PRECIOUS DANIKA

Children's Book Review Index Wadsworth Publishing Company
Since Theodor Geisel published his first children's book in 1937 under the pseudonym Dr. Seuss, children and adults alike have been captivated by the charming and laconic tales of whimsical characters and imaginative worlds. But Dr. Seuss' stories are more than just catchy poems; they often wrestle with serious philosophical and moral dilemmas, whether it is Horton discovering the very essence of life or the Lorax teaching us

about morality. Dr. Seuss and Philosophy explores philosophical concepts such as the nature of the good life in Oh, the Places You'll Go!, the nature of knowledge in McElligot's Pool, postmodernity in On Beyond Zebra, business and the environment in The Lorax, and moral character in How the Grinch Stole Christmas!, among many others. Anyone who loves Dr. Seuss or is interested in philosophy will find this book to be intriguing and enlightening.

Dr. Seuss A&C Black

Theodor Seuss Geisel—known worldwide as the beloved children's author Dr. Seuss—produced a body of work that spans more than 70 years. Though most often associated with

children's books, he frequently contributed cartoons and humorous essays to popular magazines, produced effective and memorable advertising campaigns ("Quick, Henry, the Flit!"), and won Oscars and Emmys for motion picture productions, animated shorts, and features. As founder and president of Beginner Books, his influence on children's book publishing was revolutionary, especially in the field of elementary readers. Geisel's prolific career—he wrote or contributed illustrations to more than 75 books, most of which have been reprinted repeatedly and translated worldwide—and his predilection for made-up creatures make this joint bibliography and iconography especially useful to readers and researchers. The exhaustive bibliography is arranged chronologically, providing full bibliographic information, including translations as they appear, reissue information, and descriptions of the binding. The iconography links more than 900 fictional names, places and terms to the works in which they appear. For the reader seeking a first edition of *Quomodo Invidiosulus Nomine Grinchus Christi Natalem Abrogaverit* (How the Grinch Stole Christmas! translated into Latin) or hoping to identify "abrasion-contusions" (race cars in *If I Ran the Circus!*), this work promises as much discovery as a walk down Mulberry Street.

Collaborative Strategies for Teaching Reading

Comprehension Rowman & Littlefield

Most children aren't familiar with the name Theodore Geisel, but they've certainly read his books. Using the pen name Dr.

Dr. Seuss's Ultimate Horton Collection McFarland

Appraises the work of children's author/illustrator Dr. Seuss.

McElligot's Pool: Read & Listen Edition American Library Association

An eggs-cellent way to start the day! Breakfast will never be the same, thanks to Dr. Seuss's classic rhyming picture book *Scrambled Eggs Super!* When Peter T. Hooper tires of traditional scrambled eggs, he sets out on a quest to find the rarest and most exciting eggs so he can make the amazing breakfast he craves. Featuring zany egg-layers such as the Sala-ma-goox, the Tizzle-Topped Grouse, and the Bombastic Aghast, *Scrambled Eggs Super!* will hit the spot and leave readers wanting seconds.

The Elementary School Paperback Collection HarperCollins UK

Four books in one. For children just beginning to read on their own. 4 yrs+

[Childrens Literature Review Cumulative Title Index 2006](#) Random House Books for Young Readers

A hilarious story about one very big-hearted moose who is only too happy to host a menagerie of animals in his antlers - until his new guests go too far!

Jewish Science Fiction and Fantasy Through 1945

University of Chicago Press

With his unmistakable rhymes and signature illustration style, Dr. Seuss creates a classic picture-book ode to aging in *You're Only Old Once!* On a visit to "the Golden Years Clinic on Century Square for Spleen Readjustment and Muffler Repair," readers will laugh with familiar horror at the poking and prodding and testing and ogling that go hand in hand with the dreaded appellation of "senior citizen." Though Dr. Seuss is known for his peerless work in books for children, this comical look at what it's like to get older is ideal for Seuss fans of advanced years. In his own words, this is "a book for obsolete children." A perfect gift for retirement,

birthdays, and holidays! This Read & Listen edition contains audio narration.

Dr. Seuss's Beginner Book Collection HarperCollins UK

"Examines the wide-ranging influence of games and play on the development of modern art in the twentieth century"--Provided by publisher.

Stories of Childhood Macmillan Reference USA

Award-winning author Kathleen Krull zeros in on the formative first 22 years of the life of Ted Geisel. This is the first picture book biography of Dr. Seuss, written especially for his young fans who want to know what made him tick. The animals in the zoo that his father ran and his fondness for drawing them, the injustices he suffered as the child of German immigrants, and his inherent sense of humor all fed into the imagination of this boy. He was a square peg in a round hole until he found that he could make a living doing exactly what he pleased—doodling and writing funny things about the world as he saw it. The last section of the book outlines the important events in his adult life. In addition to the evocative paintings by Steve Johnson and Lou Fancher, the book is profusely decorated with art from Dr. Seuss books.

The Junior Reviewers Catalog of the Best Books for Children

Rowman & Littlefield Publishers

This book investigates the role of Jewish legends and tropes in the creation and development of speculative fiction during the European Enlightenment, in America's golden age magazines, superhero comics, and films, and with magical realism trends in South America and Israel, arguing that Jewish writers created and perfected the genre.

St. Patrick's Day Sterling Publishing Company, Inc.

Marcus offers this animated history of the visionaries--editors, illustrators, and others--whose books have transformed American childhood and American culture.

Dr. Seuss and Philosophy RH Childrens Books

Moo moo! Hoo hoo! Cock-a-doodle-doo! Oh, the wonderful sounds Mr. Brown can do. Now see if you can do them too! Enjoy this Dr. Seuss classic anytime, anywhere. Brilliantly read by Miranda Richardson.

Thidwick the Big-Hearted Moose Infobase Publishing

Philip Nel takes a fascinating look into the key aspects of Seuss's career - his poetry, politics, art, marketing, and place in the popular imagination." "Nel argues convincingly that Dr. Seuss is one of the most influential poets in America. His nonsense verse, like that of Lewis Carroll and Edward Lear, has changed language itself, giving us new words like "nerd." And Seuss's famously loopy artistic style - what Nel terms an "energetic cartoon surrealism" - has been equally important, inspiring artists like filmmaker Tim Burton and illustrator Lane Smith. --from back cover

Mythical Inspirations for Organizational Realities Sterling Publishing Company, Inc.

Grade level: 1, 2, 3, 4, 5, 6, 7, e, p, i, s, t.

The Pictus Orbis® Sambo Chicago : American Library Association

Offers five classic Dr. Seuss tales, including the popular story featuring a rainy day visit by the Cat in the Hat.

Mr. Brown Can Moo! Can You? Springer

Imagination runs wild in this Caldecott Honor-winning tale featuring Dr. Seuss's inimitable voice and hysterical illustrations. The first Seuss title to feature full-color art on every other page,

this adventurous picture book tells of Marco—who first imagined an extraordinary parade in *And to Think That I Saw It on Mulberry Street*—as he daydreams of all the possibilities that await him while he fishes in McElligot’s Pool. Optimistic and exciting, this tale is the perfect bait, and readers young and old will be hooked on this fish-tastic favorite. This Read & Listen edition contains audio narration.

Random House Books for Young Readers

A boxed set of all three Horton the Elephant stories! Here in one sturdy slipcased set is the complete collection of all three books featuring Horton the Elephant—one of the most beloved Dr. Seuss characters and honorable heroes in children's literature! Includes the very first Horton story, *Horton Hatches the Egg*, in which lazy bird Mayzie takes advantage of the elephant's good nature when she leaves him to watch her unhatched egg; the comical classic *Horton Hears a Who!*, in which we discover that "a person's a person, no matter how small"; and *Horton and the Kwuggerbug and More Lost Stories*, a collection of four magazine stories written by Dr. Seuss in the 1950s, including the title story, in which Horton makes a deal with an unscrupulous Kwuggerbug (who gets his comeuppance in the end). These stories entertain and inspire young readers while extolling the virtues and rewards of patience and loyalty. An ideal gift for birthdays, holidays, and happy occasions of all kinds, this is a collection the whole family will enjoy.

Clever Crosswords for Kids Random House Books for Young Readers

An official Mensa puzzle book! Master puzzle maker Trip Payne has come up with another brain-busting collection that will wow

youngsters. His *Crosswords for Kids* has sold nearly 60,000 copies, and his *Great Crosswords for Kids* is on its way to similar success; these oh-so-clever puzzles should scale the heights of popularity, too. Children will enjoy figuring out such kid-friendly clues as “Last name of the author of *Curious George*,” “One of Santa's helpers,” and “Sylvester the Cat chased him.” And while they're having a good time filling in the answers, youngsters will also improve their vocabulary, learn interesting facts, and boost their powers of concentration.

High Fidelity Random House Books for Young Readers

Dr. Seuss's infectious rhymes, fanciful creatures, and roundabout plots not only changed the way children read but imagined the world. *And to Think That I Saw It On Mulberry Street*, *Green Eggs and Ham*, *The Cat and the Hat*, these and other classics have sold hundreds of millions of copies and entertained children and adults for decades. After graduating from Dartmouth, Theodor Geisel used his talents as an ad-man, political provocateur, and social satirist, gradually but irrevocably turning to children's books. Theodor SEUSS Geisel tells the unlikely story of this remarkable transformation. In this compact and engrossing biography, Donald Pease reveals the evolution of Dr. Seuss's creative persona while offering an honest appraisal of his life. The book also features many of Dr. Seuss's lesser-known illustrations, including college drawings, insecticide ads, and wartime political cartoons—all of which offer a glimpse of his early artistic style and the visual origins of the more famous creatures that later populated his children's books. As Pease traces the full arc of Dr. Seuss's prolific career, he combines close textual readings of many of Dr. Seuss's works with a unique look at their genesis to

shed new light on the enduring legacy of America's favorite children's book author.
