### Compass American Guides: Yosemite and Sequoia/Kings Canyon National Parks

ReadHowYouWant.com

"The electrifying vistas of the Yosemite Valley and neighboring Sequoia and Kings Canyon national parks continue to exert a magnetic attraction for America's nature lovers. Giant sequoia groves, thundering cascades, and epic climbs--it's all here, and this guide takes travelers right to the heart of the best trails, experiences, and places to stay."--

[Sequoia and Kings Canyon National Parks](#) Lonely Planet

A naturalist and historian for the National Parks Service offers a lively history of the giant sequoias of California and the love of nature they inspired. Former park ranger William C. Tweed takes readers on a tour of some of the world's largest and oldest trees in a narrative that travels deep into the Sierra

Nevada mountains, across the American West, and all the way to New Zealand. Along the way, he explores the American public's evolving relationship with sequoias, also known simply and affectionately as Big Trees. It's no surprise that the sequoia groves of Yosemite and Calaveras were early tourist destinations. The species was the embodiment of California's superlative appeal. These giant redwoods were so beloved that special protections efforts sprang up to protect them from logging interests—and so began the notion of National Parks. Later, as science evolved to consider landscapes more holistically, sequoias once again played a major role in shaping this new perspective. Featuring a fascinating cast of adventurers, researchers, politicians, and environmentalists, King Sequoia reveals how one tree species transformed Americans' connection to the natural world.

Hauser Publishing  
Get inspired and plan your next trip with Fodor's e-book guide to Yosemite, Sequoia, and Kings Canyon national parks. To get your bearings in the parks, browse through a brief overview of each park and peruse full-color maps of the region. You'll develop an immediate sense of each park's awe-inspiring landscape as you flip through a photo album of vivid full-color photographs. Move on to read more about each park and find all of the essential, up-to-date details you expect from a Fodor's guide: from the best dining and lodging in the area to must-see hikes and scenic drives, Fodor's has it all. Discover two great Central California parks in one e-book. Shimmering waterfalls and the soaring

granite monoliths of Half Dome and El Capitan are some of the classic images you'll see in Yosemite's 748,000 acres. Ancient evergreens tower over visitors among the jagged mountain slopes of Sequoia and Kings Canyon, which cover more than 850,000 acres combined. Note: This e-book edition includes photographs and maps that will appear on black-and-white devices but are optimized for devices that support full-color images. *Forests of Yosemite, Sequoia, and General Grant National Parks... - Primary Source Edition* Hachette UK

Get inspired and plan your next trip with Fodor's e-book guide to California's national parks: Channel Islands, Death Valley, Joshua Tree, Kings Canyon, Lassen, Sequoia, and Yosemite. To get your bearings, browse a brief overview of each park and peruse full-color maps of the region. You'll develop an immediate sense of each park's awe-inspiring landscape as you flip through an album of vivid full-color photographs. Read on and find all of the essential, up-to-date details you expect from a Fodor's guide: From the best dining and lodging in the area to must-see

hikes and scenic drives, Fodor's has it all. Discover seven great California parks in one e-book: · Just 60 miles northwest of Los Angeles, the five islands of Channel Islands park are a nature-lover's paradise and home to 145 species found nowhere else on the planet. · Straddling the southern California and Nevada borders, Death Valley is the largest national park in the contiguous U.S. and features breathtaking vistas and blasting 120-degree heat. · World-class rock climbing and spectacular desert scenery are highlights of Joshua Tree. The eponymous trees—twisted and prickly, with clumps of spiny leaves—are straight out of a Dr. Seuss book. · Visitors to Lassen Volcanic will find spectacular geologic wonders plus more than 150 miles of hiking trails, countless mountain lakes and streams, and flowering meadows. · Ancient evergreens tower over visitors among the jagged mountain slopes of Sequoia and Kings Canyon, which cover more than 850,000 acres combined. · Shimmering waterfalls and the soaring granite monoliths of Half Dome and El Capitan are some of the classic

images you'll see in Yosemite's 748,000 acres. Note: This e-book edition includes photographs and maps that will appear on black-and-white devices but are optimized for devices that support full-color images. *Lonely Planet Yosemite, Sequoia & Kings Canyon National Parks* \*Frommers

The southern High Sierra, including Sequoia and Kings Canyon National Parks and the surrounding John Muir, Jennie Lakes, and Monarch Wildernesses, is one of the most magnificent natural areas in the world. Blessed with the largest trees on earth (giant sequoias), one of the deepest canyons in North America (Kings Canyon), and the highest mountain in the continental U.S. (Mt. Whitney), the greater Sequoia-Kings Canyon region offers unparalleled mountain majesty. Along with such superlatives, hundreds of miles of trail provides access to a boundless number of high mountain lakes, wildflower-covered meadows, cascading streams, deep forests, and craggy peaks. Mike White's guide is the only comprehensive guide to this portion of John Muir's Range of Light. *Yosemite and*
