A stylized reissue of the acclaimed, surreal noir collaboration between Mexico's greatest writer and its most courageous revolutionary. "Taibo's expertise ensures a smart, funny book, and Marcos brings a wry sense of humor." —Publishers Weekly In alternating chapters, Zapatista leader Subcomandante Marcos and the consistently excellent Paco Ignacio Taibo II create an uproarious murder mystery with two intersecting storylines. The chapters written by the famously masked Marcos originate in the mountains of Chiapas, Mexico. There, the fictional "Subcomandante Marcos" assigns Elias Contreras—an odd but charming mountain man—to travel to Mexico City in search of an elusive and hideous murderer named "Morales." The second story line, penned by Taibo, stars his famous series detective Hector Belascoaran Shayne. Hector guzzles Coca-Cola and smokes cigarettes furiously amidst his philosophical and always charming approach to investigating crimes—in this case, the search for his own "Morales." The two stories collide absurdly and dramatically in the urban sprawl of Mexico City. The ugly history of the city's political violence rears its head, and both detectives find themselves in an unpredictable dance of death with forces at once criminal, historical, and political. Readers expecting political heavy-handedness will be disarmed by the humility and playful self-mocking that runs throughout the book.

The Student Book. This Spanish Listening Booklet matches to the minutest details the content of the 19 units included in the best-

selling workbook for beginner-to-pre-intermediate learners "Spanish sentence builders", by the same authors. For best results, the two books should be used together. This book fully implements Dr Conti's popular approach to listening-skills instruction, L.A.M. (aka Listening-As-Modelling), laid out in his seminal work: "Breaking the Sound Barrier: Teaching Learners how to Listen" (Conti and Smith, 2019). L.A.M. is based on the concept that listening instruction should train students in the mastery of the key micro-listening skills identified by cognitive psychologists. Each unit contains around 13 listening tasks, which provide continuous and extensive recycling of the target constructions and vocabulary items and address the development of the key listening micro-skills. The tasks include engaging and tested Conti classics such as "Spot the intruder", "Missing details", "Faulty transcript", "Break the flow", "Faulty translation", "Gapped translation" and "Listening slalom", alongside more traditional listening comprehension tasks.

I never forgot her. Not for one minute. Not from the last time I saw her, at seventeen, to today. I measured all women against her and all women came up short. But being with her was unfeasible in high school, and it's taboo now. I see her sometimes, but I've never spoken to her. She runs, or I run. We're in the same town, on the same block, in the same building, and the gulf between us is just too wide to cross. Until tonight. ---- He was my high school crush, back when I lived in a world that didn't want me. He was the perfect boy, and I was the outcast kid from the other side of town. And when he held my hand I thought I could fit in, just a little. I thought I could be his and he could be mine. Then he left, and my life fell apart. Now we are the king and queen of opposite sides of Hollywood. And we haven't spoken a word to each other. Until tonight. PRAISE: "A confident, badass heroine and a swoon worthy, good guy find each other in CD Reiss's latest contemporary romance. It's a Hollywood affair with more colors of reality than fairytale, depicting an honest and endearing paparazzi meets movie star relationship that captures all the swoon and flutters of the best love stories. With strikingly beautiful prose and the contrasting gritty, vivid Los Angeles setting, SHUTTERGIRL is Reiss's finest work yet." —Laurelin Paige, author of the bestselling Fixed Trilogy "Engaging, sexy, and noteworthy, SHUTTERGIRL is just another example of why CD Reiss is one of my go to authors. Her clean writing style, flawed but relatable characters, and well-crafted story make this book

one that's hard to put down even after you read the last page."
 —Kristy Bromberg, bestselling author of the Driven Trilogy "I went into SHUTTERGIRL not knowing what magic CD Reiss had created. Instantly, I was swept away with perfect prose, incredible imagery, and a character connection I loved. In my mind, it was a perfect modern day fairy-tale where the loved and hated try to bridge the chasm of society's unwritten laws and listen to what they want, rather than what Hollywood tells them. It's the shit. Buy it." —Pepper Winters, bestselling author of the Monsters in the Dark series "Forbidden yet sweet. SHUTTERGIRL will make you believe that love has the power to break down all barriers. CD Reiss shows us her sweet side, but still manages to keep things sexy as hell." —Claire Conteras, author of THERE IS NO LIGHT IN DARKNESS "Tender romance, smart writing. A total winner. Smart and romantic with characters you will root for until the end. I'm already looking forward to reading this book again. A story rich with tenderness and romance, written with the intelligence and wit that is all CD Reiss. I loved everything about SHUTTERGIRL!" —Mia Sheridan, bestselling author of the Sign of Love series
