Rowan Five years ago, I ruined the best thing I had in my life and ran. Now, I'm finally back to make things right. I need Circus's forgiveness, and then I can finally move on. I'll leave Sunbury for good this time and never look back. Maybe then I can finally live life as an out gay man-without my family ever finding out. But earning his forgiveness isn't as simple as I hoped it would be. He's going to make me fight for it. And I don't blame him at all. Circus I never wanted or expected to see Rowan Harvey again. When he shows up in Sunbury, begging for forgiveness, I'm tempted to give it to him just so he'll disappear. Instead, we make a deal. I need an extra model for a swimwear shoot, and none of my friends are available or fit the brief. I'll forgive him, if he helps me. Then he has to leave. For good. Because his request for anonymity during the shoot proves he's still living in his dark closet. I'm not going to make the same mistakes I did when I was a teenager. I won't let myself fall for him again. Because after how things ended

A new spin on the classic smart-girl-and-bad-boy setup, this witty contemporary romance shows how easily a friendship – even one built on an elaborate lie – can become so much more. Jenny meets Chance for the very first time when she is assigned as his partner in their Junior Oral Communications class. But after they rescue a doomed assignment with one clever lie, the whole school is suddenly convinced that Little-Miss-Really-Likes-Having-A's and the most scandalous heartbreaker in school have been best friends forever. It's amazing how quickly a lie can grow—especially when you really, really want it to be the truth. With Jenny, Chance can live the normal life he's always kind of wanted. And with Chance, Jenny can have the exciting teen experiences that TV shows and movies have always promised. Through it all, they hold on to the fact that they are “just friends.” But that might be the biggest lie of all.
