Finding PROPER reading material that they can handle...which is

precisely the reason we've written this book! Teachers love giving

out tough, expert-level literature to their students, books that

present many new problems to the reader and force them to

search for words in a dictionary every five minutes -- it's not

entertaining, useful or motivating for the student at all, and many

soon give up on learning at all! In this book we have compiled 20

easy-to-read, compelling and fun stories that will allow you to

expand your vocabulary and give you the tools to improve your

grasp of the wonderful Spanish tongue. How Spanish Short Stories

for Beginners works: Each story will involve an important lesson of

the tools in the Spanish language (Verbs, Adjectives, Past Tense,

Giving Directions, and more), involving an interesting and

entertaining story with realistic dialogues and day-to-day

situations. The summaries follow: a synopsis in Spanish and in

English of what you just read, both to review the lesson and for

you to see if you understood what the tale was about. At the end

of those summaries, you'll be provided with a list of the most

relevant vocabulary involved in the lesson, as well as slang and sayings that you may not have understood at first glance! Finally, you'll be provided with a set of tricky questions in Spanish, providing you with the chance to prove that you learned something in the story.
