*The Secret Garland* Mapin Publishing Pvt Celebrating Public Spaces of India? is an attempt at understanding architecture as a defining feature in the identity of the public space and its influence on evolving modes of urbanism in India. Through a carefully curated list of more than fifty vibrant landmarks across the length and breadth of India, this volume analyses and highlights the socio-cultural-

functional strength of public spaces within the urban fabric of cities. Featuring evocative photographs and drawings, this volume strives to understand the mechanics of these built and open structures, and their influences on urban cityscapes.

The Family in Law Independently Published

The book is a kaleidoscope of eight stories dealing with the lives of eight women, depicting their vulnerability and veracity, trials and tribulations, power and pulchritude, love and longings. These

stories grab life by the horns and peep deep into inter-personal relationships. Divya sees her best friend in Kabir, but does him being a Muslim affect their relationship? Ketaki and her hero bloom in the Gujari Mahal garden, but can they predict their autumn? Sapna tastes love, both in and out of the marriage, but does she relish the taste? Anukriti has a walk over the precipice when she has to choose between her commitment to her patient and her lover, Payal is perplexed when her hormones play paramount and her will dwindles the drain, Mitiksha finds an

attractive mentor in an olive clad captain, Sandhya witnesses her dad's talisman work through the trepidations of her life. Deepti wonders at the aloofness of the man she is attracted to. Read the book to see love being born, nurtured, kindled to fiery passion, testosterone tripping, estrogen bandwagon blinking and then pausing for a while to wonder whether it can really sustain!

There were ostriches in India. Gold was dug up in the Himalayas by animals. Coins of Greek rulers in India showed Krishna wearing Greek clothes. Ethiopian military slaves founded kingdoms across India. Jump into an action-packed history of India told like never before. Discover our incredible heritage and uncover delightful nuggets about our grand old country. Travel through time and see how people lived, why things happened and how we came to be what we are. Written by BBC Mastermind 'Champion of Champions' Archana Garodia Gupta and history-geek Shruti Garodia, this volume spans the ages from the dawn of humans until the Delhi and Deccan sultanates, and tells the story

of India's rulers and invaders, traders and architects, sculptors and poets, scientists and innovators, farmers and businessmen, and millions and millions of just ordinary, everyday men and women. With a chatty style, simple explanations and well-rounded coverage, this is the definitive Indian history in two volumes for young readers. Filled with photographs, illustrations, activities and quotable facts, this is one retelling of history you don't want to miss.

\_\_\_\_\_ A perfectly-crafted, funny and moving masterpiece about love, family, passion and whether or not one should always play by the rules. Friday: as a Test match between England and India begins, a woman's attention is torn between her husband's insistence on explaining the rules of cricket, her lover's preference for mystery, and the worrying

disappearance of her sixteen-year-old stepson. By Tuesday night the outcome of the match will become clear - but whatever happens, the lives of the players will be changed forever.

Covid -19 is called a death sentence, but is that true? What happens to a mother of two small kids, when she gets the news that she has tested positive for this life-threatening disease? How did she react to the news? What did she do next to save herself... and her family too? She finds herself in a small room, struggling to cope with her feelings. She felt lost, lonely, misunderstood, tired of the pain and suffering, depressed and anxious... and overcome with negativity. She doesn't know where to find hope and how to heal herself physically, mentally and emotionally. She realised that a dull pencil is better than an idle mind. So she begins to write the pages of her own life, inside the closed room, continuously during the 26 days of isolation. This book is about a real-life situation and with beautiful visual images of what motivation can look like when one is faced with extreme adversity. This book focuses on how every middle-

class woman feels in relationships, but couldn't admit it. It will take you on a roller-coaster ride of emotions from being negative to being positive. It will also guide you and help you to move on with adverse situations. While reading this book, you will relate to it and see the story of your own life in it. So, in this world of complicated relationships, will she be able to rediscover herself and come out stronger, more determined and with a new philosophy of life or will she lose herself and vanish forever?

In 1981, An American Student In Europe, Gretchen McGregor Walked Into A Bookstore And Bought A Book That Would Change Her Life Forever, A History Of The Worship Of The Divine Mother. Grippd By The Possibility That This Ancient Tradition Must Still Exist Today, She Embarked On A Journey That Would Take Her From The Hills Of Pennsylvania To The Mountains Of New Mexico, And By 1983 To A Remote Village In Kerala, South India, Where She Would Find A Mahatma, Known Only To The Pious Locals And A Handful Of Spiritual Seekers Who Had Gathered

Around Her. They Called Her, Simply, Amma. Convinced That She Had Found The Divine Mother In A Human Form, Gretchen Settled Down To Seek The Highest Truth As A Spiritual Aspirant In Amma's Ashram. Little Did She Know That Her Journey Had Only Just Begun. When Amma Received An Invitation To Visit The U.S. For The First Time In 1987, It Was Kusuma, As Gretchen Was Named By Amma, Who Traveled Alone To The U.S. To Organize Amma's First Tour. With Little More Than A Hope And A Prayer, And Often Less Than Five Dollars In Her Pocket, 25 Year Old Kusuma Traversed The Length And Breadth Of America, Armed Only With A Home Video She Had Made Of Amma And A Heart Full Of Faith And Love. Her Efforts Bore Fruit Beyond Her Wildest Dreams As The Subsequent Annual World Tours Allowed Amma To Touch The Hearts Of Countless People In More Than 25 Countries. But As Amma's Mission Expanded, Kusuma's Own Heart Grew Distant, And She Found Herself Turning Her Back On Amma And Walking Away. This Book Is Kusuma's Unflinching Exploration Of Her Own Spiritual Journey; What Brought Her To Amma, And What

Took Her Away. It Is Also The Story Of How She Decided To Come Back, And Finally Discovered That She And Amma Had Never Really Been Apart. Gretchen Kusuma McGregor Is One Of The Earliest Followers Of The Indian Spiritual Leader And Humanitarian Sri Mata Amritanandamayi Devi, Known Throughout The World As Amma, Or Mother, For Her Selfless Love Toward All Beings. She Lives In Amritapuri, South India. Published By The Disciples Of Mata Amritanandamayi Devi, Affectionately Known As Mother, Or Amma The Hugging Saint.

The sudden death of her husband made Archana go into a shock. She was shocked because he was supposed to be discharged from the hospital that very day. Whatever happened a night before was the principal reason for it though Archana told no one about it. Hoping to bring Archana out of shock, Sunita, her mother in law, took her to a psychiatrist named John D'Souza. The first session went strange as Archana tried to portray herself as a bad woman in all possible ways. Their next meeting happened a year later in the form of a job interview. Archana got the job, and one beautiful day John asked her about why she portrayed herself as an evil character in their first meeting. Luckily by then, Archana had regained her sense and was willing to tell her story to him. Though Archana revealed a lot, there was always something she was trying to hide. Her story took a toll on John's mental health as he consistently struggled to see her as the right person, but her story suggested otherwise. With mistakes leading to deadly consequences, the mysterious Archana Nair, her psychiatrist John D'Souza and an intriguing and mysterious plot, 'Archana' is a

compelling story to read.

In a competition of the most hated memes of modern times, "Hipster" has now caught up with "Hitler." Artists James Carr and Archana Kumar thought, why not combine the two? After all, Hitler was indeed a hipster of his time, a failed artist in Vienna scrounging up extra dollars or kroner painting quick architecture scenes for the tourists. In their heavily trafficked website, "hipsterhitler.com," these comic artists posit a new sort of history in which Hitler, wears Silverlake-trendy glasses, thrift store sweaters, and outspoken T-shirts, and the reader begins to quickly

understand the history of Hitler in a new and strangely engaging way. The Feral House book of Hipster Hitler includes a few dozen pages of comics heretofore unseen online.

In this universal story about embracing who we are and where we come from, a young girl finds the magic, power, and history of wearing a bindi for the first time, in this moving and lyrical picture book debut from Gita Varadarajan. There in the mirror, I see a shining star. My mother's joy, my father's pride. And then I see something else: I see me. Divya is scared to put on the bindi for the first time. What if she gets made fun of? What will it feel like? But Amma assures her that her bindi will bring protection. After Divya looks inside Amma's special box to find the perfect bindi to put on, she gazes in the mirror and discovers a new side of herself, and it gives her strength. In this tender debut picture book, author Gita Varadarajan crafts a powerful story about belonging, embracing your heritage, and believing in yourself. Archana Sreenivasan's vibrant and magical illustrations bring to life this journey of

self-discovery. My Bindi is a universal message of the importance finding oneself and celebrating the unique beliefs and experiences that make us who we are.

'People say that I am a quarrelsome woman...' TARABAI, MARATHA QUEEN (1675-1761) The history of India, more often than not, is a history of the men who were in charge. Largely forgotten are the women who, even centuries earlier, shaped the fates of entire kingdoms. In *The Women Who Ruled India*, writer and researcher Archana Garodia Gupta revives 20 such powerful figures from the archives, offering us a glimpse of their fascinating lives. Among them are Begum Samru, a courtesan who went on to become the head of a mercenary army and the ruler of Sardhana; Didda of Kashmir, known for her keen political instinct and a ruthlessness that spared no one; Rani Abbakka of Ullal, the fearless queen who took on Portuguese colonizers in their heyday; and Rani Mangammal of Madurai, the famed administrator who built alliances at a time when going to war was the order of the day. These women and others like them built roads, instituted

laws and were generous patrons of the arts and sciences. Their stories of valour and diplomacy, leadership and wit continue to inspire today. Peppered with anecdotes that showcase little-known facets of their personalities, the accounts in this book celebrate heroic rulers who – ‘quarrelsome’ though they might have been – were iconoclasts: unafraid to forge new paths.

Advanced Analytics and Deep Learning Models The book provides readers with an in-depth understanding of concepts and technologies related to the importance of analytics and deep learning in many useful

real-world applications such as e-healthcare, transportation, agriculture, stock market, etc. Advanced analytics is a mixture of machine learning, artificial intelligence, graphs, text mining, data mining, semantic analysis. It is an approach to data analysis. Beyond the traditional business intelligence, it is a semi and autonomous analysis of data by using different techniques and tools. However, deep learning and data analysis both are high centers of data science. Almost all the private and public organizations collect heavy amounts of data, i.e., domain-specific data. Many small/large companies are exploring large amounts of data for existing and future technology. Deep learning is also exploring large amounts of unsupervised data making it beneficial and effective for big data. Deep learning can be used to deal with all kinds of problems and challenges that include collecting unlabeled and uncategorized raw data, extracting complex patterns from a large amount of data, retrieving fast information, tagging data, etc. This book contains 16 chapters on artificial intelligence, machine learning, deep

learning, and their uses in many useful sectors like stock market prediction, a recommendation system for better service selection, e-healthcare, telemedicine, transportation. There are also chapters on innovations and future opportunities with fog computing/cloud computing and artificial intelligence. Audience Researchers in artificial intelligence, big data, computer science, and electronic engineering, as well as industry engineers in healthcare, telemedicine, transportation, and the financial sector. The book will also be a great source for software engineers and advanced students who are beginners in the field of advanced analytics in deep learning.

A dazzling translation of one of the most revered ancient Bhakti poems The Tiruvaymoli (sacred utterance or sacred truth) is a grand 1102-verse poem, composed in the ninth century by Sathakopan-Nammalvar, the greatest of the alvar poets. Ingeniously weaving a garland of words-where each beginning is also an ending-the poet traces his cyclical quest for union with the supreme lord, Visnu. In this magnificent translation, Archana Venkatesan transports the flavour and cadences of Tamil into English, capturing the different voices and range of emotions through which the poet expresses his enduring desire for release. The scholarly introduction illuminates the poem's kaleidoscopic brilliance and the

traditions of devotional religiosity it inspired.

This book offers new translations of the Tiruppavai and Nacciyar Tirumoli, composed by the ninth-century Tamil mystic and poetess Kotai. Two of the most significant compositions by a female mystic, the Tiruppavai and Nacciyar Tirumoli give expression to her powerful experiences through the use of a vibrant

and bold sensuality, in which Visnu is her awesome, mesmerizing, and sometimes cruel lover. Kotai's poetry is characterized by a richness of language in which words are imbued with polyvalence and even the most mundane experiences are infused with the spirit of the divine. Her Tiruppavai and Nacciyar Tirumoli are garlands of

words, redolent with meanings waiting to be discovered. Today Kotai is revered as a goddess, and as a testament to the enduring relevance of her poetry, her Tiruppavai and Nacciyar Tirumoli continue to be celebrated in South Indian ritual, music, dance, and the visual arts. This book aims to capture the lyricism, beauty,

and power of Kotai's original works. In addition, detailed notes based on traditional commentaries, and discussions of the ritual and performative lives of the Tiruppavai and Nacciyar Tirumoli highlight the importance of this ninth-century poet and her two poems over the past one thousand years.
