DECKER PERKINS

The Flour Craft Bakery & Cafe Cookbook David and Charles 'Master the art of sourdough with Vanessa and you will learn how to look after your own gut microbes and health.' - Tim Spector, author of The Diet Myth At her renowned Sourdough School, Vanessa has taught countless students the secrets of this healthy, more easily digestible bread, and now she has compiled her teachings for the home baker. From creating your own starter from scratch, you'll then move on to basic breadmaking techniques, before progressing to using sprouted grains and experimenting with flavours to produce Fig and Earl Grey and

Cherry Plum loaves. With step-by-step photography, detailed instructions, specialist advice and Vanessa's indispensable encouragement, The Sourdough School celebrates the timeless craft of artisan baking.

Foraging and Feasting ABRAMS

The debut cookbook from cult favorite Austin bakery and beer garden Easy Tiger, featuring recipes from author David Norman's time spent exploring bread traditions throughout Europe and North America, plus menu ideas for incorporating homemade bread into everyday meals. NAMED ONE OF THE BEST COOKBOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW In this highly anticipated cookbook, culinary instructor and baker David Norman explores the European breadmaking traditions that inspire him most--from the rye breads of France to

the saltless ciabattas of Italy to the traditional Christmas loaves of Scandinavia. Norman also offers recipes for traditional foods to accompany these regional specialties, so home bakers can showcase their freshly made breads alongside a traditional Swedish breakfast spread, oysters with mignonette, or country pâté, to name a few examples. With rigorous, detailed instructions plus showstopping photography, this book will surprise and delight bakers of all stripes.

Cakeology Simon & Schuster

Go back to the basics in the kitchen and rediscover the joy of cooking with simple tools and fresh local and seasonal ingredients. A complete guide to the essentials of home cooking from the popular cooking school at Maine's Salt Water Farm. Good cooking has nothing to do with fancy equipment, complicated recipes, or trendy, hard-to-find ingredients. The fundamentals are really quite simple: it's about instinct, technique, and freshness. Annemarie Ahearn, dubbed by Food & Wine Magazine as someone "changing the way America eats," believes that developing these essential skills can lead to a greater sense of confidence and fulfillment in the kitchen. Her credo: 1) Grow at least some of your own food to establish a

deeper connection with the earth that provides your nutrition, 2) Be familiar with a range of cooking techniques so you can develop flexibility and intuition in the kitchen, and 3) Master the age-old cooking skills that will serve you your whole lifetime--cooking in cast iron, sharpening knives, and using a mortar and pestle. With these classic skills under your belt, and with 75 tried-and-true seasonal recipes, you'll be on your way to putting consistently delicious, satisfying meals on the table every day while you learn to fall in love with the process.

Bread on the Table Allen & Unwin

101 recipes for baking with whole and sprouted grains, making the most of the seasonal harvest, and healing the body through naturally fermented food Sarah Owens spent years baking conventional baked goods, only to slowly realize she had developed a crippling inability to digest or tolerate their ingredients. Unable to enjoy many of her most favorite foods, she knew she must find a health-sustaining alternative. Thus Sarah started experimenting with sourdough leavening, which almost immediately began to heal her gut and inspire her anew in the kitchen. Soon after, her artisan small-batch bakery, BK17, was launched, and with that, a new way to savor and share nutritious sourdough breads and treats with her Brooklyn community. Sourdough and other fermented foods are making a comeback because of their rich depth of flavor and proven health benefits. In *Sourdough*, Sarah demystifies keeping a sourdough culture, which is an extended fermentation process that allows for maximum flavor and easy digestion, showing us just how simple it can be to create a healthy starter from scratch. Moreover, Sarah uses home-grown sourdough starter in dozens of baked

goods, including cookies, cakes, scones, flatbreads, tarts, and more--well beyond bread. Sarah is a botanist and gardener as well as a baker--her original recipes are accented with brief natural history notes of the highlighted plants and ingredients used therein. Anecdotes from the garden will delight naturalists and baked-goods lovers among us. Laced with botanical and cultural notes on grains, fruits and vegetables, herbs, and even weeds, *Sourdough* celebrates seasonal abundance alongside the timeless craft of artisan baking. A James Beard Award Winner for Baking & Desserts

Sourdough Hardie Grant

Rustic breads, scones, and biscuits paired with fruit-jams, jellies, nut butters, savory spreads, pickles, and more--from the James Beard award-winning author of *Sourdough*. Bread and butter, toast and jam, scones and clotted cream—baked goods have a long tradition of being paired with spreads to make their flavors and textures sing. As a baker with a passion for plants, Sarah Owens, author of the James Beard award-winning *Sourdough*, takes these simple pairings in fresh new directions. Spread some Strawberry & Meyer Lemon Preserves on a piece of Buckwheat Milk Bread for a special springtime treat. Top a slice of Pain de Mie with Watermelon Jelly for a bright taste of summer. Lather some Gingered Sweet Potato Butter on a piece of Spiced Carrot Levain for a warming fall breakfast. Make a batch of Dipping Chips to serve with Preserved Lemon and Fava Bean Hummus for an inspired snack. Wow brunch guests with a spread of Sourdough Whole-Grain Bagels, Lemony Herb Chèvre, and Beet-Cured Gravlax. The recipes here offer a thoroughly fresh sensibility for the comfort found in a simple slice of toast spread

with jam.
