What if you self-published your first book and eager readers discovered it right away? What if you've never seen yourself as a writer, but were shown how to write your book faster than you ever expected? What if you knew exactly how to research your target market and position your book for profit? Well, it's possible. And Self-Publishing Fast Track gives you the 7 steps to follow to make it happen. You have the

courage to write your book, and you know that self-publishing is one of the best ways to create life-changing opportunities. It enables you to share your story with readers who embrace your message, establish your authorship, enhance your business consulting or other expertise, build your brand collateral, grow an online audience, generate additional income, and more. Your personal brand and platform can skyrocket just from self-publishing one book. Self-Publishing Fast Track will teach you how to efficiently write, publish, and position your book to reach readers and make an impact. You don't need to waste more time online, trying to piece together how to self-

publish a book. This streamlined, how-to guide teaches you how to:

- Improve your writing workflow and get the words onto the page faster.
- Determine your book's purpose before you start writing.
- Understand reader expectations to increase your chances of success.
- Discover how Amazon's algorithms work, and when it recommends books to other readers.
- Optimize your writing time and write faster.
- Write a book outline to make your writing process easier.
- Conduct category research and QUICKLY find the bestseller rankings on Amazon.
- Expertly format your blurb-your 24/7 salesperson-so you can sell more books. And more. You'll

gain clarity on the self-publishing process, from outlining your manuscript to knowing which platforms to publish your book on. Maybe your goal is to write a bestseller, create passive income, share a unique story, or build a business and get booked solid with empowered clients. With this self-publishing book guide, you will save time and get valuable insight that you can implement right away. In Self-Publishing Fast Track, you will be introduced to a thorough, step-by-step system that will help you write with confidence, hit the publish button, and share your story with readers. Are you ready to tell your story and self-publish your book? Then scroll back

up and hit the BUY button.

The Savior's Champion
MIT Press

"A beautifully written, highly seductive debut....The chemistry between Branwell and Lydia positively crackles on the page....Masterful storytelling which is sure to delight fans of the Brontës and of historical fiction."

—Hazel Gaynor, New York Times bestselling author of *The Lighthouse Keeper's Daughter* This dazzling debut novel for fans of Mrs. Poe and *Longbourn* explores the scandalous historical love affair between Branwell Brontë and Lydia Robinson, giving voice to the woman who allegedly corrupted her son's innocent tutor and brought down the

entire Brontë family. Yorkshire, 1843: Lydia Robinson—mistress of Thorp Green Hall—has lost her precious young daughter and her mother within the same year. She returns to her bleak home, grief-stricken and unmoored. With her teenage daughters rebelling, her testy mother-in-law scrutinizing her every move, and her marriage grown cold, Lydia is restless and yearning for something more. All of that changes with the arrival of her son's tutor, Branwell Brontë, brother of her daughters' governess, Miss Anne Brontë and those other writerly sisters, Charlotte and Emily. Branwell has his own demons to contend with—including living

up to the ideals of his intelligent family—but his presence is a breath of fresh air for Lydia. Handsome, passionate, and uninhibited by social conventions, he’s also twenty-five to her forty-three. A love of poetry, music, and theatre bring mistress and tutor together, and Branwell’s colorful tales of his sisters’ elaborate play-acting and made-up worlds form the backdrop for seduction. But Lydia’s new taste of passion comes with consequences. As Branwell’s inner turmoil rises to the surface, his behavior grows erratic and dangerous, and whispers of their passionate relationship spout from her servants’ lips, reaching all three protective

Brontë sisters. Soon, it falls on Lydia to save not just her reputation, but her way of life, before those clever girls reveal all her secrets in their novels. Unfortunately, she might be too late. Meticulously researched and deliciously told, Brontë’s *Mistress* is a captivating reimagining of the scandalous affair that has divided Brontë enthusiasts for generations and an illuminating portrait of a courageous, sharp-witted woman who fights to emerge with her dignity intact. [How To Write Your First Thesis](#) Canongate Books Achieve professional and personal success by following the ten philosophical principles of yoga, along with

powerful poses that can be done at a desk, in flight, or on the go. Practicing yoga is an extremely popular way to get fit, but its underlying philosophy can offer so much more to focus the mind and help you to discover untapped personal power. In *Beyond the Mat*, business leader, physician, and certified yoga instructor Julie Rosenberg shows you how to bring yoga out of the studio and into your personal and professional life. She shares how yoga is more than just poses (though those do help with backs tired from slumping in front of computers all day), with a clear explanation of the underlying principles, real-life examples, and anecdotes from her

own life and professional career. Yoga's philosophical principles extend far beyond the mat and form a framework to support your overall well-being, achieve success, and become a more effective leader.

eBookIt.com

Umberto Eco's wise and witty guide to researching and writing a thesis, published in English for the first time. By the time Umberto Eco published his best-selling novel *The Name of the Rose*, he was one of Italy's most celebrated intellectuals, a distinguished academic and the author of influential works on semiotics. Some years before that, in 1977, Eco published a little book for his students, *How to Write a Thesis*, in which he offered

useful advice on all the steps involved in researching and writing a thesis—from choosing a topic to organizing a work schedule to writing the final draft. Now in its twenty-third edition in Italy and translated into seventeen languages, *How to Write a Thesis* has become a classic. Remarkably, this is its first, long overdue publication in English. Eco's approach is anything but dry and academic. He not only offers practical advice but also considers larger questions about the value of the thesis-writing exercise. *How to Write a Thesis* is unlike any other writing manual. It reads like a novel. It is opinionated. It is frequently irreverent, sometimes polemical,

and often hilarious. Eco advises students how to avoid “thesis neurosis” and he answers the important question “Must You Read Books?” He reminds students “You are not Proust” and “Write everything that comes into your head, but only in the first draft.” Of course, there was no Internet in 1977, but Eco's index card research system offers important lessons about critical thinking and information curating for students of today who may be burdened by Big Data. *How to Write a Thesis* belongs on the bookshelves of students, teachers, writers, and Eco fans everywhere. Already a classic, it would fit nicely between two other classics: *Strunk and White* and *The*

Name of the Rose.

The Best Way to Write and Publish Your Non-fiction Book Portfolio

Many courses and degrees require that students write a short thesis. This book guides students through their first experience of producing a thesis and undertaking original research. Written by experienced researchers and advisors, the book sets out signposts and tasks to help students to understand what is needed to succeed, including scoping a topic, managing references, interpreting data, and successful completion. For students, the task of writing a thesis is a transition from structured coursework to becoming a researcher. The book

provides advice on:
What to expect from research and how to work with a supervisor
Getting organized and approaching the work in a productive way
Developing an overall thesis structure and avoidance of mistakes such as inadvertent plagiarism
Producing each major component: a strong introduction, background chapters that are situated in the discipline, and an explanation of methods and results that are crucial to successful original research
How to wrap up a complex project with an extended checklist of the many details needed to be checked before a final submission
Producing and managing a thesis for the first time can be a daunting task, and

this reader-friendly guidebook provides a framework for students to do their best.

How to Write a Book in 8 Days

Da Capo
Lifelong Books

Your Expert Guide to Writing and Publishing a Novel In this revised and expanded edition of *Your First Novel*, novelist Laura Whitcomb, seasoned literary agent Ann Rittenberg, and her knowledgeable assistant, Camille Goldin, team up to provide you with the essential skills needed to craft the best novel you can--and the savvy business know-how to get it published.

Complete with updated references, analysis of new best-selling novels, and the same detailed instruction, Whitcomb will show you how to:

- Practice

the craft of writing, using both your right- and left-brain •

Develop a flexible card system for organizing and outlining plot •

Create dynamic characters that readers love--and love to hate

- Study classic novels and story structure to adapt with your ideas

Featuring two new chapters on choosing your path as an author and understanding the world of self-

publishing, Rittenberg and Goldin dive into the business side of publishing, including:

- What agents can--and should--do for your future
- Who you should target as an agent for your burgeoning career
- How the mysterious auction for novels actually goes down
- Why you should learn to work with your

agent through thick and thin Guiding your first novel from early words to a spot on the bookshelf can be an exciting and terrifying journey, but you're not alone. Alongside the advice of industry veterans, *Your First Novel Revised and Expanded* also includes plenty of firsthand accounts from published authors on their journeys, including Dennis Lehane, C.J. Box, Kathleen McCleary, David Kazzie, and more.

- Have you been told time and time again that you should write a book? - Is fear and procrastination preventing you from achieving this goal? - Are you ready to finally smash your excuses and become a published author? In this must-read book, Australia's leading book mentor Natasa Denman shares the proven tips and strategies that will set you up for your book writing success. Natasa has helped hundreds of people just like you, from all around the world, go from uncertain, fearful and confused, to published authors. Having heard every reason under the sun from the

thousands of people she has met at her writing seminars, in this book she unpacks the 48 main obstacles that come up time and time again. Shut Up and Write Your First Book is the first book in the game-changing trilogy that includes Ultimate 48 Hour Author and Shut Up and Sell Your First Book. Packed with powerful insights, you'll discover the underlying reasons why so many people give up on their dreams of becoming the author they always wanted to be - and how you can smash through the excuses and make it happen. This book will help you work on your mindset and get you out of your own way. Don't be like the unfortunate majority who realise it actually takes a bloody long

time NOT to write a book. If you are sick and tired of making excuses, let Natasa show you how you can overcome all of the obstacles that are blocking your path. It's time to Shut Up and Write Your First Book! **Self-Publishing Fast Track** Simon and Schuster

So often, when I introduce myself to a new person and they learn that I am an author, they reply back that they plan to write a book one day. I'm always so excited to learn more about their idea and see how I can help. More often than not, they reply that they haven't written a single word. They ask me, "how do you write a novel? How do you get started?" Over the years I've written multiple novels and I

have condensed my best tips and practices into *How To Write Your First Novel: A Guide For Aspiring Fiction Authors*. No matter your plan for publishing your novel, you first need to write the book! I've broken down the critical elements to success in two parts: your writing habits and your writing craft. You'll be able to come back and reference this advice throughout your drafting process and as you look to write additional books. Are you ready to go from aspiring author to author? Are you ready to take your idea and turn it into a book? Let's get started today!

Kadavy, Inc. via PublishDrive
Awards: How to Write a Book in 8 Days is the winner of 3 International Awards.
Synopsis: Imagine what it would be like if you had a fully completed manuscript of a book you have been thinking of writing for years, in about eight days, without having to quit your job, wait for retirement or to take a sabbatical. A lot of people are under the impression that it takes years to write a good book; and to go years without any income or a future prospect of remuneration, scares them and puts them off right from the start. Whether you publish that book or not, in applying the strategies that I outline here, you will be able to have in

your hands a full and complete manuscript, bringing you to the status of being an author, one of the most creative professions in the world, a profession that holds the power of evolution and revolution in any area you choose to direct your interests. *How to Write a Book in Eight Days* demystifies and simplifies the phenomenon of writing a book and writing it in such a way that it will bring you and the reader the success you desire. Some Instructions on Writing and Life

GENERAL PRESS

Calling all aspiring writers, speakers, coaches, experts, entrepreneurs, business professionals or anyone considering writing a book for the first time... If the thought of writing a book has been confusing for you in the past, then here's the simplest strategy for writing your first book and ensuring you're a successful author! Do you have a book idea that you've wanted to write for a while but were confused on the steps? Are you overwhelmed by all of the books on writing, publishing and marketing? With a proven formula for

success How to Write Your First Book will help you to write better and to understand the fundamentals of writing your first book no matter your writing level or ability. If you are motivated to take your career to the next level or simply want to publish the fiction idea that's been floating around in your mind, the simple and easy to use formula called the W.R.I.T.E. method will help you to accomplish your goal of becoming a published author. Whether you are a new author hoping to find success with your very first book or a professional using it to brand your business, this formula works! The fact of the matter is a well-written book does not always guarantee success. With the W.R.I.T.E. method, you

are given the tools you need to attract your audience and make a consistent passive income from your books so that you can write for a living. In this book, all of the questions you didn't even know you had will be answered. You'll learn: - The formula for writing a book that ensures success! - How to research your book idea to determine if it's profitable before you write the book! - How to choose between traditional or self-publishing based on your time, writing goals and budget! - How to write specifically for your target audience so that you can sell more books! - How to create a book title, cover, and book description that will garner you massive sales! - What to

consider with respects to your very first book launch and while creating an author platform! - And much more! Perfect Gift Idea For Writers! It doesn't matter if you are looking to write great fiction or an inspiring non-fiction book, whether you choose to self-publish or traditionally publish, this book will be of value to you! If you've been waiting to write a bestseller because you just didn't know how to get started, look no further! This step-by-step guide places you on the path to success! Buy How to Write Your First Book today and be one step closer to becoming a published author in 2017! Stefanie is an expert in her field and that shows through in her writing. I have been

writing for quite some time, but this book gave me information I didn't know anything about. This is definitely a must for anyone thinking about writing a book for publication.
- Sarah S.

If You Want to Write

BOOKS THAT INSPIRE

The stress-free guide to writing your first novel like a pro!

Learning how to write your first novel can be overwhelming. You have to master outlining, writing, revising, and so much more...and it can be scary if you've never done it before. While it seems daunting, writing your first novel is simple when you have someone experienced to help you through it. In this writer

[A Novel](#) Atria Books

Her name is Mother of

Exiles. From her beacon-hand glows world-wide welcome. "Give me your tired, your poor, your huddled masses. Send these, the homeless, tempest-tost to me." America has lost its way. The strongest of people can be found in the unlikeliest of places. The future of the entire country will depend on them. All across the United States, people scramble to survive new, draconian policies that mark and track immigrants and their children (citizens or not) as their freedoms rapidly erode around them. For the "inked"—those whose immigration status has been permanently tattooed on their wrists—those famous words on the Statue of Liberty are starting to

ring hollow. The tattoos have marked them for horrors they could not have imagined within US borders. As the nightmare unfolds before them, unforeseen alliances between the inked—like Mari, Meche, and Toño—and non-immigrants—Finn, Del, and Abbie—are formed, all in the desperate hope to confront it. Ink is the story of their ingenuity. Of their resilience. Of their magic. A story of how the power of love and community out-survives even the grimmest times.

Atlas Shrugged How To Write Your First Novel One of these days, I'm going to sit down and write that novel....

Everyone thinks about doing it, yet most people who do start a novel end up stalling

after a few chapters. Where do these would-be novelists go wrong? Are the characters dull and cliched? Did the story arc collapse? Did they succumb to a dreaded bout of "writer's block"? Or maybe it was all just taking too long? These problems used to stop writers in their tracks, but nothing will get in your way after reading *Write Your Novel in a Month*. Author and instructor Jeff Gerke has created the perfect tool to show you how to prepare yourself to write your first draft in as little as 30 days. With Jeff's help, you will learn how to organize your ideas, create dynamic stories, develop believable characters, and flesh out the idea narrative for your novel--and not just for the rapid-fire

first draft. Jeff walks you through the entire process, from initial idea to the important revision stage, and even explains what to do with your novel once you've finished. Whether you are participating in National Novel Writing Month or you're simply hoping to complete a draft over winter break or your vacation, this book covers the entire scope of writing a novel and lays out exactly what you need to know to get it done fast and right.

Understanding by Design Become a Writer Today

Peopled by larger-than-life heroes and villains, charged with towering questions of good and evil, *Atlas Shrugged* is Ayn Rand's magnum opus: a philosophical revolution told in the

form of an action thriller—nominated as one of America's best-loved novels by PBS's *The Great American Read*. Who is John Galt? When he says that he will stop the motor of the world, is he a destroyer or a liberator? Why does he have to fight his battles not against his enemies but against those who need him most? Why does he fight his hardest battle against the woman he loves? You will know the answer to these questions when you discover the reason behind the baffling events that play havoc with the lives of the amazing men and women in this book. You will discover why a productive genius becomes a worthless playboy...why a great steel industrialist is

working for his own destruction...why a composer gives up his career on the night of his triumph...why a beautiful woman who runs a transcontinental railroad falls in love with the man she has sworn to kill. Atlas Shrugged, a modern classic and Rand's

most extensive statement of Objectivism—her groundbreaking philosophy—offers the reader the spectacle of human greatness, depicted with all the poetry and power of one of the twentieth century's leading artists.
