The Place of Enchantment Hachette UK

When Braedon and I catch a glimpse of the future, I see the evil Archmage Edius destroying the world, but Braedon sees my death... In order to gain Supreme status, my mates and I are transported to a new academy where we hope to master the five elements of magic. But the sinister Archmage invades my dreams and robs me of my self-confidence. Before I know it, all the progress I've made at the Enchanted Academy vanishes, and I'm back to functioning as a remedial level witch. If we're able to work together and master the five elements, Dash, Oliver, Braedon, Kyler, and I may be able to vanquish Edius and finally get the happily ever after we crave.

New York Times–bestselling author Jennifer Wilde's dishy and delightful novel about a world-famous star is loosely based on the life of Tallulah Bankhead Three-year-old Marabelle Lawrence makes her first headline when she climbs onto the roof of her apartment building and waits to be rescued. Edward C. Hunt is

enchanted by the budding star's attention-getting hijinks, and the two become instant friends. Many years later, they go their separate ways, Edward to Princeton to become a great writer and Marabelle to New York to become a star. But their relationship spans decades of Marabelle's tumultuous life—on and off the stage and screen. Sweeping from Alabama to New York, London to Hollywood, Marabelle delivers an unforgettable portrait of a larger-than-life personality, brilliantly capturing the frightened, vulnerable woman behind the flamboyant persona and the pathos beneath the drunken binges, passionate love affairs, and failed suicide attempts. With its cast of endearing characters, including real-life celebrities Noël Coward, Cole Porter, Dorothy Parker, Marlene Dietrich, and Gary Cooper, here is a vivid depiction of a place and time that will never come again.

They say I'm a promising witch, but my magic is a disaster... I wish I could keep my sorcery skills from running wild. Braeden and I are on a mission to take down a pack of demons, when one of my spells misfires and destroys the town's defense against the very monsters we were sent to protect them from. That's when the fed-up guild banishes me to the Enchanted Academy. One last chance to salvage what's left of my career as a witch by

honing my craft. The coursework is challenging, but I can't help but be distracted by a brainy mage and a mysterious shifter. Not to mention the bad boy who's set his sights on me, or the fact that my relationship with my best friend is heating up. But beyond the gated grounds, a power-hungry wizard is drawing near, intent on stealing magic. As the passion between me and my men grows, so do my powers. Soon my friends and I will be the enemy's prime target, and the five of us will have to unite to defeat the rising evil. A Class of Conjuring is the captivating first book in the Enchanted Academy paranormal romance reverse harem series. Fans of Avery Song and Eva Chase will love Evie Wilde's engaging tale.

The Selfish Giant Open Road Media

For the past 36 years, Des Kennedy and his family have lived largely outside their hand-built house in intimate contact with the Earth ? its creatures, its changing seasons, and its weather patterns. In this charming book's 52 chapters, Kennedy brings readers deep into his garden, week by week, from winter's dormancy to summer's splendor. With his trademark self-effacing humor, the author captures the essence of the gardening

experience, exploring his triumphs, failures, mishaps, and occasional magic. Undaunted by setbacks and lusting for the perfect garden, Kennedy takes readers with him on a gardening journey rich with insights and adventures. The effects of devastating snow storms; the slow-food cuisine of rutabagas, parsnips, and carrots; the gardener's inalienable right to dress in rags; the outlandish behaviour and florid oratory induced by flowering poppies ? these and scores of other topics meander through the book's gardening year alternately informing, inspiring, and amusing.

"The Selfish Giant" is a short fantasy story for children by the Irish author Oscar Wilde. The story's plot revolves around a giant who builds a wall to keep children out of his garden, but learns compassion from the innocence of the children. The short story contains significant religious imagery. The Selfish Giant owns a beautiful garden which has 12 peach trees and lovely fragrant flowers, in which children love to play after returning from the school. The Giant put a notice board "TRESPASSERS WILL BE PROSECUTED". The garden falls into perpetual winter. One day, the giant is awakened by a linnet, and discovers that spring has returned to the garden, as the children have found a way in through a gap in the wall... It was first published in 1888 in the anthology *The Happy Prince and Other Tales*, which, in addition to its title story, also includes "The Nightingale and the Rose", "The Happy Prince", "The Devoted Friend" and "The Remarkable Rocket".

This dramatically illustrated collector's edition marks the centenary of Oscar Wilde's release from prison in 1898 and the publication of his anguished poetic masterpiece. One hundred years after his release from Reading Gaol, the life and work of Oscar Wilde has lost none of its fascination. In his day, his wit and writings enchanted and scandalized society in equal measure; his downfall came at the height of his powers. Devastated by his notorious trial for indecency, imprisoned for "homosexual offenses," he was to spend two ruinous years in solitary confinement. As he was later to tell Andre Gide, Reading Gaol "was not fit for dogs. I thought I would go mad." The *Ballad of Reading Gaol* was written from personal experience, and there was to be no more writing after this. As Wilde observed: "Something is killed in me." Bankrupt, disgraced, and in exile, Wilde was to die not long after his release at the age of 46. His final resting place is the cemetery of Pere Lachaise in Paris. His tomb bears an inscription from *The Ballad of Reading Gaol*: "And alien tears will fill for him/Pity's long broken urn/For his mourners will be outcast men/And outcasts always mourn." This commemorative edition of the poem is illustrated with the powerfully moving wood engravings of Garrick Palmer. 48 pp 5 x 8 8 wood engravings. In 1895, Oscar Wilde was sentenced to two years of hard labor as punishment for having engaged in homosexual acts. While serving out his sentence at Reading Gaol in Berkshire, Wilde witnessed the execution by hanging of a young soldier who had murdered his wife by slashing her throat. Profoundly shaken by the execution and the crime that preceded it, Wilde composed this elegiac poem centered on the haunting refrain, "Yet each man kills the thing he loves." This poem - originally published anonymously, written after Wilde's two year's hard labour in Reading prison - is the tale of a man who has been sentenced to hang for the murder of the woman he loved. *The Ballad of Reading Gaol* follows the inmate through his final three weeks, as he stares at the sky and silently drinks his beer ration. Heart-wrenching and eye-opening, the ballad also expresses perfectly Wilde's belief that humanity is made up only of offenders, each of us deserving a greater charity for the severity of our crimes.

Witches Enter the world of the hidden folk - and discover the most whimsical, enchanting and heart-warming tale you'll read this year, featuring the intrepid Emily Wilde. . . Emily Wilde is good at many things: she is the foremost expert on the study of faeries; she is a genius scholar and a meticulous researcher who is writing the world's first encyclopaedia of faerie lore. But Emily Wilde is not good at people So when she arrives in the hardscrabble village of Hrafnsvik, Emily has no intention of befriending the gruff townsfolk. Nor does she care to spend time with another new arrival: her dashing and insufferably handsome academic rival Wendell Bumbleby But as Emily gets closer to uncovering the secrets of the Hidden Ones - the most elusive of all faeries - she also finds herself on the trail of another mystery: who is Wendell Bumbleby, and what does he really want? To find the answer, she'll have to unlock the greatest mystery of all - her own heart. 'Forget dark academia: give me instead this kind of winter-sunshined, sharp-tongued and footnoted academia, full of field trips and grumpy romance' Freya Marske, author of *A Marvellous Light* An intrepid professor must uncover faerie secrets in the delightful and heart-warming second instalment of the Sunday Times bestselling Emily Wilde series. Emily Wilde is a genius scholar of faerie folklore, and has catalogued many secrets of the Hidden Folk in her encyclopaedia with her infuriatingly charming fellow scholar, Wendell Bumbleby, by her side. But Bumbleby is more than just a brilliant and unbearably handsome scholar. He's an exiled faerie king on the run from his murderous mother, in search of a door back to his realm. By lucky happenstance, Emily's new project, a map of the realms of faerie, will take them on an adventure to the picturesque Austrian Alps, where Emily believes they may find the door to Bumbleby's realm, and the key to freeing him from his family's dark plans. But with new friendships for the prickly Emily to navigate and dangerous Folk lurking in every forest and hollow, Emily must unravel the mysterious workings of faerie doors, and of her own heart. Wilde in Love Random House

In this new historical fantasy, a young man must use the power granted by a goddess to infiltrate the realm of Faery and save a kidnapped victim before the door is sealed once again. Orphaned when still a toddler, Nicholas Withybeck knows no other home than Locksley Abbey outside Nottingham, England. He works in the scriptorium embellishing illuminated manuscripts with hidden faces of the Wild Folk and whimsical creatures that he sees every time he ventures into the woods and fields. His curiosity leads him into forbidden nooks and crannies both inside and outside the abbey, and he becomes adept at hiding to stay out of trouble. On one of these forays Nick slips into the crypt beneath the abbey. There he finds an altar older than the abbey's foundations, ancient when the Romans occupied England. Behind the bricks around the altar, he finds a palm-sized silver cup. The cup is embellished with the three figures of Elena, the Celtic goddess of crossroads, sorcery, and cemeteries. He carries the cup with him always, listening as the goddess whispers wisdom in the back of his mind. With Elena's cup in his pocket, Nick can see that the masked dancers at the May Day celebration in the local village are actually the creatures of the wood: The Green Man—known to mortals as Little John—and Robin Goodfellow,

Herne the Huntsman, dryads, trolls, and water sprites. Theirs are the faces he's seen and drawn into his illuminations. Guided by Elena along secret forest paths, Nick learns that Little John's love has been kidnapped by Queen Mab of the Faeries. The door to the Faery mound will only open when the moons of the two realms align. That time is fast approaching. Nick must release Elena so that she can use sorcery to unlock that door, allowing Nick's band of friends to try to rescue the girl. Will he have the courage to release her as his predecessor did not?
