Preface UGC NET exam pattern 2022 has been released by National Testing

Agency (NTA) along with the official

notification. As per the UGC NET 2022

exam pattern, the exam consists of two

papers- Paper 1 and Paper 2. Both

papers are comprised of objective-type

multiple-choice questions (MCQs). There

is no break between Paper 1 and 2. The

exam will be conducted in Computer

Based Test (CBT) mode. The medium of

the UGC NET question paper is in English

and Hindi languages only. Till December

2018, the UGC NET exam pattern was

such that the test consisted of two

papers (Paper 1 and 2) that were

conducted in two different sessions.

Candidates had to complete both the

papers (Paper 1 and 2) in a duration of

one and two hours, respectively.

However, in June 2019, NTA changed the

exam pattern as per which candidates

now have to give both the papers in a

single three-hour duration. In UGC NET

Paper 1, the official website of NTA

informs, "The questions will be generic in nature, intending to assess the

teaching/research aptitude of the

candidate. It will primarily be designed

to test reasoning ability, comprehension,

divergent thinking and general

awareness of the candidate." This book

'A Handbook for General Paper on

Teaching & Research Aptitude (Paper -I)

of UGC-NET & PET Exams: A Crash

Course for all Aspiring Students' (For All

101 Subjects) is an outcome of not just

efforts from the authors, but

contributions by many Research

Scholars. We take this opportunity to

thank all those who supported in

publication of this book. Many research

scholars have been kind enough to share

their research works in form of Video

sessions on Teaching & Research

Aptitude, Power-point presentations,

MCQs in google from etc, so that a larger

section of the aspiring students can take

a guideline in preparing for the

exams. This Book also contains useful QR

codes for direct link to various folders

and files on the drive for Syllabi for UGC

NET Paper-I & Various MCQ's on different

Open-source websites. We owe to many

authors and websites whose writings

formed the basis for this book. Our

special acknowledgment and thanks to

Indira Gandhi Open University, New

Delhi and their open source websites

www.ignou.ac.in & www.egyankosh.ac.in

. We also take this opportunity to thank

Amazon and Kindle Publishing for the

publication of this book. At the end we

would like to say that there is always a

room for improvement in whatever we

do. We would appreciate any

suggestions and feedback regarding this

book from the readers on

mukulburghate@gmail.com so that the

book can be made more interesting and
