Die englische Version des drei ???-Titels "Fussballgangster" ist bereits im Jahr 2009 erschienen und hier besprochen worden (vgl. BA 11/09). Am Inhalt hat sich zur Neuauflage nichts Wesentliches geändert, lediglich das Cover wurde leicht überarbeitet. Aus diesem Grund gilt die positive Empfehlung aus der Vorbesprechung auch weiterhin: "Das recht anspruchsvolle, optisch und inhaltlich gelungene Medienpaket eignet sich hervorragend für interessierte Schüler mit guten Englischkenntnissen." Was das "Medienpaket" betrifft, gibt es allerdings 2 Änderungen: Statt einer beiliegenden MP3-CD kann

das Hörbuch mit dem vorgelesenen Text nun direkt aus dem Internet heruntergeladen werden. Dasselbe gilt für das zugehörige E-Book, das bei der Vorgängerausgabe noch gar nicht im Zubehör enthalten war. - Zur Ersatz- oder Neuanschaffung. ekz.  This is an utterly original and completely beguiling prose novel  
 about a boy who has to write a poem, and then another, and then  
 even more. Soon the little boy is writing about all sorts of things  
 he has not really come to terms with, and astounding things start  
 to happen.

ELI Illustrierter Wortschatz Englisch Marion Boyars Publishers  
 This book takes a dramatically original approach to the history of  
 humanity, using objects which previous civilisations have left  
 behind them, often accidentally, as prisms through which we can  
 explore past worlds and the lives of the men and women who  
 lived in them. The book's range is enormous. It begins with one of  
 the earliest surviving objects made by human hands, a chopping  
 tool from the Olduvai gorge in Africa, and ends with an object

from the 21st century which represents the world we live in  
 today. Neil MacGregor's aim is not simply to describe these  
 remarkable things, but to show us their significance - how a stone  
 pillar tells us about a great Indian emperor preaching tolerance to  
 his people, how Spanish pieces of eight tell us about the  
 beginning of a global currency or how an early Victorian tea-set  
 tells us about the impact of empire. Each chapter immerses the  
 reader in a past civilisation accompanied by an exceptionally  
 well-informed guide. Seen through this lens, history is a  
 kaleidoscope - shifting, interconnected, constantly surprising, and  
 shaping our world today in ways that most of us have never  
 imagined. An intellectual and visual feast, it is one of the most  
 engrossing and unusual history books published in years.

Moscow, 1937: the soviet metropolis at the zenith of Stalin’s dictatorship. A society utterly wrecked by a hurricane of violence. In this compelling book, the renowned historian Karl Schlögel reconstructs with meticulous care the process through which, month by month, the terrorism of a state-of-emergency regime spiraled into the ‘Great Terror’ during which 1 ½ million human beings lost their lives within a single year. He revisits the sites of show trials and executions and, by also consulting numerous sources from the time, he provides a masterful panorama of these key events in Russian history. He shows how, in the shadow of the reign of terror, the regime around Stalin also aimed to construct a new society. Based on countless documents, Schlögel’s historical masterpiece vividly presents an age in which the boundaries separating the dream and the terror dissolve, and enables us to experience the fear that was felt by people subjected to totalitarian rule. This rich and absorbing account of the Soviet purges will be essential reading for all students of Russia and for any readers interested in one of the most dramatic

and disturbing events of modern history.

Charlie, like all small snails, lives in a shell. And since this two-in-one protective cover is strapped onto his back, Charlie carries his home with him everywhere. One day, while having a snail race with his friends—as snails like to do—there's a terrible accident. As Charlie nears the finish line, the misplaced shoe of a little boy running through the garden comes down and breaks his shell. Charlie's shell—and his home—are completely destroyed. To make matters worse, winter is coming and Charlie has nowhere to go. Charlie's friends try to help him find a new home, but none seem to fit just right: they are too hard, too sticky, too sharp, or too flimsy. Will someone be able to help Charlie find a new home before winter? Featuring a story of friendship from author and illustrator Doris Lecher, *A New House for Charlie* teaches children about helping others and showing compassion and empathy when hurting another person, even if unintentionally. Appropriate for children ages 3 to 6. Parents and educators will like the lessons throughout the book and children will be able to relate to Charlie as he tries to find a new home.
