MATHEWS AGUILAR

The Funny Man Hachette
UK
Award-winning novelist
Martha Southgate (who, in
the words of Julia Glass,
“can write fat and hot,
then lush and tender,
then just plain truthful

and burning with heart”)
now tells the story of a
family pushed to its limits
by addiction over the
course of two generations.
Josie Henderson loves the
water and is fulfilled by
her position as the only
senior-level black scientist
at the Woods Hole
Oceanographic Institute.
In building this impressive
life for herself, she has
tried to shed the one

thing she cannot: her
family back in landlocked
Cleveland. Her adored
brother, Tick, was her
childhood ally as they
watched their drinking
father push away all the
love that his wife and
children were trying to
give him. Now Tick
himself has been coming
apart and demands to be
heard. Weaving four
voices into a beautiful

tapestry, Southgate charts the lives of the Hendersons from the parents' first charmed meeting to Josie's realization that the ways of the human heart are more complex than anything seen under a microscope.

Sand Queen St. Martin's Press

The plans of four women--including a college student egg donor, a working-class surrogate mother, a wealthy woman, and her stepdaughter--are thrown into turmoil when the

wealthy woman's husband suddenly dies and names the stepdaughter the unborn baby's guardian.

Iron House Houghton Mifflin Harcourt

Nineteen-year-old Kate Brady joined the army to bring honor to her family and to the Middle East. Instead, she finds herself in a forgotten corner of the Iraq desert in 2003, guarding a makeshift American prison. There, Kate meets Naema Jassim, an Iraqi medical student whose father and little brother have been detained in the camp.

Kate and Naema promise to help each other, but the war soon strains their intentions. Like any soldier, Kate must face the daily threats of combat duty, but as a woman, she is in equal danger from the predatory men in her unit. Naema suffers bombs, starvation, and the loss of her home and family. As the two women struggle to survive and hold on to the people they love, each comes to have a drastic and unforeseeable effect on the other's life. Culled from real life experiences

of female soldiers and Iraqis, Sand Queen offers a story of hope, courage and struggle from the rare perspective of women at war.

The Virgin Queen's

Daughter Hachette UK

The court of the Queen Elizabeth is a hot-bed of intrigue and ambition... It is a place where reputations can stand or fall on the merest hint of scandal. Lingering rumours even surround the Virgin Queen herself, despite the fate of those foolish enough to besmirch her reputation.

Recently arrived in court, Nell de Lacey is surprised to discover that many think she bears more than a passing resemblance to the younger queen. That, coupled with an old mystery about a missing portion of the Queen's past some years prior, is enough to set tongues wagging. And wherever the truth lies, even the rumour is sufficient to place Nell on a dangerous path that could all so easily end with her head on a block...

Trust Me Simon and Schuster

Cannie Shapiro returns in the acclaimed novel from the author of Good in Bed, All Fall Down and the forthcoming Who Do You Love! It's been almost thirteen years since we last saw Cannie Shapiro, the heroine of Good in Bed, whose journey towards happy-ever-after made millions of women the world over laugh, cry and recognise themselves. The last decade of Cannie's life has brought some surprises. Her life story, in fictional form, became an unexpected bestseller,

and Cannie has since retreated from fame's fallout, writing science-fiction under a pen name and praying that all her daughter inherited from her father, Cannie's ex-boyfriend Bruce Guberman, are her curls and her eye-colour, and not his predilection for smoking pot. Meanwhile Cannie's best friend, Samantha, is looking for love in all the wrong places, and Cannie's husband, Peter, has decided that he'd like to have a baby, and the family's first choice for a

surrogate is none other than Cannie's flamboyant kid sister ...

The Taste of Salt Harper Collins

The Grey sisters experience love, triumph, and tragedy in Tudor England in the second novel from Ella March Chase. Sixteen-year-old Jane Grey—the “Nine-Day Queen”—is a quiet and obedient young lady destined to become the shortest reigning English monarch. Her beautiful middle sister, Lady Katherine Grey charms all the right people, until a

scandalous love affair causes loyalties to shift. And finally, Lady Mary Grey is a dwarf with a twisted spine whose goal is simply to protect the people she loves—but at a terrible cost. In an age in which begetting sons was all that mattered and queens rose and fell on the sex of their child, these three girls with royal Tudor blood lived under the dangerous whims of parents with a passion for gambling. The stakes they would wager: their daughters' lives against rampant ambition.

The Future of Higher Education in India

National Geographic Books

The Barnum Museum is a combination waxworks, masked ball, and circus sideshow masquerading as a collection of short stories. Within its pages, note such sights as: a study of the motives and strategies used by the participants in the game of Clue, including the seduction of Miss Scarlet by Colonel Mustard; the Barnum Museum, a fantastic, monstrous landmark so compelling

that an entire town finds its citizens gradually and inexorably disappearing into it; a bored dilettante who constructs an imaginary woman - and loses her to an imaginary man! - and a legendary magician so skilled at sleight-of-hand that he is pursued by police for the crime of erasing the line between the real and the conjured.

Original Sin Simon and Schuster

“A whirlwind love affair, a wife who dies under mysterious circumstances, and a

string of murder—and ghosts!—all set in a crumbling countryside estate in Provence. This haunting tale is everything you could want in a Gothic mystery that doesn’t also include a heroine named Jane Eyre.” — Redbook Set in the lush countryside of Provence, Deborah Lawrenson’s *The Lantern* is an atmospheric modern gothic tale of love, suspicion, and murder, in the tradition of Daphne du Maurier’s *Rebecca*. Drawn to a confident and artistic wealthy older man she

barely knows, bookish Eve recklessly embarks on a whirlwind affair that soon offers a new life and a new home—Les Genévriers, a charming yet decaying hamlet nestled amid the fragrant lavender fields of Provence. But with autumn’s arrival the days begin to cool—and so, too, does Dom. Though Eve knows he bears the emotional scars of a failed marriage—which he refuses to talk about—his silence arouses suspicion and uncertainty. And, like its owner, Les Genévriers

is also changing. Bright, warm rooms have turned cold and uninviting; shadows now fall unexpectedly; and Eve senses a presence moving through the garden. Is it a ghost from the past—or a manifestation of her current troubles with Dom? Can she trust Dom—or could her life truly be in danger? An evocative tale of romantic and psychological suspense, *The Lantern* masterfully melds past and present, secrets and lies, appearances and disappearances—along

with our age-old fear of the dark.

The Lonely Soldier

Center Point Premier Fiction (

In Glenn Kleier's thrilling and sophisticated adventure, a defrocked priest embarks on an epic odyssey through the afterlife in search of answers to life's Ultimate Question. On December 4, 1968, world-famous theologian Father Louis Merton visited the ancient Dead City of Polonnaruwa, Ceylon, entered the Cave of the Spirits of Knowledge, and

experienced a vision. It's claimed he found a backdoor to the Afterlife, that he looked into the Mind of God and escaped with a secret so powerful it could change all humanity...bring wars to a standstill...end forever the age-old hatreds between races, creeds and cultures. Six days later as Merton prepared to announce his discovery at a religious conference, he suffered a horrific death under mysterious circumstances. But the secret did not die with him. Merton left behind a

journal... Years later, beautiful psychologist Angela Weber and her troubled fiancé, Ian Baringer, are on the hunt for Merton's long-lost journal and its door to the Afterlife. Angela, an agnostic, wants to help Ian heal the wounds of a traumatic childhood plane crash that took the lives of his parents. Ian, a defrocked priest, no longer trusts in religion's promise of eternal life. He must know for certain if he will ever see his parents again, and is driven to find out

firsthand what lies beyond, and what it holds for mankind. Together, Angela and Ian plunge headlong into a global chase, pursued by a shadowy cult, dead bodies and destruction in their wake. If Ian and Angela succeed, they will defy the gates of heaven and hell to learn a secret hidden from the world since the dawn of time . . . The Knowledge of Good & Evil. Promise of the Wolves

Beacon Press

Luc Cain was born and raised in Hell, but he isn't feeling as demonic as usual lately—thanks to Frannie Cavanaugh and the unique power she never realized she had. But you can't desert Hell without consequences, and suddenly Frannie and Luc find themselves targeted by the same demons who used to be Luc's allies. Left with few options, Frannie and Luc accept the protection of Heaven and one of its most powerful angels,

Gabe. Unfortunately, Luc isn't the only one affected by Frannie, and it isn't long before Gabe realizes that being around her is too...tempting. Rather than risk losing his wings, he leaves Frannie and Luc under the protection of her recently-acquired guardian angel. Which would be fine, but Gabe is barely out the door before an assortment of demons appears—and they're not leaving without dragging Luc back to Hell with them. Hell won't give up and Heaven won't give in. Frannie's guardian

exercises all the power he has to keep them away, but the demons are willing to hurt anyone close to Frannie in order to get what they want. It will take everything she has and then some to stay out of Hell's grasp. And not everyone will get out of it alive.  OLD GOD'S TIME (MARCH

2023), SEBASTIAN BARRY'S STUNNING NEW NOVEL, AVAILABLE TO PRE-ORDER NOW'As they used to say in Ireland, the devil only comes into good things.'Narrated by Lilly Bere, *On Canaan's Side* opens as she mourns the loss of her grandson, Bill. The story then goes back to the moment she was forced to flee Sligo, at the end of the First World War, and follows her life through into the new world of America, a world filled with both hope and danger. At once epic and intimate, Lilly's narrative

unfurls as she tries to make sense of the sorrows and troubles of her life and of the people whose lives she has touched. Spanning nearly seven decades, it is a novel of memory, war, family-ties and love, which once again displays Sebastian Barry's exquisite prose and gift for storytelling. *Three Maids for a Crown* Penguin Group Critically acclaimed author Denise Hamilton weaves an engrossing story of teenage friendship and adult

betrayal, featuring a high-powered crisis consultant who gets swept up in murder and scandal involving a wealthy political family. Maggie Silver is solidly middle class, with a mortgage to pay and an ill mother to support. She is doing her best to scramble up the ladder at an elite PR firm in Southern California whose clients include movie stars and famous athletes. Now, Maggie tackles her toughest client yet: Senator Henry Paxton, a distinguished statesman who also

happens to be the father of Anabelle, Maggie's estranged best friend from high school. Senator Paxton's young female aide has been found murdered, and Maggie must run damage control to prevent the scandal from growing. Thrown back into the Paxtons' glamorous world, Maggie is unexpectedly flooded with memories from the stormy years in high school when her friendship with Anabelle was dramatically severed after a tragedy that neither of them has been

able to forget. As Maggie gets further embroiled in the lives of the Paxtons, she realizes that the ties of her old friendship are stronger than she thinks. Riveting and suspense-filled, *Damage Control* examines our craving for celebrity and spectacle, and how far the bonds of friendship can stretch before they break forever. **A Complete Book On Bachelor Of Computer Applications** Simon & Schuster

Damage Control Rowman & Littlefield Publishers
Art and murder collide in the new novel from Athol Dickson that takes readers on a wild ride of intrigue, mystery, and long-buried secrets. A great artist is cast into the icy Harlem River by a hit-and-run driver. His heart

stops, and he sees something that defies description. Presumed dead by all who knew him and obsessed with the desire to paint the inexpressible, he embarks on a pilgrimage to seek help from holy men around the globe. But is it possible to see eternity without becoming lost within it? After a quarter of a century, when the world begins to whisper that he may be alive, two people come looking for the artist: the daughter he never knew existed and the murderer who hit him

on the bridge all those years ago.

Higher Education

Directory 2022 Simon and Schuster

The funny man is a middling comic in an unnamed city. By day he takes care of his infant son, by night he performs in small clubs. His wife waits tables to support the family. It doesn't sound like much, but they're happy (more or less) - until the day he comes up with his magic gimmick. And what is it? He performs his set with his fist in his mouth. Jokes, impressions, commercials - all take place with his fist wrist-deep in his mouth. People are crazy for him, but he's

tired of it. This brilliant debut documents one man's slide from everyman to monster.

The Barnum Museum

Harper Collins
The first in The Wolf Chronicles trilogy, brilliantly weaving together original research, lovable characters and a dynamic, thoroughly engaging plot, *Promise of the Wolves* is a historical adventure story in the tradition of *Clan of the Cave Bear* and *Watership Down*. Set 14,000 years ago in what is now Southern Europe,

Promise of the Wolves is told from the point of view of Kaala, a young wolf born of a forbidden, mixed-blood litter. An outcast after her mother is exiled, Kaala struggles to earn her place in her pack. But her world is turned upside down when she rescues a human girl from drowning. Kaala and her young packmates begin hunting and playing with humans—risking expulsion from their pack and banishment from their home in the Wide Valley. When war between humans and

wolves threatens, Kaala learns that she is the last in a long line of wolves charged with keeping watch over humans in order to prevent them from losing touch with nature and thus

destroying the world. But to do so she must solve the great paradox of wolfkind: though wolves must always be with humans, humans cannot abide the presence of wolves, and every time

the two come together, war ensues. Kaala must choose between safety for herself, her friends, and their human companions and the survival of her pack—and perhaps all of wolf and humankind.
