For the White  
Rose of Arno  
Parson's Porch  
Books  
This book is  
about the  
world's  
greatest gifts.  
Those gifts

never stop  
giving! They  
give meaning  
to our words,  
muscle to our  
message and  
magic to our  
memories.  
What are  
these gifts? "I  
thought you'd  
never ask;"  
and my  
answer is

stories! We  
learn through  
stories, we  
laugh through  
stories, and  
we live  
through  
stories.  
Stories give  
our words  
wings and our  
speeches  
strength. They  
help us find

faith and form  
 friends.  
 Whether an  
 audience is  
 young or old,  
 tough or  
 tender,  
 friendly or  
 frigid, the  
 eyes and ears  
 of that  
 audience are  
 earned best  
 by stories.  
 Stories are the  
 part of life  
 that sticks to  
 our ribs. They  
 are the  
 "spaghetti and  
 meatballs of  
 our Sunday  
 night supper!"  
 Stories can  
 help us relive  
 life, revive life,  
 review life,  
 and renew  
 life. They can  
 even help us  
 expand life  
 and explain

life! What  
 more does a  
 story do? This  
 book will tell  
 you. This book  
 will show you!

 draws  
 together the  
 artistry of the  
 living world  
 with the  
 tender  
 strength  
 gathered from  
 recognizing  
 the treasure in  
 our need for  
 understanding  
 . The

—Parade The  
unforgettable  
story of four  
orphans who  
travel the  
Mississippi  
River on a life-  
changing  
odyssey  
during the  
Great  
Depression. In  
the summer of  
1932, on the  
banks of  
Minnesota’s  
Gilead River,  
Odie O’Banion  
is an orphan  
confined to  
the Lincoln  
Indian  
Training  
School, a  
pitiless place  
where his

lively nature  
earns him the  
superintenden-  
t’s wrath.  
Forced to flee  
after  
committing a  
terrible crime,  
he and his  
brother,  
Albert, their  
best friend,  
Mose, and a  
brokenhearted  
little girl  
named Emmy  
steal away in  
a canoe,  
heading for  
the mighty  
Mississippi  
and a place to  
call their own.  
Over the  
course of one  
summer,  
these four  
orphans  
journey into  
the unknown  
and cross  
paths with

others who  
are adrift,  
from  
struggling  
farmers and  
traveling faith  
healers to  
displaced  
families and  
lost souls of  
all kinds. With  
the feel of a  
modern  
classic, This  
Tender Land is  
an enthralling,  
big-hearted  
epic that  
shows how the  
magnificent  
American  
landscape  
connects us  
all, haunts our  
dreams, and  
makes us  
whole.

Gentleness is

infectious. I could feel the thought of it affecting my very mood and spirit as I read the early, unpublished pages of this book for the first time. We live in a warring, contentious world where most people think they must struggle to survive. Sometimes it does seem to be that kind of world, with people always choosing sides and arguing with others about what we should think and how we should behave. This

is a particularly fractious time in our national history, when everybody seems to feel that he or she must enlist in this or that cause and oppose certain ideas or ways of thinking that others are expressing so forcibly. I have felt it, and so have you. But as I read Jim's book it began to assure me that life doesn't have to be that way. There is a gentle way-a loving way-that beckons us to a completely

different kind of being and thinking. The people of the world don't have to be at odds with one another. We don't have to take sides and contribute to the tension and ugliness. *Strength and Weakness: Meditations on Some of the Psalms, in Time of Trial* Penguin Funny, poignant, and deeply moving, *The Line Tender* is a story of nature's enduring mystery and a girl determined to find meaning

and connection within it. Wherever the sharks led, Lucy Everhart's marine-biologist mother was sure to follow. In fact, she was on a boat far off the coast of Massachusetts, collecting shark data when she died suddenly. Lucy was seven. Since then Lucy and her father have kept their heads above water--thanks in large part to a few close friends and neighbors. But

June of her twelfth summer brings more than the end of school and a heat wave to sleepy Rockport. On one steamy day, the tide brings a great white--and then another tragedy, cutting short a friendship everyone insists was "meaningful" but no one can tell Lucy what it all meant. To survive the fresh wave of grief, Lucy must grab the line that connects her depressed father, a

stubborn fisherman, and a curious old widower to her mother's unfinished research on the Great White's return to Cape Cod. If Lucy can find a way to help this unlikely quartet follow the sharks her mother loved, she'll finally be able to look beyond what she's lost and toward what's left to be discovered. ★"Confidently voiced."—Kirkus Reviews, starred ★"Richly layered."—Publishers Weekly, starred ★"A

She's

told she's going on a journey, but would never begin to imagine the trip to insanity that she delves into. As her mother becomes more and more psychotic, Danny has to pull her strength from sources she never knew she had! A spellbinding story from the beginning to end!

 My name is Josephine MacDonald and I was born in Lennoxtown in Scotland in 1960. I was raised by my mum and dad

in Glasgow, and studied at All Saints Secondary School, where I attained seven O'Levels. At the tender age of fourteen, I was introduced to a lovely young man, a friend of my cousin, to whom I would end up being my husband in the years that followed. At sixteen I worked as a personal assistant within an advertising company, and became engaged. At seventeen I got married to

my childhood sweetheart and from there on in my life was to be a very happy one. In 1981 my first child was born, he was a beautiful handsome and delicate little boy. Three years later I had a beautiful young gorgeous daughter which completed my family unit. We had a very content and happy family and basically lived our lives within our own boundaries. Our children wanted for

nothing, and we both worked very hard to produce a lovely lifestyle, including great communication with our children, good education, nice homes, and family holidays. This was not to last forever as at the end of 1998 it started to go horribly wrong for myself and for my family. I lost several jobs through ill health as I battled to keep the life I so much loved. This book is based

on facts which reveals all the emotions of love and friendship, forgiveness, self pity etc, and hopefully can help people understand that they are not alone when life turns sour and that there is always a way forward if you look deep enough. Please enjoy. Josephine Strength in Time DigiCat Since 1987, Craig Rennebohm has ministered to people on the streets of Seattle who are homeless

and struggling with mental illness. In Souls in the Hands of a Tender God, he tells the evocative stories of persons who desperately need psychiatric, psychological, and spiritual support-like Mary, who surrounds herself with huge trash bags for protection from a threatening world; Jerry, whose fits of rage get him barred from every shelter and meal program in Seattle; and

others, abandoned and marginalized by their community, who need care and treatment to find their way back to a life of stability and meaning. As Rennebohm reaches out to each one, their stories become parables that explore mental illness and the spiritual heart of care and recovery, helping us understand what it means to be human, on a pilgrimage together

toward wholeness. As these stories unfold, we encounter Rennebohm's powerful experiences with a God of kindness and compassion, drawn from his own life and the lives of those he has aided in their struggles with homelessness and with mental illness. Souls in the Hands of a Tender God offers a clear understanding of Spirit, faith, soul, and religion that will prove invaluable to individual

conversations and to dialogue among congregations about how we can best serve "the least among us." Souls in the Hands of a Tender God follows the path of healing and the way of companionship to build communities of caring that welcome and include our most fragile and troubled neighbors. With gentleness and grace, solid knowledge and wisdom, Rennebohm

lays down the foundations of healing communities in which all may have a home, safely rest, and be well. From the Hardcover edition.

"This Tender Strength" explores questions of spirituality and faith from a refreshingly unassuming viewpoint and avoids being either didactic or trite; and while his is an

unapologetical ly Christian voice, it can be appreciated by those of any religion, as well as the agnostic and atheist alike.
