that claims pre-Buddhist origins in the mysterious western lands of Zhang-zhung Tazig and Olmolungrig, are still almost entirely unknown.

Tellings and Texts Hanover Square Press

Examining materials from early modern and contemporary North India and Pakistan, Tellings and Texts brings together seventeen first-rate papers on the relations between written and oral texts, their performance, and the musical traditions these performances have entailed. The contributions from some of the best scholars in the field cover a wide range of literary genres and social and cultural contexts across the region. The texts and practices are contextualized in relation to the broader social and political background in which they emerged, showing how religious affiliations, caste dynamics and political concerns played a role in shaping social identities as well as aesthetic sensibilities. By doing so this book sheds light into theoretical issues of more general significance, such as textual versus oral norms; the features of oral performance and improvisation; the role of the text in performance; the aesthetics and social dimension of performance; the significance of space in performance history and important considerations on repertoires of story-telling. The book also contains links to audio files of some of the works discussed in the text. Tellings and Texts is essential reading for anyone with an interest in South Asian culture and, more generally, in the theory and practice of oral literature, performance and story-telling.

Unforgettable reminiscences about the eccentric, glamorous, yet angst-ridden Hindi film world of the 1940s. Saadat Hasan Manto, one of the greatest short story writers of the Urdu language, was also a film journalist and story-writer for the Hindi film industry in Bombay. As an insider he was privy to the most private moments of the men and women who have dazzled generations of audiences. In this series of sketches, Ashok Kumar, the screen idol of yore, emerges as a shy, yet brilliant actor, forever looking to flee the eager advances of his female fans; Nargis comes across as just another young girl looking for companionship among her peers before she steps on the ladder that will

forever take her away from the comforts of an ordinary middle-class life; and Shyam-the dashing, handsome hero-is portrayed as a straightforward, flirtatious young man pining for the woman he loves. Manto also describes in detail the obsessions of Sitara Devi; the unfulfilled desires of Paro Devi; and the intriguing twists and turns which transform Neena Devi from an ordinary housewife into a pawn in the hands of film companies. He writes with relish about the bunglings of the comedian V.H. Desai and the incredible dedication of Nawab Kaashmiri to the art of acting. There are also stories about the rise of Nur Jehan as the greatest singer of her times; and the various peccadilloes of the musician, Rafiq Ghaznavi. With subjects ranging from film journalism to the sexual eccentricities of these stars, Manto brings to life a generation with his characteristic verve and honesty.

6 June 1984: The Indian Army storms the Golden Temple in Amritsar. Called Operation Bluestar, the historic and unprecedented event ended the growing spectre of terrorism perpetrated by the extremist Sikh leader Jarnail Singh Bhindranwale and his followers once and for all. But it left in its wake unsolved political questions that continued to threaten Punjab's stability for years to come. How, in a brief span of three years, did India's dynamic frontier state become a national problem? Who was to blame: the central government for allowing the crisis to drift despite warnings, or the long-drawn-out Akali agitation, or the notorious gang of militants who transformed a holy shrine into a sanctuary for terrorists? First published two months after Operation Bluestar, *The Punjab Story* pieces together the complex Punjab jigsaw through the eyes of some of India's most eminent public figures and journalists. Writing with the passion and conviction of those who were involved with the drama, they present a wide-ranging perspective on the past, present and future of the Punjab tangle; and the truth of many of their conclusions having been borne out by time.

Prepare for a clash between love and lust... He kissed me once again and hugged me to bring me closer to him. He kept kissing me again and again for some time. I started to like the feeling and didn't resist. Then he slowly made me lie down on the bed and kissed me some more. Then he began to feel my boobs and kiss my neck. I was feeling immensely shy but liking the feeling at the same time. He took off my top and kissed my cleavage. He licked my boobs from over my bra.
