Darren Weeks is Canada's most prominent financial educator. He is the Founder of the Fast Track Group of Companies, an acclaimed solutions-based financial literacy firm and one of the nation's fastest-growing companies. For nearly a decade and a half, Darren has spoken to hundreds of thousands of people across North America, Europe and Latin America about how to become financially independent. He is an advocate of learning how to create wealth through business and investment, and believes that this vital knowledge is lacking from traditional education. In fact, in every country that he has spoken Darren has seen that schools do not teach their students to manage money. Darren has made it his mission to fill that void by providing financial education to people across the world. He went from an average middle-class upbringing to raising hundreds of millions of dollars in investor capital, owning nearly 5,000 real estate properties, millions of dollars in energy assets and acquiring two cruise ship terminals in the Caribbean. All of this was accomplished by educating himself on how to do it and then taking action. There is no greater expert on the art of raising capital from investors and no person more committed to sharing this information than Darren Weeks.

If you're interested in real estate investing, you may have noticed the lack of coverage it gets in mainstream financial media, while stocks, bonds, and mutual funds are consistently touted as the safest and most profitable ways to invest. According to real estate guru Ken McElroy, that's because financial publications, tv and radio programs make the bulk of their money from advertising paid for by the very companies who provide such mainstream financial services. On the other hand, real estate investment is something you can do on your own--without a large amount of money up front. Picking up where he left off in the bestselling *ABC's of Real Estate Investing*, McElroy reveals the next essential lessons and information that no serious investor can afford to miss. Building on the foundation of real estate investment 101, McElroy tells readers: How to think--and operate--like a real estate mogul How to identify and close expert deals Why multifamily housing is the best real estate investment out there How to surround yourself with a team that will help maximize your money How to avoid paying thousands in taxes by structuring property sales wisely Important projections about the future of real estate investment

Many Americans dream of financial freedom, but they're stuck in dead-end jobs and don't know how to get there. You don't need to be one of them. If you invested \$35,000 in the stock market today, it could take 52 years for that investment to grow to \$1 million. But if you invested that same amount into one single-family \$140,000 rental property, it would only take 19 years. With just two rental properties, you could generate \$417,000 in profit in just 10 years. Skeptical? Good, because that's the first sign of a smart investor. This book will tackle that skepticism head-on... and give you confidence and a path to financial freedom. **THIS BOOK WILL TEACH YOU HOW TO:** Secure your investment money Find your ideal market--and a positive-cash-flow property Efficiently manage your property Handle your record keeping Boost revenues and cut costs File your taxes using a step-by-step process Build your real estate portfolio
