The Best of Friends M. Evans

From a New York Times–bestselling author: A chilling psychological thriller about one man’s murderous obsession with his childhood sweetheart. Growing up in the roughest part of London, Guy Curran never imagined he would fall in love with a rich girl. But from the moment he meets Leonora Chisholm, he knows it’s their destiny to be together.

They have a short, passionate teenage fling—over almost before it begins. Leonora moves on, but Guy never will. His love for her is dangerous, and it will destroy them both. Over the next ten years, Guy becomes a millionaire, selling hard drugs and bad art to the jet set of Western Europe. He and Leonora remain friends, sharing weekly lunches—until the day he learns she’s fallen in love with someone else. Seized by murderous jealousy, Guy is about to embark on a mad quest to claim the woman he desires—or die trying. “Rendell is a master of depicting the long, slow slide into madness” and *Going Wrong* shows her brilliant ability to walk the line between elegance and terror (Publishers Weekly).
