Uplifting, heartwarming stories of an inquisitive boy trying to understand his three older sisters. In these stories, Dennis is ten when Grandpapa comes to stay. The elder is in hospice, and Dennis thought his antics are a great irritation

on his sisters. At eleven-years-old, Dennis is not good at helping Papa fix the rototiller. Instead, he explores his sisters' bedroom while they are away, trying to understand these people. The next year, Dennis learns to stay off the middle school honor roll to avoid attention. Yet, he gets too much attention when he plays in an after school, flag football game. When he is in junior high, the family moves to a farm and Papa buys a Holstein cow Dennis names Shelf Life. Milking the old cow is therapy, helping him adjust to his new school. Until she must be euthanized. Dennis gets over his grief when Papa brings Shelf Life's calf, Mary, to the farm. In December of his last year of junior high, Papa takes Dennis to a farm to slaughter a hog. Papa wanted to share

his boyhood experience with his son and Dennis was glad for the sharing. It helped him consider being a vegetarian. After college, Dennis stays home taking care of Mary. Until one of his sisters introduces him to Helen.

On February 28, 2009, Nick Schuyler

went on a deep-sea fishing trip with three friends: NFL players Marquis Cooper and Corey Smith, and Will Bleakley, former University of South Florida football player and Nick's best friend. What was supposed to be a day of fun and relaxation aboard Cooper's twenty-one-foot vessel turned nightmarish in the Gulf of Mexico, seventy miles west of Tampa, Florida, when a tragic mistake caused their boat to capsize. With no food or water, no emergency beacon to alert authorities, the four athletes clung to the overturned hull through the night—battling hypothermia, hallucinations, hunger, dehydration, and huge pounding waves, as they prayed, spoke of their loved ones, and shared what they would have done differently with their lives. In the

end, only one would reach dry land alive. Much more than a riveting true account of survival, *Not Without Hope* is Nick Schuyler's inspiring story of courage, resolve, and friendship.

Bonheur was and is my name. Every person in my native France knew the

name meant sunshine, well-being, happiness. But how does one find happiness in a prison known worldwide for its coarse and brutal inhumanity? Fifteen painful years, prime years of youth, I endured in that terrible place determined to escape. Though I planned each escape carefully, something always went wrong, and I found myself trying to survive in soul-shattering solitary confinement. I was small of stature and not very strong compared to the hulking convicts I lived with, and yet I need not remind you that strength comes in many forms.

'I'm so sorry, Casey,' my link worker John said, sounding weary. 'I know this is probably the worst time I could ring you, but we desperately need someone to take a child tonight.'

Seven hundred years ago, executioners led a Welsh rebel named William Cragh to a wintry hill to be hanged. They placed a noose around his neck, dropped him from the gallows, and later

pronounced him dead. But was he dead? While no less than nine eyewitnesses attested to his demise, Cragh later proved to be very much alive, his resurrection attributed to the saintly entreaties of the defunct Bishop Thomas de Cantilupe. The Hanged Man tells the story of this putative miracle--why it happened, what it meant, and how we know about it. The nine eyewitness accounts live on in the transcripts of de Cantilupe's canonization hearings, and these previously unexamined documents contribute not only to an enthralling mystery, but to an unprecedented glimpse into the day-to-day workings of medieval society. While unraveling the haunting tale of the hanged man, Robert Bartlett leads us deeply into the world of lords, rebels, churchmen, papal

inquisitors, and other individuals living at the time of conflict and conquest in Wales. In the process, he reconstructs voices that others have failed to find. We hear from the lady of the castle where the hanged man was imprisoned, the laborer who watched the execution, the French bishop charged with investigating the case, and scores of other members of the medieval citizenry. Brimming with the intrigue of a detective novel, *The Hanged Man* will appeal to both scholars of medieval history and general readers alike.

Barbara's father was a sadistic man at the best of times - his idea of fun was to kill the family dog by tying it to the back

of his car and driving off. Also for kicks, he took his children out on to the lake and held them under until they were gasping for their lives. He sexually assaulted Barbara from a young age, often when the rest of the family were in the house. He repeatedly threatened to kill her, and made two very serious attempts. During the final attempt, as he was raping and choking her, Barbara made a vow - if she survived, she would come forward and get justice against her father ..."*Without Hope*" is a powerful and inspiring true story of a girl who finally found the inner strength to escape her brutal childhood.
