It's Hanukkah, and Max and Rachel are excited to light the menorah in their family's new apartment. But, unfortunately, their Hanukkah box is missing. Luckily, their neighbors happily help, offering thoughtful, often humorous, stand-ins each night. Then, just as Hanukkah is nearly done, Max and Rachel, inspired by the shamash ("helper") candle, have a brilliant idea: to celebrate the Ninth Night of Hanukkah as a thank you to everyone!

The beloved characters from Sydney Taylor's All-of-a-Kind Family return in this heartwarming

picture book from the acclaimed author and Caldecott Award-winning artist. A Kirkus Reviews best book of the year that is perfect for Hanukkah gift-giving! "Share this joyous holiday tale of a Jewish immigrant family all year long." -- Kirkus Review, starred review The beloved All-of-a-Kind Family comes to life in a new format perfect for younger readers. Join the five sisters back in 1912, on the Lower East Side of NYC, and watch as preparations for Hanukkah are made. When Gertie, the youngest, is not allowed to help prepare latkes, she throws a tantrum. Banished to the girls' bedroom, she can still hear the sounds and smell the smells of a family getting ready to celebrate. But when Papa comes home she is given the best job of all: lighting the first candle on the menorah. First published in 1951, Taylor's chapter books have become time-honored favorites, selling over a million copies and touching generations of readers. In this time when immigrants often do not feel accepted, the All-of-a-Kind Family gives a heartwarming glimpse of a Jewish immigrant family and their customs that is as relevant--and necessary--today as when it was first written. Jenkins and Zelinsky's charming compliment to Taylor's series perfectly captures the warmth and family values that made the original titles classics.

Hanukkah in America Millbrook Press

We always tried to celebrate the Jewish Holidays as a family. Starting when our children were young, it soon became apparent to us that it was much better and much more meaningful if as part of our celebration, we discussed each holiday with each other, talking about why the holiday is celebrated, its origin and history, how it is celebrated and very importantly its meaning, relevance and value to us today and what we can learn and use in our everyday lives. We wanted the children to feel and understand that the holidays were important for them and each holiday had meaning and value for them and should be celebrated by them for its own sake, not just because they wanted to please their parents and grandparents. Over time we wrote up these discussions and added information for each holiday for our family use. At the urging of many family members and friends who have since seen and liked this material, we would now like to share it and make it available, with this book, for others to use. In the book, emphasis is placed on purpose, meaning, value, joy and inspiration for each holiday and our daily lives. We feel confident that the reader will find this material as valuable and useful as we have for helping to celebrate and getting the most out of the Jewish Holidays.

"The prayer book is our Jewish diary of the centuries, a collection of prayers composed by generations of those who came before us, as they endeavored to express the meaning of their lives and their relationship to God. The prayer book is the essence of the Jewish soul." This stunning work, an empowering entryway to the spiritual revival of our times, enables all of us to claim our connection to the heritage of the traditional Jewish prayer book. It helps rejuvenate Jewish worship in today's world, and makes its power accessible to all. Framed with beautifully designed Talmud-style pages, commentaries from 11 of today's most respected Jewish scholars from all movements of Judaism examine Seder K'riat Hatorah from the perspectives of ancient Rabbis and modern theologians, as well as feminist, halakhic, Talmudic, linguistic, biblical, Chasidic, mystical, and historical perspectives. This fourth volume of the series unfolds the many layers of meaning in Seder K'riat Hatorah, the ritual and prayers surrounding the communal reading of Torah. More than any other section of the prayer book, the Torah service reflects all of Jewish history. Vol. 4 helps us to understand how the reading of Torah is an affirmation, powerful and dramatic, of the continuing covenant between the community of Israel and God. Vol. 4--Seder K'riat Hatorah (The Torah Service) features the authentic Hebrew text with a new translation designed to let people know exactly what the prayers say. Introductions tell the reader what to look for in the prayer service, as well as how to truly use the commentaries, to search for--and find--meaning in the prayer book. Even those not yet familiar with the prayer book can appreciate the spiritual richness of Seder K'riat Hatorah. My People's Prayer Book enables all worshipers, of

any denomination, to encounter their own connection to 3,000 years of Jewish experience with the world and with God. Contributors include: Marc Brettler * Elliot N.
