The newest heart-expanding, magical adventure from Sophie Anderson, author of the critically acclaimed *House with Chicken Legs*. "They call me Yanka the Bear. Not because of where I was found. Only a few people know about that. They call me Yanka the Bear because I am so big and strong." Discovered in a bear cave as a baby, 12-year-old Yanka dreams of knowing who she really is. Although Yanka is happy at home with her loving foster mother, she feels out of place in the village where the other children mock her for her unusual size and strength. So when Yanka wakes up one morning to find her legs have become bear legs, she knows she has no choice but to leave her village. She has to find somewhere she truly belongs, so she ventures into the Snow Forest with her pet weasel, Mousetrapp, in search of the truth about her past. But deep in the forest there are many dangers and Yanka discovers that even the most fantastic stories she grew up hearing are true. And just as she draws close to discovering who she really is, something terrifying happens that could trap her in the forest . . . forever.

[Bear's Story](#) Random House

A collection of short stories includes *Miserere*, in which a widowed and childless librarian becomes an avid participant in the anti-abortion movement, and the title story, about the relationship between a father and his growing daughter.

[Bear and His Daughter](#) HarperCollins UK

"Originally published in 2015 in Great Britain by Boxer Books Limited."

**In the Eye of the Wild** W. W. Norton & Company

Come for a visit in Bear Country with this classic First Time Book® from Stan and Jan Berenstain. A big storm is rolling

through Bear Country! Brother and Sister are scared, but Papa and Mama help the cubs realize that they are all safe and that the whole family should count their blessings. This beloved story is a perfect way to teach children about all the things they should be grateful for.

[Do Polar Bears Get Lonely?](#) Houghton Mifflin Harcourt

Otto lives in a book in a house but when no one is looking he comes to life to read his favorite stories and practice his writing, until he is left behind and must set out in search of a new home

[The Bear](#) Tide Mill Press

Eddie and his mom go into the woods for a picnic and meet a very large, very hungry bear. On board pages.

**The Bear and The Nightingale**

Hachette UK

"When Bear's favourite Big Book of Stories falls apart, he is determined to write some stories of his own. He ventures into the forest for inspiration, but writing is harder than he thinks - and he soon discovers that he needs a lot of help from his friends. A delightful book about stories and friendship, featuring a lovable brown bear."--Provided by publisher.

[Bears Don't Read!](#) There Will Be Bears

Ella wants to tell you a story - a story with absolutely no bears. You don't need bears for a book. You need pretty things like fairies and princesses and castles and maybe funny things and exciting things. In Ella's kind of story, there are no bears in the village or the castle or the deep dark forest or faraway lands. But there might be ... a monster

[The ABCs of Making Teddy Bears](#)

Frances Lincoln Children's Books

The three bears decide to get their own back on Goldilocks. When they find her cottage, they wreak havoc on it. What fun they have, throwing cereal around,

tangoing on table tops and filling the bathroom with shaving foam! Then Goldilocks returns and they find they have made a terrible mistake.

#### Bear's Busy Family Tiger Tales

\_\_\_\_\_ Beware the evil in the woods... In a village at the edge of the wilderness of northern Russia, where the winds blow cold and the snow falls many months of the year, an elderly servant tells stories of sorcery, folklore and the Winter King to the children of the family, tales of old magic frowned upon by the church. But for the young, wild Vasya these are far more than just stories. She alone can see the house spirits that guard her home, and sense the growing forces of dark magic in the woods. . . Atmospheric and enchanting, with an engrossing adventure at its core, *The Bear and the Nightingale* is perfect for readers of Naomi Novik's *Uprooted*, Erin Morgenstern's *The Night Circus*, and Philip Pullman's *His Dark Materials*.

\_\_\_\_\_ Now with over 100 5\* reviews, readers are spellbound by this magical story: 'This book stayed with me, I didn't want it to end' 'A beautifully written story' 'An entrancing story, which swept me up from the very first chapter' 'Full of magic' \_\_\_\_\_

Make sure you've read all the books in the acclaimed *Winternight Trilogy* 1. *The Bear and the Nightingale* 2. *The Girl in the Tower* 3. *The Winter of the Witch*

#### **Bears in the Bath** Barefoot Books

Once upon a time there was a story. It was a lovely story with absolutely NO BEARS in it—not a SINGLE BEAR anywhere. Then one day...MORE BEARS! KENN NESBITT is possibly the funniest and most sought-after children's poet writing today. When he's not writing, podcasting, updating his website

(poetry4kids.com), or visiting schools sharing his wacky brand of humor with kids across America, Kenn can be found cuddling his collection of stuffed bears. He seriously cannot get enough of bears. Or chickens. TROY CUMMINGS has been drawing goofy animals pretty much nonstop since kindergarten. His illustrations have appeared in newspapers, in magazines, on websites, on frozen fish stick packages, and in hospital waiting rooms. He hibernates in Greencastle, Indiana, with his wife and cubs.

#### **Bear's House of Books** Text Publishing

After enduring a vicious bear attack in the Russian Far East's Kamchatka Peninsula, a French anthropologist undergoes a physical and spiritual transformation that forces her to confront the tenuous distinction between animal and human. In *The Eye of the Wild* begins with an account of the French anthropologist Nastassja Martin's near fatal run-in with a Kamchatka bear in the mountains of Siberia. Martin's professional interest is animism; she addresses philosophical questions about the relation of humankind to nature, and in her work she seeks to partake as fully as she can in the lives of the indigenous peoples she studies. Her violent encounter with the bear, however, brings her face-to-face with something entirely beyond her ken—the untamed, the nonhuman, the animal, the wild. In the course of that encounter something in the balance of her world shifts. A change takes place that she must somehow reckon with. Left severely mutilated, dazed with pain, Martin undergoes multiple operations in a provincial Russian hospital, while also being grilled by the secret police. Back in France, she finds herself back on the operating table, a source of new trauma.

She realizes that the only thing for her to do is to return to Kamchatka. She must discover what it means to have become, as the Even people call it, medka, a person who is half human, half bear. In *The Eye of the Wild* is a fascinating, mind-altering book about terror, pain, endurance, and self-transformation, comparable in its intensity of perception and originality of style to J. A. Baker's classic *The Peregrine*. Here Nastassja Martin takes us to the farthest limits of human being.

*Bears of England* Random House Books for Young Readers

This is the digital version of the printed book (Copyright © 2003). If There's No Risk On Your Next Project, Don't Do It. Greater risk brings greater reward, especially in software development. A company that runs away from risk will soon find itself lagging behind its more adventurous competition. By ignoring the threat of negative outcomes—in the name of positive thinking or a can-do attitude—software managers drive their organizations into the ground. In *Waltzing with Bears*, Tom DeMarco and Timothy Lister—the best-selling authors of *Peopleware*—show readers how to identify and embrace worthwhile risks. Developers are then set free to push the limits. The authors present the benefits of risk management, including that it makes aggressive risk-taking possible, protects management from getting blindsided, provides minimum-cost downside protection, reveals invisible transfers of responsibility, isolates the failure of a subproject. Readers are armed with strategies for confronting the most common risks that software projects face: schedule flaws, requirements inflation, turnover, specification breakdown, and under-performance. *Waltzing with Bears* will

help you mitigate the risks—before they turn into project-killing problems. Risks are out there—and they should be there—but there is a way to manage them.

*The Girl Who Speaks Bear* Faber & Faber  
Where the water churns with salmon, thick and rich with leaping fishes, there the brown bear stands and catches the wild king of the river. With stunning watercolour paintings, this lyrical picture book describes eight bears from all over the world, all shown in their wild habitats: Black Bear, Polar Bear, Sloth Bear, Spectacle Bear, Sunbear, Panda, Moonbear, Brown Bear. But which is the best bear of all? Your own teddy bear of course!

**Something About a Bear** Random House Books for Young Readers

When winter comes, six sleepy bears are rhymed to sleep by Mother Bear.

**Two Hungry Bears** Simon and Schuster  
*Do Polar Bears Get Lonely?* is the third compilation of readers' answers to the questions in the 'Last Word' column of *New Scientist*, the world's best-selling science weekly. Following the phenomenal success of *Does Anything Eat Wasps?* (2005) and the even more spectacularly successful *Why Don't Penguins' Feet Freeze?* (2006), this latest collection includes a bumper crop of wise and wonderful answers never before seen in book form. As usual, the simplest questions often have the most complex answers - while some that seem the knottiest have very simple explanations. *New Scientist's 'Last Word'* is regularly voted the magazine's most popular section as it celebrates all questions - the trivial, idiosyncratic, baffling and strange. This all-new and eagerly awaited selection of the best again presents popular science at its most entertaining and enlightening.

*More Bears!* Random House  
Meet the rest of Bear's family and learn about all of their busy activities. Smell, touch, taste and sound are all familiarized in this rhyming text, and there is a full spread family tree at the end.

*Bear's Loose Tooth* Bellevue Literary Press

This is an appealing big-format paperback version of the 1989 Smarties Book Prize winner. Beautifully written and illustrated, the favourite children's rhyme is ideal for sharing with groups of children or perfect as a bedtime story.

*Honey for the Bears* Candlewick Press  
Imagine making friends with a polar bear... The Last Bear is perfect for readers of 8+, beautifully illustrated throughout by Levi Pinfold – winner of the Kate Greenaway Medal and illustrator of Harry Potter 20th anniversary edition covers.

**The Blanket Bears** Zonderkidz

'One of the truest and most beautiful things I've read.' Tim Flannery I used to bottle-feed my father's two bears. When my son was born, they were kept together. There were plenty of times when I got it wrong—the baby drank from the bear's bottle, and the bear from his. So when they fired me from the collective farm, I knew one thing: if I wanted to go on living, I had to find a bear. A brilliant, funny and heartbreaking account of people in formerly Communist countries who are nostalgic for how they used to live. For hundreds of years, Bulgarian Gypsies trained bears to dance, welcoming them into their families and taking them on the road to perform. In the early 2000s, after the fall of Communism, they were forced to release the bears into a wildlife refuge. But, even today, whenever the bears see a human, they still get up on

their hind legs to dance. In the tradition of Ryszard Kapuściński, award-winning Polish journalist Witold Szablowski tells remarkable stories of people throughout Eastern Europe and in Cuba who, like Bulgaria's dancing bears, are now free but long for when they were not. He describes hitchhiking through Kosovo as it declares independence, arguing with the guides at the Stalin Museum, and sleeping in London's Victoria Station alongside a homeless Polish woman. *Dancing Bears* is a fascinating portrait of social and economic upheaval, and a lesson in the challenges of freedom and the seductions of authoritarian rule. Witold Szablowski is an award-winning Polish journalist. His 2013 book about Turkey, *The Assassin from Apricot City*, won the Beata Pawlak Award and an English PEN award, and was nominated for the Nike Award, Poland's most prestigious book prize. Antonia Lloyd-Jones is a leading translator from Polish, and has twice won the Found in Translation Award. She is a mentor for the UK's Emerging Translators' Mentorship Programme, and a former co-chair of the Translators Association. 'Heartrending...A sharply drawn account of people in "newly free societies" who long for life to be the same as it was in the unfree past...Connected by the allegory of performing bears, Szablowski's melancholy personality studies underscore freedom's challenges and the seductions of authoritarian rule.' Publishers Weekly 'Elegantly pulling together the varied threads, Szablowski combines personal histories, letting his interviewee do the talking, with a unique storytelling device. As a result, *Dancing Bears* is both a compelling social history and a stunning example of literary journalism.' AU Review 'Polish journalist Witold Szablowski uncovers life after

communism with a curious, humorous and, at times, tender account of regular folk struggling to come to terms with the new world.' Adelaide Review 'Witold Szablowski is a born storyteller. His reports from the post-Communist world read like fairy-tales with the stench of reality. Absurd, darkly funny, compassionate, his book is a literary jewel.' Ian Buruma 'Mixing bold journalism with bolder allegories, Mr Szablowski teaches us with witty persistence that we must desire freedom

rather than simply expect it.' Timothy Snyder 'Utterly original...Provokes a far-reaching and unresolved conversation about what freedom might really mean.' New York Times Book Review 'Fascinating.' Otago Daily Times 'A compelling and nuanced portrait of the push between the freedoms of modernity and nostalgia for the old communist system...[Szablowski] displays the qualities of a top-notch reporter: an eye for telling detail and - inherent sympathy for his subject.' Australian 'Riveting.' Overland
