The 1928 Book of Common Prayer Liturgical Press

The Funeral Services book is authorised for use by all the leading Christian churches in Britain and is intended to assist all who conduct funeral services at cemeteries, crematoria or funeral home chapels. This revised fourth edition contains the rite developed by the Joint Liturgical Group which is mostly used by free churches. In addition, two Anglican funeral services are included □ traditional and modern □ and the Roman Catholic rite. A self-contained resource, it also provides forty- four hymns commonly sung at funerals, arranged alphabetically.

Every service that marks a death or the anniversary of a death, remembers the life of a unique person and should be prepared with utmost care and thought, and approached with reverence. We tread on holy ground when we accompany those who are experiencing loss. This practical and extremely helpful resource book provides guidelines for creating individualised funeral, thanksgiving and memorial services and includes a wide range of prayers, readings and reflections for each stage of the service from the gathering words of welcome to the committal and final blessing, and suggestions for symbolic acts of remembrance. Resources are also included for creating special services, such as for those facing their first Christmas after a bereavement. All resources may be downloaded from the accompanying CD Rom. Pastoral guidance is offered for every step of the way in funeral ministry, including the first visit to a bereaved family, prayers for a funeral visit, making practical arrangements with funeral directors, crafting orders of service, using music and images, and supporting those in particularly distressing circumstances.

A Pastor's Guide to Conducting a Funeral: Things Every Pastor Needs to Know, But May Have Been Afraid to Ask gives pastors, chaplains, and other caregivers clear and concise guidance for responding to the profound needs of people facing the deaths of loved ones. It is a tool that every ministry student and pastor can benefit from. Dr. Gregory F. Jackson, senior pastor of the First Southern Baptist Church in Camden, Ohio, has shared over two hundred funerals with the people of his rural community during the past seventeen years. These experiences shape the book's research and guide its practical and timely advice. Young pastors may wonder, "What should I say and do at the funeral home or at the grave? What will help families face their losses with faith and trust in God?" Older pastors might ask, "How can I refresh my ministry at the time of death?" No matter what stage of ministry you find yourself in, this book can be your companion. It can help

you when you are uncertain about the best approach to a family's grief or when you need insight into to a family's special needs. This is a book that every pastor needs to read. Each chapter includes results of surveys of pastors and funeral directors and ends with a short list of insights pastors need to know to serve more compassionately and effectively. As an added bonus, the book concludes with "A Baker's Dozen of Funeral Director Nuggets," sharing the most important tips funeral directors wished pastors knew about how to lead thoughtful funeral services with dignity. My friend Greg Jackson has given every pastor not only a guide for conducting funerals, but a gift! His personal and practical insights will assist us in ministering to the hurting. THIS is a winner! Dr. Ernest L. Easley, Senior Pastor Roswell Street Baptist Church Marietta, Georgia Conducting A Funeral is a must read for every pastor. Pastor Greg Jackson offers so many helpful tips on how a pastor can effectively and intentionally minister to families who are dealing with death. I believe you will also find, as I did, the chapter on the importance of the pastor's relationship with a funeral director to be especially helpful. As important as this moment of ministry is in the lives of those trying to make sense of the painful reality of death, it is vital that every pastor be prepared. This book is very well written and will assist both the novice as well as the experienced pastor in maximizing their effectiveness in ministry. I recommend you read it. Dr. Michael Landry , Senior Pastor, Sarasota Baptist Church Thank you Greg!!! Your honesty, compassion, and obvious wisdom as a Senior Pastor at the same church for an extended number of years comes through on every page! Funerals and death are always a challenge, even for the most seasoned pastor. Thus, I whole-heartedly recommend this book for any person in ministry, especially if you are just starting out! Dr. David Wheeler, Associate Director of Ministry Training Center, Professor of Evangelism Liberty Baptist Theological Seminary

It's a difficult time to make decisions when a loved one dies. Yet families must make many choices in a short period of time, including ones about the funeral service itself. Those who are frustrated by the process of selecting Bible texts and themes for their loved one's prayer vigil now have a resource to help guide them in their hour of need. On Eagles' Wings provides ten thematic prayer services designed for use at funeral vigils or as alternative funeral services. Each service is complete and ready to use (including a bulletin format), yet there is flexibility for individual input. Brief descriptions of each service's theme help family and clergy select the one most appropriate for the deceased. And the services can be led by either clergy or lay leaders, an especially helpful feature for congregations that are serviced by part-time clergy. Death Liturgy and Ritual is a two-volume study of Christian funerary theology and practice, presenting an invaluable account of funeral rites and the central issues involved for compilers and users. Paul Sheppy writes from direct experience of conducting funerals and of drafting liturgical resources for others. In Volume II: A Commentary on Liturgical Texts, reviews a wide range of current Christian funeral rites and examines how they reflect both the Church's concern for the death and resurrection of Christ and the contemporary secular demand for funerals which celebrate the life of the deceased. The companion volume, Volume I: A Pastoral and Liturgical Theology, proposes that the Church ought to construct its theological agenda in dialogue with other fields of study. Sheppy argues for a Christian statement about death that finds its basis in the Paschal Mystery, since human death must be explained by reference to Jesus' death, descent to the dead, and resurrection. Using the three phases of van Gennep's theory of rites of passage, the author shows how the Easter triduum may be seen as normative for Christian liturgies of death.

Foreword INDIES Award Finalist IVP Readers' Choice Award In an

age where neither society nor the church knows what to do with gay Christians, Greg Coles tells his own story. Let's make a deal, you and me. Let's make promises to each other. I promise to tell you my story. The whole story. I'll tell you about a boy in love with Jesus who, at the fateful onset of puberty, realized his sexual attractions were persistently and exclusively for other guys. I'll tell you how I lay on my bed in the middle of the night and whispered to myself the words I've whispered a thousand times since: "I'm gay." I'll show you the world through my eyes. I'll tell you what it's like to belong nowhere. To know that much of my Christian family will forever consider me unnatural, dangerous, because of something that feels as involuntary as my eye color. And to know that much of the LGBTQ community that shares my experience as a sexual minority will disagree with the way I've chosen to interpret the call of Jesus, believing I've bought into a tragic, archaic ritual of self-hatred. But I promise my story won't all be sadness and loneliness and struggle. I'll tell you good things too, hopeful things, funny things, like the time I accidentally came out to my best friend during his bachelor party. I'll tell you what it felt like the first time someone looked me in the eyes and said, "You are not a mistake." I'll tell you that joy and sorrow are not opposites, that my life has never been more beautiful than when it was most brokenhearted. If you'll listen, I promise I'll tell you everything, and you can decide for yourself what you want to believe about me.

Arising out of many year's experience of helping to lead local church worship and counselling work in a children's hospice, this is the first of three new volumes that focuses on the occasions when many non-churchgoers visit a church: for christenings, weddings, funerals, and memorials. These rites of passage present key opportunities for occasional visitors to encounter the Christian faith. If they are imaginatively handled a lifelong interest can be aroused. If they are insensitively done, people can be put off for life. This practical resource offers prayers, forms of words and many tried and tested ideas for creating rituals that give support at a time of great need following a death. It will enable the creation of rites (based on the authorized liturgical texts) that are beautiful, memorable and meaningful. Particular help is given for that most difficult of pastoral challenges, the death of a child and the care of the bereaved family.

Bring Gospel Hope in the Midst of Death The phone rings: "Pastor, can you do my mother's funeral?" Or, "Please help us—our baby just died." Death comes unexpectedly, giving you two to three days of time to prepare a sermon—in the midst of caring for a grieving family. This helpful book walks a pastor through the logistics of memorial services, burials, and working with funeral homes—using the four P's: Plan, Prepare, Preach, and Perform. It shows how to magnify Christ and the gospel in the midst of all the details, demands, and sorrow that surrounds the death of a loved one. The Practical Shepherding series of books provides pastors and ministry leaders with advice and practical help to do the work of pastoral ministry in a local church. This liturgical resource will help guide pastors and other church workers as they help church members through the bereavement process. The Presbyterian Supplemental Liturgical Resource (SLT) series includes liturgies that were used on a trial basis in preparation for the development of the Book of Common Worship. Though superseded by the Book of Common Worship, SLR resources remain valuable, both for the variety of liturgical texts they contain and for the commentary on the text, which contains rich historical, theological, and practical background.
