 tuning student guide volume1.pdfOracle9i performance tuning
 student guide volume1.pdf ...One of the most useful Oracle
 Database performance tuning features is the Automatic Workload
 Repository (AWR), which collects, processes, and maintains
 performance statistics. The AWR offers a daily glimpse into the

health of your database, and from there you can utilize the
 Automatic Database Diagnostic Monitor (ADDM) that provides
 actionable insights on the information collected by the
 AWR.Oracle performance tuning: A beginners guide |
