Wyoming Trails A Western Story

Downloaded from [amsd.per.gov.i](#) by guest

MELISSA HERNANDEZ

[Wyoming History News](#) UNM Press

In distinctive, engaging prose, S. R. Martin Jr. crafts the story of his forebears and their westward journey, begun even before the great black migration that occurred around the two world wars. By narrating the struggles and triumphs of his family--both paternal and maternal--during their move west, he illuminates an under-studied facet of African American history. As Martin explains it, he and his brother "arrived on the scene at the confluence of these family streams in time to catch a ride to the shining sea." Students, scholars, and interested general readers of modern African American history and sociology will be greatly rewarded by reading this warm and vivid personal and family memoir.

 Ryan Shanley prefers to be called Shan. It's not much, but it helps put some distance between his life during and after serving in the Union army. And he'll put even more distance between the two once he arrives in the Wyoming Territory, where he has a land grant for two square miles. On the stage to Tico, the town nearest his ranch, he meets Sarahlee Gordon. She was only planning to visit Wyoming long enough to sell the cabin she inherited from her uncle. But the attraction between the two becomes obvious on the stage and grows after they arrive. Between a blossoming relationship and the rugged territory, Shan realizes that he is not nearly as prepared as he believed himself to be, but he remains determined to build the ranch he dreamed of escaping to while serving on the front lines.

[The Dusty Trail](#) is a Western short story taken from Wyoming Fervor. Dusk Evans learns of his two best friends being engaged. Cheyenne and Dylan. He would be happy for them if not for the fact that he had planned on asking Cheyenne to marry him someday.

[Roadside History of Wyoming](#) U of Nebraska Press

"The Log of a Cowboy" is the true-to-life story of an 1882 cattle drive. During the times of "The Log of a Cowboy, Oklahoma was

still "Indian Territory," Little Big Horn was a recent memory, and Native Americans were in the last shameful stages of being forced off the open rangeland. In "The Log of a Cowboy," Adams captures the excitement and the reality of the old West, including routine days and nights punctuated by episodes of another kind: a rigged horse race, in which the cowboys lose several hundred dollars in wagers, two saloon shootings, the breakdown of the chuck wagon, pulling cattle out of a boggy river, meeting potentially hostile Indians, an encounter with cattle thieves, and a long drive across a waterless expanse of Wyoming.

Miss Helen Messiter is a young woman from Michigan who inherits a ranch on the West called Lazy D. She heads off to visit the ranch by car and unexpectedly arrives in an awfully dangerous situation, finding one fugitive trapped by a number of cowboys who want his scalp. Unaware of her actions, Helen daringly drives among them to pull off an incredible rescue. As they drive off, Helen learns that she has saved the notorious Ned Bannister, the most powerful and the most feared man in Wyoming.

Travel back in time to the early 20th century, when the American West was still wild and unsettled. This book tells the story of the Bozeman Road, one of the most important routes across the western frontier, and the many historic landmarks and sites that dotted its path through Wyoming. With detailed maps, photographs, and first-hand accounts, this book offers a fascinating glimpse into the history of the American West. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Learn about Native Americans who struggled to adapt to many sudden changes, mountain men who braved the wilderness, emigrants who suffered untold hardships, cattle and sheep drovers who took advantage of the open range, miners who sought wealth below the

Wyoming Trails CreateSpace

This classic describes the life of a cowboy who is a natural aristocrat, set against a highly mythologized version of the Johnson County War and taking the side of the large land owners. The Virginian paved the way for many more westerns by such authors as Zane Grey, Louis L'Amour, and several others. Owen Wister (1860-1938) was an American writer and "father" of western fiction. When he started writing, he naturally inclined towards fiction set on the western frontier. Wister's most famous work remains the novel *The Virginian*.

[Zane Grey - Ultimate Collection: 60+ Western Classics, Historical Novels & Baseball Stories](#) Good Press

The Western Story: A Chronological Treasury consists of twenty Western stories spanning the years 1892 to 1994. For that generation of American writers who saw the frontier in the last

century?including Mark Twain, Bret Harte, and Owen Wister?it seemed exotic, strange, wonderful. Others, such as Frederic Remington and John G. Neihardt, reflected the clash between various Indian nations and pioneers. These authors prepared the way for the founders of the first Golden Age of the Western story: Willa Cather, who wrote of pioneer life in Nebraska; Zane Grey, who combined wilderness experiences with romance and the search for spiritual truth; B. M. Bower, who portrayed the cowboys and frontier women she knew growing up in Montana; Max Brand, who created dramas in which the psychological and spiritual meaning of life was more important than the physical terrain; and Ernest Haycox, who combined character and drama with historical accuracy. ø Another generation of writers perpetuated this first Golden Age: Peter Dawson and T. T. Flynn, who began writing Western stories in the 1930s; Walter Van Tilburg Clark, who created a masterpiece in *The Ox-Bow Incident*; Dorothy M. Johnson and Les Savage Jr., who experimented with making the Western story still more realistic; and Louis L?Amour, whose visibility and popularity won legions of new readers to the genre. ø Humanity, depth, and verisimilitude were already part of the Western story when Will Henry, Elmer Kelton, and T. V. Olsen came on the scene to intensify these qualities in their own stories even as they experimented with new perspectives. And Cynthia Haseloff?s story (written especially for this collection), with its symbolism and its simplicity, may be the harbinger of a second Golden Age.

Wyoming Roadside History (Paperback)

One of two genuine classics of American nature writing now in paperback; the other is *A Natural History of Trees of Eastern and Central North America*.

The Broncho Rider Boys on the Wyoming Trail Arcadia Publishing

Travis Quinn doesn't have much luck picking friends. First, a friend gets him fired from a ranch. Then he heads down the Powder River, meeting another "friend" who puts in a good word and gets him hired at the Lockhart Ranch. And, if the rumors are true, this friend might just get Travis killed.

The Dusty Trail CreateSpace

A historic and folkloric path that meandered from Canada to Mexico, the Outlaw Trail was used by outlaws such as Butch Cassidy, the Sundance Kid, and the James brothers. Following existing Western routes such as the Oregon Trail, the highway connected towns and natural hideouts essential for bandits escaping the law. Some in Western communities were sympathetic toward the outlaws. Many, like Cassidy, were seen as Robin Hoods, fighting for common people who were under siege by economic forces, corporate encroachment, and other changes occurring in the Old West. *Images of America: Wyoming's Outlaw Trail* details the history, folklore, and geography behind some of Wyoming's outlaw towns and hideouts--chief among them the Hole in the Wall and Red Desert. Also highlighted are the deeds of the robbers, lawmen, and ordinary folk who rode those dusty trails during the late 1800s and early 1900s.
