Fans of Tamora Pierce and Sabrina the Teenaged Witch will get caught up in this brilliant series about a supposedly normal teenager who discovers she's magical—and that's just the start of her problems. At the start of her senior year of high school, Lexie Carrigan is focused on two things—getting accepted to the college of her dreams and keeping her sisters safe. But when Gavon's apprentice, James Riley, appears on the first day of school, all of Lexie's well-laid plans of having a normal senior year go out the window. James says he's there to learn, but Lexie doesn't trust him, and she refuses to make another colossal mistake like she did with Gavon. Despite her best efforts, an unlikely friendship blossoms in the sparring ring, and James proves an adversary unlike any she's faced before: one she understands. Dragons and magic await. Dragons of Dawn is an epic saga that contains three novels that are prequels to the World of Godsland fantasy series. Each is a great place to start the series or to continue the adventure. Dragon Airways - Lured by ancient magic, a boy with special needs and unusual talents becomes valuable to both sides of the war. Fleeing those sent to capture him, he and his sister board Dragon Airways. Ascension - Having reached the age of decision, Gwendolin Ahlgren finds she has no viable choices, or at least none her family will agree to let her pursue. She's resigned that her life will be anything but what she'd hoped it would be. When a traveling circus passes through her village, a fortune teller predicts a mysterious destiny Gwen could never

have imagined and roundly rejects. Against her will, she leaves home for life in a monastery and meets the love of her life. Life and love aren't always what one expects, and neither is destiny. Gwen will have to stretch beyond herself and understand the true meaning of love if she's to fulfill her destiny through a task that only an unimaginable ascension can accomplish. Onin - Joining the King's Guard is something every kid growing up in the Midlands dreams about. Onin never dared imagine such a life for himself, even after distinguishing himself in battle. When offered a rare opportunity to train within the Heights, he must balance honor, duty, and family. Haunted by persistent dreams and lured by the possibility of becoming a member of the guard, Onin leaves his home and the last vestiges of childhood behind. Marked: A YA Paranormal Romance Novel (Volume 11 of the Reflections Books) Little Fish Publishing

From the New York Times bestselling author of Sword of the Seven Sins comes a novella about the power of forbidden love and the price of justice. In a society where kindness is punishable by

death, can a boy find a way to be a hero? Experience the dramatic opening scene of Sword of the Seven Sins from Ari's point of view. When Ari Westergaard first sees Eva Marteinn, she's forced to sentence a man to death. As the blood pools at her feet, he can sense she is the bravest person he has ever seen. Although he is drawn to her, he must keep his feelings a secret, for in the Commonwealth, any kind of love, even friendship, is a killing offense. Meanwhile, Ari's childhood friend Gentian can't help protecting the weak and feeding the hungry, even when doing so violates the laws of the Commonwealth. When Ari takes the fall for one of Gentian's crimes, he commits a double offense—lying, but also friendship itself. Ari learns fast that growing up in the Commonwealth requires hiding your feelings and doing what you're told. The punishment he receives to protect Gentian and the power he sees in Eva's gaze only clarifies his path. He's meant to be a warrior. A bellator. Author's Note This is a romantic dystopian novella set in the world of the award-winning Seven Sins series. If you can't resist fierce girls with swords, infuriating guys with hearts of gold, forbidden love between a mentor and apprentice who can't keep their hands off each other, and star-crossed lovers who fight to the death by each other's sides, then this is the series for you! In Sacrifice of the Seven Sins, you'll see the moment that started it all...through Ari's eyes. With the propulsive action and addictive romance of Shatter Me, the high-stakes twists-and-turns of The Hunger Games, and the fantastical world-building of From Blood and Ash, the award-winning, slow-burn, romantic dystopian fantasy Seven Sins series will pull you in, break your heart, and never let you go. "Move over Twilight! Here comes Aaron Patterson!" --Joshua Graham, bestselling author of Beyond Justice and Darkroom "I was surprised by how much I really, really liked this book. I have not jumped on the whole "fallen angel" bandwagon, just as I didn't jump on all of the vampire stories that came out after Twilight. This is not your typical fallen angel story. It is one that has left me breathlessly waiting for the next one in the series. Hurry up please!!!" -- Sandra Stiles *This box set is the complete series. It includes all the Airel Saga books 1-6. AIREL The Awakening (Book 1) All Airel wanted was to be normal... She seems like an average 17-year-old in the anonymous little city of Boise, Idaho: Airel. But those untroubled days are soon to end, and the change she undergoes will be so radical she will wonder if it wasn't all an illusion to begin with. Pursued ferociously, relentlessly by an ancient enemy in the deepest darkness, now she will have to learn how to fight for her life. And all because of who she is, because of her lineage. Because of this she will never have what she wants most: she will never be normal. AIREL: The Discovering (Book 2) All Airel wanted was to be normal... How will Airel manage now that everything's changed? She thinks she might be falling in love, though Michael Alexander isn't her type. But those eyes. Why does she want what she can't have? Why does she fall for the one thing she knows she shouldn't allow herself to feel? A killer stalks her movements. She needs someone she can trust. But will her trust be betrayed? And if so, will her love survive? MICHAEL: The Curse (Book 3) All Michael wanted was to be free... Appearances can be deceptive: Michael. Choices made in ignorance still have consequences. Michael bought the lie, now he wants the truth. But people who live on beaches shouldn't build castles made of sand. As they flee for their lives, as the authorities hunt them down, will Michael be able to keep Airel safe, or even alive? Will he have what it takes, and can he be man enough for his love? MICHAEL: The Mark (Book 4) All Michael wanted was to be free... But it turns out freedom isn't cheap, and it isn't easy. Michael will have to make hard decisions now. The chase for truth will take them from Oregon to Africa, on a journey fraught with peril at every step. There's something about Airel's friend Kim, too; something's not right with her. And who is this brash latecomer, Ellie? Is it admiration he feels for her, or is it something else? Whom can he trust? More importantly, can he trust himself? URIEL: The Inheritance (Book 5) All Uriel wanted was to be loved... When heroes start to tell lies, even to themselves: Uriel. She's spent thousands of years fighting against her destiny, fighting against her bereaved father, against El Himself. "It's just one letter, but it's my letter, father..." What happened in Cape Town is going to have consequences for everyone she knows and loves, even though they all make efforts to plug back into their routine at home. She can't help wondering when the bill for all she's done is finally going to come due. Has she thrown off the Mark? And who will the traitor be this time? URIEL: The Price (Book 6) All Uriel wanted was to be loved... Uriel has kept more than one deep dark secret for thousands of years. It's only fitting, then, that she should be the one to suffer the shock when it matters most. Bloodlines and ghosts, echoes from the ancient past. In the smash, what will break out into the light? Once more, we see how the evil deeds of the past play out in the generations that follow, and with grave consequences—and startling revelations. Betrayal, deceit, and murder are unavoidable in the stunning conclusion to the Airel Saga. * * * Aaron Patterson is a NEW YORK TIMES and USA Today bestselling author of the thrilling hard-boiled Mark Appleton series, (1)SWEET DREAMS, (2)DREAM ON and (3)IN YOUR DREAMS and also the Sarah Steele Series, BREAKING STEELE and TWISTING STEELE. This collection is the first to focus exclusively on twenty-first-century young adult Gothic fiction. The essays demonstrate how the contemporary resurgence of the Gothic signals anxieties about (and hopes for) young people in the twenty-first century. Changing conceptions of young adults as liminal figures, operating between the modes of child and adult, can be mobilised when combined with Gothic spaces and concepts in texts for young people. In young adult Gothic literature, the crossing of boundaries typical of the Gothic is often motivated by a heterosexual romance plot, in which the human or monstrous female protagonist desires a boy who is not her 'type'. Additionally, as the Gothic works to define what it means to be human - particularly in relation to gender, race, and identity - the volume also examines how contemporary shifts and flashpoints in identity politics are being negotiated under the metaphoric cloak of monstrosity.

Good Choice Reading Reviews "Samantha delivers another great beginning to a sure to be phenomenal series...Blood Will Tell is a great read and I totally recommend reading it." Once Upon a Twilight Reviews "Blood Will Tell is a great start to Samantha Young's new YA series... Eden is a kick ass character.. and Noah just makes me swoon so much." YA Indie Princess Reviews Noah is an Ankh. As an immortal Warrior, his purpose in life is to hunt down and kill Soul Eaters. Eden is Noah's next assignment. Problem is... this is an assignment with a difference. Eden's not your average, run of the mill, Soul Eater. Noah's job? To test Eden for possible redemption. It's a risky business. Especially if Noah awakens Eden's inner monster. It would be kind of hard for Eden to listen to the angel on her shoulder when the devil on the other is telling her, her new best friend is a lying, scheming, immortal enemy...betrayal is such a bitch. Family in Children's and Young Adult Literature is a comprehensive study of the family in Anglophone children's and Young Adult literature from the early nineteenth century to the present day. Written by intellectual leaders in the field from the UK, the Americas, Europe, and Australia, this collection of essays explores the significance of the family and of familial and quasi-familial relationships in texts by a wide range of authors, including the Grimms, Frances Hodgson Burnett, Rudyard Kipling, Enid Blyton, Judy Blume, Jacqueline Wilson, Malorie Blackman, Melvin Burgess, J.K. Rowling, Neil Gaiman, and others. Author-based and critical survey essays explore evolving depictions of LGBTQIA+ and BAME families; migrant and refugee narratives; the popular tropes of the orphan protagonist and the wicked stepmother; sibling and intergenerational familial relationships; fathers and fatherhood; the anthropomorphic animal and surrogate family; and the fractured family in paranormal and dystopian YA literature. The breadth of essays in Family in Children's and Young Adult Literature encourages readers to think beyond the outdated but culturally privileged 'nuclear family' and is a vital resource for students, academics, educators, and practitioners.

Illusion and Indemnity Drowlgon Press

This is a collection of stand-alone dark thriller romances with a common theme: narrators draw their listeners in to their haunting tales, and these stories have a shocking, life-changing connection to the listeners. "The story, The Mystery Box, that gives this set its name, is worth the price (and much more) all by itself. It's very hard to classify. Sometimes it's a mystery, sometimes predictable. It's both a horror story and a love story. It will leave you outraged sometimes, crying at others. It will set your nerves on edge, and tug (hard) at your heartstrings. Reading it is like being on a very strange rollercoaster. It will run your emotions from one end to another. In several places, it's hard to read without shuddering, shivering, cheering, rejoicing, and crying. The characters are so well written, the plot so intricate, and yet so simple, that it involves you fully in the story without being aware of it. You start in a simple life, with a bored housewife. By the end, if you aren't crying, or at least have tears in your eyes, you are a stronger person than I. It's one of the best stories I've read in my 74 years on this earth."--Allyn, Goodreads Reviewer ★★★★★ "I would have loved to have three separate books instead of a box set. Each one is a gem by itself; three absolutely different themes, each with special ethos. Imagine what will happen if you can travel faster than light! How about becoming an archaeologist! Each plot has been well conceived, properly laid out in a free flowing manner. It is difficult make a choice between the three divergent books. Only choice is to vote them all in!"--venky. Goodreads Reviewer ★★★★★ "I just finished The Mystery Box Set and all I have to say is be ready for three amazing stories that will keep you reading well into the early morning hours. Many nights I had to set down my Kindle to get some sort of sleep."--Rachel R. ★★★★★ "I have only read The Mystery Box and Mystery Man, but although the "Box" is very, very good, the "Man" is excellent. I did not want it to end. Fabulous writing! Kudos to Eva Pohler, who has not disappointed thus far."--Amy C. ★★★★★ "After reading this box set, I am now a new fan of Eva Pohler! Three totally different mysteries that grabbed me from the first page and had me reading until I was finished. Each one as good as the others. I can't wait to read more of her books!"--Jennie Ersari ★★★★★ "I loved this box set. All 3 books were absolutely gripping. The story lines were totally different, but each so very good. So thought provoking, with surprise twist and turns. I read all 3 books in just a few days, as I couldn't put the kindle down."--Goodreads Reviewer ★★★★★ Grab your copy to begin these chilling adventures today! Related Authors: Julie Clark, M.M.
