The most practical, authoritative guide to GAAP Wiley GAAP 2013 contains complete coverage of all levels of GAAP, indexed to the ASC. Wiley GAAP renders GAAP more understandable and accessible for research, and has been designed to reduce the amount of time and effort needed to solve accounting research issues. Providing interpretive guidance and a wealth of real-world, content-rich examples and illustrations, this invaluable guide offers clear, user-friendly guidance on every pronouncement including FASB Technical Bulletins, AcSEC Practice Bulletins, FASB Implementation Guides, AICPA Statements of Position, and AICPA Accounting Interpretations. Offers insight into the application of complex financial reporting rules Contains detailed index for easy reference use Includes a comprehensive cross-reference of accounting topics to the FASB codification system With easy-to-access information, this reliable resource offers complete coverage of the entire GAAP hierarchy.

Wiley GAAP 2018, 16th Edition CCH Incorporated

Generally Accepted Accounting Principles (GAAP) are used as the basis for financial reporting. The original GAAP documents span thousands of pages, and so are difficult to research. The GAAP Guidebook solves this problem by condensing GAAP into a single volume. This book describes the key elements of each topic, how accounting information is disclosed, and where to look in the FASB Codification source documents for additional information. The text contains hundreds of practical examples that show how to apply GAAP to real-world situations, as well as sample journal entries and usage tips. In short, the GAAP Guidebook serves as a handy reference for accountants who need quick answers to difficult problems.

GAAP Financial Statement Disclosures Manual, 2017-2018 John Wiley & Sons

The GAAP Financial Statement Disclosures Manual provides a complete, quick, and valuable reference source for financial statement disclosures and key presentation requirements. Specifically, the Manual:· Provides over 750 examples of realistic sample footnote disclosures to assist in the preparation of financial statements for an audit, a review, or a compilation engagement.· Facilitates compliance with U.S. GAAP by integrating, in each chapter, the specific disclosure and key presentation requirements with the sample footnotes.· Provides sample disclosures that are technically sound, understandable, and comprehensive and that cover a variety of scenarios, from the most common to the most unusual.· Incorporates all currently effective accounting standards, including those that cover areas of unusual difficulty, such as financial instruments, fair value, business combinations, consolidation, income taxes, pensions, accounting changes, and variable interest entities.

GAAP 2018 John Wiley & Sons

A practical manual for preparing UK GAAP-compliant disclosures UK GAAP Financial Statement Disclosures Manual is the practical handbook accounting professionals need to prepare audit-proof financial statements. The recent establishment of the new UK GAAP has brought significant changes to financial reporting, and this guide collects all of the latest guidelines into one place. Clear, concise and heavily geared toward practical application, this book is designed for easy navigation with stand-alone chapters and real-world examples. You'll find step-by-step guidance for the entire disclosure process, with explicit instruction on what to include, how to include it and why. Financial statements prepared from 2015/2016 in the UK and Republic of Ireland will appear significantly updated, and this manual gives you the guidance you need to understand what's required to achieve full compliance. Insufficient or incorrect disclosures are frequently the reason why financial statements are rendered deficient. This book provides practitioners with a reference and guide for all aspects of financial statement disclosure preparation. Get up to speed on the most recent UK GAAP guidelines Understand the 'what' and 'why' of disclosure statements Study real-world example statements for practical guidance Prepare statements that stand up to auditor and regulator scrutiny Many practitioners fall afoul of regulators' criticisms with subjective, incomplete, omitted or incorrect disclosures, resulting in sanctions being brought against the practitioner or the firm. Financial statement disclosure emphasis is on transparency at a time when changes in the profession require an entirely new method of preparation. For practitioners who need to stay ahead of the curve, UK GAAP Financial Statement Disclosures Manual is the invaluable reference to keep within arm's reach.

International GAAP® 2019 is a comprehensive guide to interpreting and implementing International Financial Reporting Standards (IFRS), setting IFRS in a relevant business context and providing insights into how complex practical issues should be resolved in the real world of global financial reporting. This book is an essential tool for anyone applying, auditing, interpreting, regulating, studying or teaching IFRS. Written by EYs financial reporting professionals from around the world, this three-volume guide to reporting under IFRS provides a global perspective on the application of IFRS. Complex technical accounting issues are explained clearly and IFRS is set in a practical context with numerous worked examples and hundreds of illustrations from the published financial reports of major listed companies from around the world. The 2019 edition of International GAAP® has been fully revised and updated in order to:

- Continue to investigate the many implementation issues arising as entities adopt IFRS 9 (Financial Instruments) and IFRS 15 (Revenue from Contracts with Customers).
- Explore the complex implementation issues arising as entities adopt, in 2019, IFRS 16 (Leases).
- Include an updated chapter on the new insurance contracts standard IFRS 17 (Insurance Contracts), which reflects the recent discussions of the IASB's Transition Resource Group on implementation issues raised, proposed narrow-scope amendments to IFRS 17 intended by the IASB, and also explores other matters arising as users prepare for the adoption of this standard.
- Include

an amended chapter on the revised Conceptual Framework, which was published in March 2018. The changes to the Conceptual Framework may affect the application of IFRS in situations where no standard applies to a particular transaction or event.

- Address amended standards and new interpretations issued since the preparation of the 2018 edition.
- Explain the many other initiatives that are currently being discussed by the IASB and by the IFRS Interpretations Committee and the potential consequential changes to accounting requirements.
- Provide insight on the many issues relating to the practical application of IFRS, based on the extensive experience of the book's authors in dealing with current issues.
