Crowood Press

Français-anglais Cambridge University Press

Papers originally presented at a workshop held at the University of Calgary on Aug. 1-5, 1977.

A New French and English Pronouncing Dictionary, on the Basis of Nugent's Wilfrid Laurier Univ.

Press

Jazz dance and its inherent music is recognized as one of the original and most potent art forms of

the last two centuries. From its African roots to our present-day global dance community, the jazz

idiom has afforded a cross-fertilization with all other artistic, cultural and social representations

within the arts industry, providing an accessible dance platform for dancers, teachers and

creatives to enjoy both recreationally and professionally. The Essential Guide to Jazz Dance offers a

practical and uncomplicated overview to the multi-layered history, practices and development of

jazz dance as a creative and artistic dance form. It covers the incredible history and lineage of jazz

dance; the innovators, choreographers and dance creatives of the genre; specifics of jazz

aesthetic, steps and styles; a detailed breakdown of a practical jazz dance warm-up and technical

exercises; creative frameworks to support development of jazz dance expression and aesthetic;

performance and improvisation; jazz music and musical interpretation, and finally, choreographing

and creating jazz works. With over 230 colour photos and a wealth of tips and advice, this new

book will be an ideal reading companion for dancers of all abilities, dance teachers,

choreographers as well as all jazz dance enthusiasts.
