Sexuality, Society and Pedagogy problematises some of the prevailing assumptions that frame this area of study. In doing so, it aims to make visible the challenges of teaching sexuality education in South African schools, while demonstrating its potential for reshaping our conceptions of the social and cultural representations thereof. Although the book is largely situated in experiences and perspectives within the South African context, it is hoped that the questions raised, reflections, analyses and arguments will contribute to thinking about sexuality education in diverse contexts, in particular more developing contexts.

Substance abuse is an enormous social problem in South Africa, as elsewhere. But in South Africa in particular, tik (crystal meth, or methamphetamine) and alcohol are devastating society, aggravating poverty and crime, and contributing to child abuse and gender violence. Substance Use and Abuse in South Africa has arisen out of the thriving Brain-Behaviour Initiative (BBI) at the University of Cape Town, which relates neuroscience and behavioural science to social issues. This ground-breaking book looks at the problem of substance abuse from multiple perspectives and particularly in the light of recent discoveries in brain and behavioural science, but also takes a public health view. Its focus ranges from brain imaging and dopaminergic neurocircuitry to policy and prevention, and is written by local researchers at the cutting edge.

**Oxford Successful Life Orientation Grade 7** New Africa Books Sinn und Zweck der Geschichte werden immer wieder neu hinterfragt, weil sich Gesellschaften ständig neu verorten. Davon ist der Geschichtsunterricht direkt betroffen: "Warum Geschichtsunterricht?" Autor\*innen aus 18 Ländern und vier Kontinenten fragen daher nach der Bedeutung des Geschichtsunterrichts aus unterschiedlichen Perspektiven: mit theoretischen Überlegungen und Modellen, mit Bezügen aus der Unterrichtspraxis und Erkenntnissen aus der Forschung. Die Publikation präsentiert eine ganze Reihe von Gründen, warum Geschichte heute unbedingt unterrichtet werden muss. Sie liest sich als Plädoyer für einen kompetenten Umgang mit Geschichte in heutigen Gesellschaften.
