A dozen women join a secret 1850s Arctic expedition—and a sensational murder trial unfolds when some of them don't come back. Eccentric Lady Jane Franklin makes an outlandish offer to adventurer Virginia Reeve: take a dozen women, trek into the Arctic, and find her husband's lost expedition. Four parties have failed to find him, and Lady Franklin wants a radical new approach: put the women in charge. A year later, Virginia stands trial for murder. Survivors of the expedition willing to publicly support her sit in the front row. There are only five. What happened out there on the ice? Set against the unforgiving backdrop of one of the world's most inhospitable locations, USA Today bestselling author Greer Macallister uses the true story of Lady Jane Franklin's tireless attempts to find her husband's lost expedition as a jumping-off point to spin a tale of bravery, intrigue, perseverance and hope.

In *Alias Grace*, bestselling author Margaret Atwood takes us back in time and into the life of one of the most enigmatic and notorious women of the nineteenth century. Grace Marks has been convicted for her involvement in the vicious murders of her employer, Thomas Kinnear, and Nancy Montgomery, his housekeeper and mistress. Some believe Grace is innocent; others think her evil or insane. Now serving a life sentence, Grace claims to have no memory of the murders. Dr. Simon Jordan, an up-and-coming expert

in the burgeoning field of mental illness, is engaged by a group of reformers and spiritualists who seek a pardon for Grace. He listens to her story while bringing her closer and closer to the day she cannot remember. What will he find in attempting to unlock her memories? Is Grace a female fiend? A bloodthirsty femme fatale? Or is she the victim of circumstances?

A “soucoyant” is an evil spirit in Caribbean lore, a reminder of past transgressions that refuse to diminish with age. In this beautifully told novel that crosses borders, cultures, and generations, a young man returns home to care for his aging mother, who suffers from dementia. In his efforts to help her and by turn make amends for their past estrangement from one another, he is compelled to re-imagine his mother's stories for her before they slip completely into darkness. In delicate, heartbreaking tones, the names for everyday things fade while at the same time a beautiful, haunted life, stained by grief, is slowly revealed.

In this astonishing tour de force, Margaret Atwood takes the reader back in time and into the life and mind of one of the most enigmatic and notorious women of the nineteenth century. In 1843, at the age of sixteen, servant girl Grace Marks was convicted for her part in the vicious murders of her employer and his mistress. Some believe Grace is innocent; others think her evil or insane. Grace herself claims to have no memory of the murders. As Dr. Simon Jordan – an expert in the burgeoning field of mental illness – tries to unlock her memory, what will he find? Was Grace a femme

fatale – or a weak and unwilling victim of circumstances? Taut and compelling, penetrating and wise, *Alias Grace* is a beautifully crafted work of the imagination that vividly evokes time and place. The novel and its characters will continue to haunt the reader long after the final page.

House of Anansi From the #1 New York Times bestselling author of *The Handmaid's Tale* One of Margaret Atwood's most unforgettable characters lurks at the center of this intricate novel like a spider in a web. The glamorous, irresistible, unscrupulous Zenia is nothing less than a fairy-tale villain in the memories of her former friends. Roz, Charis, and Tony—university classmates decades ago—were reunited at Zenia's funeral and have met monthly for lunch ever since, obsessively retracing the destructive swath she once cut through their lives. A brilliantly inventive fabulist, Zenia had a talent for exploiting her

friends' weaknesses, wielding intimacy as a weapon and cheating them of money, time, sympathy, and men. But one day, five years after her funeral, they are shocked to catch sight of Zenia: even her death appears to have been yet another fiction. As the three women plot to confront their larger-than-life nemesis, Atwood proves herself a gleefully acute observer of the treacherous shoals of friendship, trust, desire, and power.

Hachette UK "A gloriously entertaining plunge into the ultra-competitive world of youth sports and the lengths we go to for the kids and game we love."--New York Times bestselling author KJ Dell'Antonia Two friends, one Olympic dream, and the choice that stood in the way. Once Leigh and Susy were close friends and teammates bound for Olympic hockey gold, but when Leigh's sure-fire plan to make the final roster backfired, she left everything behind to start over, including the one person who knew her secret. Two decades later, Leigh's a successful investment banker, happily married, and the mom of a hockey prodigy, so when a career opportunity lands the family back in Minnesota, Leigh takes the shot for her kid. Back in the ultra-competitive world she left behind, the move puts her in Susy's orbit, a daily reminder of how Leigh watched from the sidelines as her former teammate went on to Olympic glory. Despite the coldness between them, Susy can't help but hope that Leigh might lace up her skates and join her in the coaches' box—after all Leigh knows better than anyone how hard it is to be a woman in this world. Susy knows soon her daughter, Georgie, will be seen as a "girl athlete," relegated to the B team,

with less support and opportunity to advance. But Leigh believes keeping Susy at arms' length is the only way to hide her history with her former coach Jeff Carlson. When he hints of new favors in exchange for her son's ice time, Leigh is caught in the ultimate bind: come clean about what happened when she was an Olympic hopeful and risk her marriage or play Jeff's game. In a moment of desperation, Leigh realizes the one person she thought was her biggest competitor—her former teammate—might turn out to be her biggest ally. Told with Kathleen West's trademark wit and compassion, *Home or Away* is a story about overcoming our pasts, confronting our futures, and the sustaining bonds of female friendship.

Essay from the year 2019 in the subject Communications - Movies and Television, grade: 1,7, , course: Gender in Film and the Visual Arts, language: English, abstract: The ambiguity of Grace herself is especially interesting about this series. Therefore, my attempt is to first analyze the narrative style, especially concerning the different timelines as well as Grace's unreliability and ambiguity as a character and narrator. Furthermore, I will connect this way of narrating to Grace's quilting which is omnipresent in the series and can be read as another form of communication and narration especially for women at a time where they usually had to stay silent. With a rather powerful voice-over begins the telling of Grace Marks, by that time a 33-year-old maid that was convicted of murdering her former employer Thomas Kinnear and his house keeper Nancy Montgomery together with the stable boy James McDermott. While he gets hanged, Grace is sentenced to life

imprisonment. Now, 15 years after her conviction, psychologist Dr. Simon Jordan is hired to talk to Grace to find out if she really was guilty of the murders or not. These are true events that took once place in 1843 and then were adopted for a novel written by Margaret Atwood: *Alias Grace*. Based on this novel the canadian US-American Drama-mini-series *Alias Grace*, written by Margaret Atwood and Sarah Polley and directed by Mary Harron, was released in 2017. It is the story of Grace Marks, the question of her innocence and guilt, that is constantly being asked by Dr. Jordan as well as the audience.

 In luminous, incisive prose, a startling new literary talent explores masculinity, race, and sexuality against a backdrop of simmering violence during the summer of 1991. One sweltering summer in the Park, a housing complex outside of Toronto, Michael and Francis are coming of age and learning to stomach the careless prejudices and low expectations that confront them as young men of black and brown ancestry. While their Trinidadian single mother works double, sometimes triple shifts so her boys might fulfill the elusive promise of their adopted home, Francis helps the days pass by inventing games and challenges, bringing Michael to his crew's barbershop hangout, and leading escapes into the cool air of the Rouge Valley, a scar of green wilderness where

they are free to imagine better lives for themselves. Propelled by the beats and styles of hip hop, Francis dreams of a future in music. Michael's dreams are of Aisha, the smartest girl in their high school whose own eyes are firmly set on a life elsewhere. But the bright hopes of all three are violently, irrevocably thwarted by a tragic shooting, and the police crackdown and suffocating suspicion that follow. Honest and insightful in its portrayal of kinship, community, and lives cut short, David Chariandy's *Brother* is an emotional tour de force that marks the arrival of a stunning new literary voice.

In the sequel to *Roughing It in the Bush*, Susanna Moodie portrays the relatively sophisticated society springing up in the clearings along Lake Ontario. During a trip from Belleville to Niagara Falls, Moodie acts as a meticulous observer of the social customs and practices of the times. Invaluable as social history and as a candid self-portrait, *Life in the Clearings versus the Bush* chronicles, with wit and wisdom, Canadian society in the mid-19th century. The NCL edition is an unabridged reprint of the complete original text.

Seminar paper from the year 2015 in the subject Literature - Canada, grade: 2,0, , language: English, abstract: The aim of this term paper is to exemplify the central key features in Postmodernism and to analyse in how far Margaret Atwood manages to make use of them in her novel "Alias Grace". Besides, I will concentrate on Atwood's strategies to integrate the postmodern features into the novel and to illustrate them to the reader. The first part of the term paper

will be concerned with a general overview of Genette's categories of discourse-oriented Narratology and the postmodern features Fragmentation, Subjectivity, Indeterminacy and Alienation. More precisely, I will define these features and will concentrate on the most important characteristics which can be linked to the novel. I will mention Genette's Narrative Theory because it is especially important when dealing with Fragmentation. The second part will be concerned with these postmodern features with reference to "Alias Grace". Concerning Fragmentation, I am going to illustrate the interchanging narratives in the novel. When dealing with Subjectivity, I will analyse in how far different narratives of the story are subjective. By pointing out several passages in which open questions remain and the reader has to interpret on his own, I will discuss Indeterminacy. After doing so, I am going to point out in how far Fragmentation, Subjectivity and Indeterminacy lead to an Alienation of the reader. At the end of the term paper, a conclusion will be drawn in which one can see in how far Atwood uses postmodern elements in her novel.

Augusta Travers has spent the last three years avoiding the stifling expectations of New York society and her family's constant disappointment. As the nation's most fearless--and reviled--columnist, Gussie travels the country with her Kodak camera and spins stories for women unable to leave hearth and home. But when her adventurous nature lands her in the middle of a scandal, an opportunity to leave America offers the perfect escape. Arriving in India, she expects only a nice visit with childhood friends, siblings Catherine and Gabriel, and escapades that will further her career. Instead, she finds herself facing a plague epidemic, confusion over Gabriel's sudden appeal, and the realization that what she wants from life is changing. But slowing down means facing all the hurts of her past that she's long been trying to outrun. And that may be an undertaking too great even for her. From the #1 New York Times bestselling author of *The Handmaid's Tale* In each of these tales Margaret Atwood deftly illuminates the shape of a whole life: in a few brief pages we watch as characters progress from the vulnerabilities of adolescence through the passions of youth into the precarious complexities of middle age. The past resurfaces in the present in ways both subtle and dramatic: the body of a lost Arctic explorer emerges from the ice, a 2,000-year-old bog man turns up in an archeological dig, a man with dark secrets marries his lover's sister, a girl who disappears on a canoe trip haunts her friend many decades later. The richly layered stories in *Wilderness Tips* map interior landscapes shaped by time, regret, and lost chances, endowing even the most unassuming of lives with a disquieting intensity.
