### BRYANT RIGGS

[I Used to Play Piano: 60s and 70s Hits](#) HSRC Publishers

When he and his tutor escape to British-occupied Boston, Octavian learns of Lord Dunmore's proclamation offering freedom to slaves who join the counterrevolutionary forces. 75,000 first printing.

[A Call to Mercy](#) National Geographic Books

After being kidnapped by Mr. Chu, Atticus "Tick" Higginbottom and his friends Paul and Sofia must survive a series of tests in several different Realities.

[The Cambridge Companion to Modern Japanese Culture](#) Martingale

"Welcome to the strange world of anonymous anarchists, toilet wall Tourette's and the mysterious rants of unidentified luntics. It's not big and it's not clever. But we defy you not to snigger all the same ..."--Publisher description.

[MasterChef: the Masters at Home](#) Oxford University Press, USA

These essays, first published between 1919 and 1927, ushered in a new cosmopolitanism and skepticism in twentieth-century America. Taking on all aspects of the conformism and provincial narrowness of the American worldview that he saw, Mencken launched himself at a wide variety of targets with his usual humor and richness.

[365 Science of Mind](#) Sterling Publishing Company, Inc.

It's a very busy day in Pontypandy for Fireman Sam, Elvis, Penny and the rest of the Fire Crew! Read about THREE of Fireman Sam's exciting rescues in this delightful treasury. The colourful treasury is perfect for bedtime stories and early readers. Children ages 3, 4 and 5 will love using the sturdy tabbed edges to turn the pages. Featuring the stories based on the television episodes: Hide-and-Seek, Turtle Hunt and Pest in Show.

[Media and Citizenship](#) Bloomsbury Publishing USA

This book provides a modern, synthetic overview of what is known about the structure, functioning and interactions of marine and terrestrial systems at the Prince Edward Islands. Building on more than 50 years of biological, geological, meteorological, and oceanographic research, it demonstrates not only how inextricably linked marine and terrestrial systems at the islands are,

but also how global environmental challenges, such as climate change, biological invasions, and over exploitation, are playing out at the regional and local levels in the Southern Ocean.

[Fireman Sam: My First Fireman Sam Stories Treasury](#) Candlewick Press

The creator of the "Mystery Method" introduced in Neil Strauss's best-selling *The Game* imparts salacious techniques for picking up and seducing women, in a guide that also shares extreme stories from Mystery's life. TV tie-in.

[Epstein-Barr Virus and Associated Diseases](#) John Libbey Eurotext

[The Hunt for Dark Infinity](#) Epstein-Barr Virus and Associated Diseases

The Horrible Histories Annual 2015 is a must-have for all Horrible Histories fans. Packed with foul facts, gory games, dreadful jokes, quick quizzes and putrid puzzles - it's the annual with rat-itude! Discover all the dreadful details about your favourite eras of history. History has never been so horrible!

[Women of Ice and Fire](#) AFRICAN SUN MeDIA

Sunnyside Sal is the story of an unusual friendship between two boys growing up in Pretoria, South

Africa. It's a jauntily narrated novella set in the tumultuous early 1990s, when a whole generation was discovering that everything they'd been taught to believe was wrong. Fuelled by his reckless bravado and post-punk philosophy, Sal plunges into extreme situations, but his innocent experimentations in rebellion lead him increasingly into hazardous realms. Although ultimately a tragic tale, Sunnyside Sal is borne up throughout by an exuberant humor.

[Latin American Common Market /](#) Simon and Schuster

An odyssey of family, heartbreak, violence, punk rock, brokenness, broke-ness, sex, love, loss, drinking, drinking, drinking, and an unlikely savior: distance running. A misfit kid at the best of times, Mishka Shubaly had his world shattered when, in a twenty-four-hour span in 1992, he survived a mass shooting on his school's campus, then learned that his parents were getting divorced. His father, a prominent rocket scientist, abandoned the family and their home was lost to foreclosure. Shubaly swore to avenge the wrongs against his mother, but instead plunged into a magnificently toxic love affair with alcohol. Almost two decades later, Shubaly's life changed again when a fateful five-mile run after a bar fight inspired him to clean up his life. And when he finally reconnected with his estranged father, he discovered the story of his childhood was radically different from what he thought he knew. In this fiercely honest, emotional, and self-laceratingly witty book, Shubaly relives his mistakes, misfortunes, and infrequent good decisions: the disastrous events that fractured his life; his incendiary romances; his hot-and-cold career as a rock musician; meeting his newborn nephew while out of his gourd on cough syrup. I Swear I'll Make It Up to You is an apology for choices Shubaly never thought he'd live long enough to regret, a journey so far down the low road that it took him years of running to claw his way back.

**Still Just Grace** Taylor & Francis

Ever wondered what chefs love to cook when they are in their own kitchen? Away from the intensity and heat of restaurant service, what food makes them happiest on a weekend off? 33 globally renowned chefs have each shared three recipes for their favourite weekend treats in this special MasterChef collection of food at home. The fascinating background of each chef is explored and accompanying candid snapshots from their home life provide a unique, never-seen-before window into their world. Such an intimate showcase of chefs' private cooking is artistically captured by the legendary photographer David Loftus. The chefs featured include: Ferran Adria, Andoni Aduriz, Michael Anthony, Elena Arzak, Jason Atherton, Joe Bastianich, Lidia Bastianich, Claude Bosi, Massimo Bottura, Claire Clark, Wylie Dufresne, Graham Elliot, Andrew Fairlie, Peter Gilmore, Peter Gordon, Bill Granger, Angela Hartnett, Tom Kerridge, Tom Kitchin, Atul Kochhar, Pierre Koffmann, Jamie Oliver, Ashley Palmer-Watts, Neil Perry, Gordon Ramsay, Eric Ripert, Joan and Jordi Roca, Ruth Rogers, Curtis Stone, David Thompson, Mitch Tonks and Tetsuya Wakuda.

Bet you wouldn't have put money on that three years ago, eh?! Please don't stress yourself out too much, though, it's actually socially acceptable nowadays that you're interested. Firstly I'd like to emphasise that I have WRITTEN THIS BOOK MYSELF, so be assured you're getting the TOOTH, the WHOLE TOOTH and NOTHING BUT THE TOOTH! (Which was my original choice of title, but babe, we're so over that.) This book documents my story, year by year, from my humble beginnings growing up in the East End of London, becoming one of the nation's most talked-about people overnight to finally moving up the spectrum from guilty pleasure, and getting nearer to national treasure. It will make you laugh, cry, and most importantly you'll discover who I really am. If it doesn't do any of those things you're not legally entitled to a refund - just clearing that up ;-). I hope you enjoy reading this book as much as I have enjoyed writing it. This book has been like therapy, and LORD was I in need. Enjoy!

*The Pickup Artist* Picador

This Companion provides a comprehensive overview of the influences that have shaped modern-day Japan. Spanning one and a half centuries from the Meiji Restoration in 1868 to the beginning of the twenty-first century, this volume covers topics such as technology, food, nationalism and rise of anime and manga in the visual arts. The Cambridge Companion to Modern Japanese Culture traces the cultural transformation that took place over the course of the twentieth century, and paints a picture of a nation rich in cultural diversity. With contributions from some of the most prominent scholars in the field, The Cambridge Companion to Modern Japanese Culture is an authoritative introduction to this subject.

banners to bed quilts, all with Pat's fresh and cheery style Gain confidence and get all your questions answered--Pat shares loads of tips throughout Own the first in a series of "Teach Me" books from one of the world's best quilting coaches

*The Life of Rylan* Random House

James Dashner's debut fantasy series, The 13th Reality, is sure to keep readers guessing--and coming back for more!

**Whitaker's Almanack 1869** Alfred Music

Some people are aware that Vitamin K1 is important for blood clotting, but relatively few are aware of Vitamin K2 and its essential role in bone and heart health. There is now an impressive body of research showing that Vitamin K2 plays an integral role ensuring that our bones grow strong and our hearts and blood vessels remain healthy. Dr. Dennis Goodman has dedicated himself to researching vitamins and minerals so that he can educate his patients on which supplements to take—who needs them, how much, and why. If you care about your bones and heart health—and no doubt you do—this book is a must read. With “Vitamin K2: The Missing Nutrient for Heart and Bone Health,” Dr. Goodman presents the latest and most impressive research studies, as well as insights on diet, exercise, and stress reduction, as a conversation between doctor and patient. Providing clear and concise information, he puts readers on the path to learn more for themselves and continue the conversation with their own doctor.

[I Swear I'll Make It Up to You](#) Cambridge Scholars Publishing

Experiments in Freedom examines ways in which identities have been represented in recent South African play texts published in English. It begins by exploring descriptions of identity from various philosophical, psychological and anthropological perspectives and elaborates ways in which drama is uniquely suited to represent—as well as to effect—transformations of identity. In exploring the fraught terrain of identity studies, the book examines a selection of play texts in terms of five different discourse of identity—gender, nationalism, ethnicity, syncretism and race. Instead of building a sustained thesis throughout his text, Krueger writes in short bursts about a multiplicity of topics, extending his explorations rhizomatically into the crevices of a new South African society loath to relinquish its stranglehold on the politics of identity.

[SBA Questions for the Part 2 MRCOG](#) Cambridge University Press

An exciting new anthology from the journal Time magazine called "the biggest 'little magazine' in history." To commemorate the fiftieth anniversary of the venerable Paris Review, Picador is proud to publish a unique anthology based on the themes of modern life. Like the work of the writers included, this book will inspire a dizzying range of thought and emotion, serving as a cumulative and breathtaking "mirror" to the world we live in. To appear: Jack Kerouac Norman Mailer Louise Erdrich Jonathan Franzen Gabriel García Márquez William Burroughs Denis Johnson David Foster Wallace Raymond Carver Italo Calvino Grace Paley and many more.
