WINTERS WESTON

The Pale King Simon and Schuster

Erik is preparing for his first-ever hunting trip when he learns that his parents are being deployed to Iraq. A few days later, Erik is shipped off to North Dakota to live with Big Darrell and Oma, grandparents he barely knows. When Erik rescues a dog that's been stuck by a porcupine, Big Darrell says Erik can't keep him. But Erik has already named her Quill and can't bear to give her up. He decides to run away, taking the dog and a shotgun, certain that they can make it on their own out on the prairie. In this story of adventure and survival, Erik learns about the challenges and satisfactions of living off the land, the power of family secrets, and the pain of losing what you love.

Moving Forward Simon and Schuster

Tom spends his summer vacation helping with his grandfather's hunting dog business. Tom falls in love with one of the pups, a rare blue-eyed pointer, but Grandpa has promised the owner of the pup's sire the pick of the litter. What will Tom do?

Goosed! Crown House Publishing

'Hypnotic, pitiless and told brilliantly' Bret Easton Ellis Every weekend, in basements and parking lots across America, young men with good white-collar jobs and absent fathers take off their shoes and shirts and fight each other. Then they go back to those jobs with blackened eyes and loosened teeth and the sense that they can handle anything. Fight Club is the invention of Tyler Durden, projectionist, waiter and dark, anarchic genius. And it's only the beginning of his plans for revenge on a world where cancer support groups have the corner on human warmth. Read the subversive, savagely funny novel that defined a generation.

The Legend of Thunderfoot Simon and Schuster

This comprehensive guide will prepare candidates for the test in all 50 states. It includes four complete practice exams, a real estate refresher course and complete math review, as well as a real estate terms glossary with over 900 terms, and expert test-prep tips.

Bub Moose Random House Books for Young Readers

When his sister gets sick, a young boy must go get help even though there is a panther prowling in the neighborhood.

Fight Club Simon and Schuster

Chuck's a cat with a great life—until Katie goes away to college and his best friend moves. Left all alone, Chuck starts to venture farther and farther into the neighborhood and one fateful night finds himself face-to-face with a beast as big and black as death. His name is Rotten Willy—and he's a dog with a heart of gold.

Ferret in the Bedroom, Lizards in the Fridge Random House

After losing her family's beloved horse, Kristine decides that she will never have another pet. When her father surprises her with a new puppy, Kristine learns to take a chance and open her heart again in this latest novel by the beloved author of "Red Dog."

Beauty Simon and Schuster

****The Instant National Bestseller**** The standout memoir from NBA powerhouse Andre Iguodala, the indomitable sixth man of the Golden State Warriors. Andre Iguodala is one of the most admired players in the NBA. And fresh off the Warriors' fifth Finals appearance in five years, his game has never been stronger. Off the court, Iguodala has earned respect, too—for his successful tech investments, his philanthropy, and increasingly for his contributions to the conversation about race in America. It is no surprise, then, that in his first book, *Andre*, with his cowriter Carvell Wallace, has pushed himself to go further than he ever has before about his life, not only as an athlete but about what makes him who he is at his core. *The Sixth Man* traces Andre's journey from childhood in his Illinois hometown to his Bay Area home court today. Basketball has always been there. But this is

the story, too, of his experience of the conflict and racial tension always at hand in a professional league made up largely of African American men; of whether and why the athlete owes the total sacrifice of his body; of the relationship between competition and brotherhood among the players of one of history's most glorious championship teams. And of what motivates an athlete to keep striving for more once they've already achieved the highest level of play they could have dreamed. On drive, on leadership, on pain, on accomplishment, on the shame of being given a role, and the glory of taking a role on: This is a powerful memoir of life and basketball that reveals new depths to the superstar athlete, and offers tremendous insight into most urgent stories being told in American society today.

Proofreading, Revising & Editing Skills Success in 20 Minutes a Day Simon and Schuster
 Father Boyle started Homeboy Industries nearly 20 years ago, which has served members of more than half of the gangs in Los Angeles. This collection presents parables about kinship and the sacredness of life drawn from Boyle's years of working with gangs.

Red Dog Red Dog

The character David Foster Wallace is introduced to the banal world of the IRS Regional Examination Center in Peoria, Illinois, and the host of strange people who work there, in a novel that was unfinished at the time of the author's death.

Watchdog and the Coyotes Random House

Afraid of dogs since he was attacked by a mad one, Ricky resists taking in a homeless pup that shows up at the farm.

Possum Summer Penguin

A posthumous letter referring to buried treasure convinces Gary that his grandfather did not die a natural death and, with his friend Brian, he sets out to find both the treasure and his grandfather's killer.

The Right Dog for the Job Houghton Mifflin Harcourt

THE EXPANDED EDITION 'Just might be the best business book ever written' Forbes Magazine 'This book should be required reading for any manager' Charles Duhigg 'Full of detail about an interesting, intricate business' The Wall Street Journal

The co-founder and longtime president of Pixar updates and expands upon his 2014 New York Times bestseller on creative leadership, reflecting on the management principles used to build Pixar's singularly successful culture, including all he learned in the past nine years that allowed Pixar to retain its creative culture while continuing to evolve. For nearly twenty years, Pixar has dominated the world of animation, producing such beloved films as the Toy Story quartet, Finding Nemo, The Incredibles, Up, and WALL-E, which have gone on to set box-office records and garner thirty Academy Awards. The joyous storytelling, the inventive plots, the emotional authenticity: In some ways, Pixar movies are an object lesson in what creativity really is. As a young man, Ed Catmull had a dream: to make the first computer-animated movie. He nurtured that dream as a Ph. D. student, and then forged a partnership with George Lucas that led, indirectly, to his founding Pixar with Steve Jobs and John Lasseter. A mere nine years later, Toy Story was released, changing animation forever. The essential ingredient in that movie's success—and in the movies that followed—was the unique environment that Catmull and his colleagues built at Pixar. Creativity, Inc. has been expanded to illuminate the continuing development of the unique culture at Pixar. Featuring a new introduction, two entirely new chapters, four new chapter postscripts, and new reflections at the end, this updated edition details how Catmull built a culture that doesn't just pay lip service to the importance of things like honesty, communication, and originality, but commits to them. Pursuing excellence isn't a one-off assignment, but an ongoing, day-in, day-out, full-time job. And Creativity, Inc. explores how it is done. Readers love Creativity, Inc. 'Incredibly inspirational' 'Great book. Wish I could give it more than 5 stars' 'Honestly, one of the best books I've read in a long time' 'Read it and read it again, then read it again and then again'

'Great book!! Fantastic read'

Red Dog Oxford University Press

A country kid and his half-brother from the city team up and learn from each other in order to save their lives in an adventure set in rural Oklahoma.

Upchuck and the Rotten Willy Simon and Schuster

Living with his family in the rugged, often dangerous, Wyoming mountains in the 1860's, twelve-year-old Adam finds his courage put to the test when he is left in charge of the household during his stepfather's absence.

Kamishibai Man Learning Express (NY)

How to harvest water and nutrients, select drought-tolerant plants, and create natural diversity Because climatic uncertainty has now become "the new normal," many farmers, gardeners and orchard-keepers in North America are desperately seeking ways to adapt their food production to become more resilient in the face of such "global weirding." This book draws upon the wisdom and technical knowledge from desert farming traditions all around the world to offer time-tried strategies for: Building greater moisture-holding capacity and nutrients in soils Protecting fields from damaging winds, drought, and floods Harvesting water from uplands to use in rain gardens and terraces filled with perennial crops Delecting fruits, nuts, succulents, and herbaceous perennials that are best suited to warmer, drier climates Gary Paul Nabhan is one of the world's experts on the agricultural traditions of arid lands. For this book he has visited indigenous and traditional farmers in the Gobi Desert, the Arabian Peninsula, the Sahara Desert, and Andalusia, as well as the Sonoran, Chihuahuan, and Painted deserts of North America, to learn firsthand their techniques and designs aimed at reducing heat and drought stress on orchards, fields, and dooryard gardens. This practical book also includes colorful "parables from the field" that exemplify how desert farmers think about increasing the carrying capacity and resilience of the lands and waters they steward. It is replete with detailed descriptions and diagrams of how to implement these desert-adapted practices in your

own backyard, orchard, or farm. This unique book is useful not only for farmers and permaculturists in the arid reaches of the Southwest or other desert regions. Its techniques and prophetic vision for achieving food security in the face of climate change may well need to be implemented across most of North America over the next half-century, and are already applicable in most of the semiarid West, Great Plains, and the U.S. Southwest and adjacent regions of Mexico.

Red Ribbon Rosie Simon and Schuster

Eleven-year-old P (short for Princess, a name she loathes) longs for a pet, but her father insists that all animals on their Oklahoma farm must earn their keep. While he's away on combat duty in Iraq, P tries to turn his cattle dog into her pet--with disastrous results. Then P rescues an orphaned opossum that she names Ike. She hand-feeds the beguiling critter, smuggles him into school, and teaches him to follow her everywhere. But when her father is reported injured, P knows that before he is shipped home, she must betray Ike's trust and force him to return to the wild. Possum Summer is a heartbreaking novel about a girl and her father whose fractious relationship is healed by the hard lessons they learn about love and letting go.

Children's Book Corner Holiday House

Liz tells her zoologist father he must get rid of all the homeless animals he keeps at their house or she'll never win the sixth-grade class presidency, but when they're gone she misses them and learns there are more important things than winning.

Best Books for Children Libraries Unlimited

"A picture book biography on Alton Yates, a Black man who served in the Air Force in the 1950s and contributed to key research on flight safety for pilots and passengers. After returning home, Alton dedicated his life to standing against Jim Crow and fighting for racial equality"--

No Dogs Allowed! Simon and Schuster
