Nora Black Midlife Psychic Cozy Mysteries Books 1 - 3 Canelo

The definitive Thai cookbook from a YouTube star! Growing up in Thailand, Pailin Chongchitnant spent her childhood with the kitchen as her playground. From a young age, she would linger by the stove, taking in the sight of snowy white coconut being shredded, the smell of lemongrass-infused soups, and the sound of the pestle pounding against the granite mortar. Years later, as a Cordon Bleu-educated chef in San Francisco, Pailin vividly remembered the culinary experiences of her youth. And so, on YouTube, Hot Thai Kitchen was born. Combining her love of teaching with her devotion to Thai food, Pailin immediately connected with thousands of fans who wanted a friend and educator. In this much-anticipated cookbook, Pailin brings her signature warmth and impressive technique to Thai food lovers everywhere. She begins by taking readers on a beautifully photographed trip to Thailand to explore the culinary culture and building blocks central to Thai food. With foolproof and easy-to-follow instructions, Pailin breaks down the key ingredients, flavours, equipment, and techniques necessary to master authentic Thai cooking. Then, she shares her must-make recipes for curries, soups, salads, and stir-fries, including entire chapters on vegetarian and vegan dishes, dips and dipping sauces, and sumptuous Thai desserts. With QR codes to video tutorials placed throughout the book, you'll be able to connect with Pailin online, too. Both a definitive resource and an extraordinary exploration of Thai cuisine, Hot Thai Kitchen will delight and inspire you in your Thai cooking journey.

It's a Wild Last Boss versus a Vampire Princess! In order to fulfill a 200 year old promise, Lufas heads to Mjolnir, Benetnasch's country, alone with the intention of completing the life-or-death battle they'd begun long ago. Will Lufas's true power finally awaken during this long-awaited battle to the death? Meanwhile, Leon's one of the Twelve Heavenly Stars who hasn't yet returned to the fold is up to something, and the demihumans seem to be on his side of the brewing war against the rest of humanity. But Leon is the strongest of the Twelve Heavenly Stars. Without Lufas, will the other Stars be enough to stop him on their own? The hero's party, along with Virgo and Castor, head to Sagittarius's homeland, the centaurs' village, in an attempt to discover why the normally even-tempered former Star is acting so out of character. Will the other former members of the Twelve Heavenly Stars come back peacefully? Or are there more unexpected events in store for Lufas?!

Hangman Puzzles takes the famous two-player game and turns it into a one-player trivia game of deduction. On his run, he finds a dead man hanging from a tree. The book features 100 puzzles split into two sections with varying levels of difficulty. Each game has a category clue and a unique way

of solving the puzzle. From simple vocabulary to extended quotes, you'll be guessing to solve a variety of words and phrases. Each puzzle comes with a category and a visual hint to help you solve the puzzle. Scratch off the letter's clue to find what positions in the phrase the letter falls on. \*Perfect for fans of the Guilty Feminist\* Hot (adj.) : (Of a person) Attractive 'a hot chick' Fem-i-n-ist (n.) : A person who supports feminism, the movement that advocates equal rights for women Polly Vernon, Grazia columnist, Times feature writer (hair-flicker, Brazilian-waxer, jeans obsessive, outrageous flirt) presents a brave new perspective on feminism. Drawing on her dedicated, life-long pursuit of hotness - having dismissed many of the rules on 'good' feminism at some point in the early 90s - she'll teach you everything you ever wanted to know about being a feminist when you care about how you look. When part of your brain is constantly monologuing on fashion. When you check out your own reflection in every reflective surface. When your depilation practices are pretty much out of control. When you just really want to be fancied. Hot Feminist is based on a principle of non-judgment (because there's enough already), honesty about how often we mess this up, and empowerment through looks. Part memoir, part road map, it's a rolling, raucous rejection of all those things we're convinced we shouldn't think / wear/ feel/ say/ buy/ want - and a celebration of all the things we can. It is modern feminism, with style, without judgment

While growing older certainly has its benefits, its downside poses big challenges. Physical decline; loss of spouses, relatives, and friends; memory lapses; feelings of inadequacy or uselessness--such things can give us those "senior moments" that sidetrack us with fear and worry. In this sequel to her bestselling book, Karen O'Connor brings even more encouragement to people in their golden years, prompting them to reflect, laugh, play, and take both burdens and joys to the Lord who cares

for them.

I'm Too Young to Get Old Three Rivers Press

This omnibus contains the first three novels in the Nora Black Midlife Psychic Cozy Mysteries. An unputdownable, thoroughly enjoyable series that is set in an idyllic resort village by USA Today Bestselling Author Renee George. Featuring a middle-aged heroine, strong friendships, and a new chance for romance...and a murder that only this heroine's nose can sniff out. □□□□ Sense and Scent Ability (Book 1) My name is Nora Black, and I'm fifty-one-years young. At least that's what I tell myself, when I'm not having hot flashes, my knees don't hurt, and I can find my reading glasses. I'm also the proud owner of a salon called Scents & Scentsability in the small resort town of Garden Cove, where I make a cozy living selling handmade bath and beauty products. All in all, my life's is pretty good. Except for one little glitch... Since my recent hysterectomy, where I died on the operating table, I've been experiencing what some might call paranormal activity. No, I don't see dead people, but quite suddenly I'm triggered by scents that, in their wake, leave behind these vividly intense memories. Sometimes they're unfocused and hazy, but there's no doubt, they are very, very real. Know what else? They're not my memories. It seems I've lost a uterus and gained a psychic gift. When my best friend Gilly's abusive boyfriend ends up dead after a fire, and she becomes the prime suspect, I end up a babysitter to her two teenagers while she's locked up in the clink. Add to that my super sniffer's newly acquired abilities and a rash of memories connected to the real criminal, and I find myself in a race to catch a killer before my best friend is tried for murder. For Whom The Smell Tolls (Book 2) After solving a murder with the help of my new scent-induced psychic ability, I'm thrilled to report that everything is finally getting back to normal. Better than normal, actually. My BFFs works with me at my Scents & Scentsability shop, I'm dating a young, hot detective, and the upcoming Memorial Day Weekend promises to bring in lots of happy-to-spend-money tourists to Garden Cove. There's not a thing in this world that could spoil my great mood... Nothing except a suspicious death. When police officer Reese McKay asks me to use my aroma-mojo to look into the "accidental drowning" of her black-sheep cousin, I can't turn her away. Especially now she's become a friend. There are only two problems--allergies have clogged my sinuses and have affected my ability to smell, and my ex, the chief of police, is less than thrilled that I'm sticking my nose into another investigation. With help from my besties Gilly and Pippa, along with an unofficial assist from Detective Hot Stuff, I'm determined to crack the case of the drowned

girl and sniff out the killer before he or she can strike again. War of the Noses (Book 3) For my birthday, my best friend Gilly signed us up for a weekend at the Central Midwest Spa Convention. Yay. Massages, fine dining, maid service, and best of all, as long as we attend a few workshops, the weekend is a tax write-off. It should be all sunshine and roses, right? Wrong. It turns out that the Queen Maleficent of Makeup and my former nemesis , Carmen Carraway, is a featured presenter, and she seems determined to ruin my birthday weekend. But when a certain hot detective shows up to surprise me, I push aside my ill will and try to focus on my newfound happiness. Unfortunately, a disturbing smell-o-vision of a gun and a threat has me trying to save Carmen rather than throttle her. When Gilly finds the murdered body of Carmen's assistant in a meditation pod, it's all noses on deck for this mystery. And I'll need all my senses to find out who wants to kill Carmen before she ends up dead. That is, if I don't kill her first.

With honesty, simplicity, and warmth, Bits of Me presents the harmonious composition of the soul through the power of words. By offering glimpses of a fierce love of family, a celebration of music, travel, and nature, and a passion for the poet's first-hand work alongside Christopher and Dana Reeve, the reader is invited into an intimate space where we see compassion, mindfulness, and gratitude in a whole new light. As Keith Richards said, "I'm here to say something and to touch other people, sometimes in a cry of desperation: 'Do you know this feeling?'" Just as we experience this level of communion through music, the intuitive, soulful notes of poetry also resonates with unspeakable, timeless places deep within us all. Bits of Me not only speaks of the experiences of the poet herself-it speaks to the reader's heart and soul, causing us to reflect on those very same bits of ourselves. Going beyond this interchange of sharing and reflecting, a further, greater work is done: A percentage of the profits from this book will be donated to the Christopher & Dana Reeve Foundation for spinal cord injury research and quality of life initiatives for individuals with paralysis....
