Tyson Fury est le champion du monde des poids lourds à ce jour toujours invaincu. Né et élevé à Manchester, Fury ne pesait que 500 grammes au moment de sa naissance prématurée de trois mois. Son père John l'a nommé Tyson en hommage à Mike Tyson. Le « Gypsy King » est invaincu en 28 combats professionnels, il en a remporté 27 dont 19, par K.-O.. Sa victoire la plus célèbre est survenue en 2015, quand il a étourdi le champion de longue date Wladimir Klitschko pour remporter les titres mondiaux WBA, IBF et WBO des poids lourds. Il a été forcé de rendre des ceintures en raison de problèmes de drogue, d'alcool et de santé mentale, et n'a plus combattu pendant plus de deux ans. La plupart pensait qu'il en avait fini avec la boxe pour toujours. Jusqu'à un incroyable combat pour

come-back face à Deontay Wilder en décembre 2018. Ce fut un classique instantané, Dans son autobiographie Tyson est incroyablement honnête et franc au sujet de sa santé mentale - de l'anxiété, la dépression et sa tentative de suicide, à la façon dont il surmonte maintenant la stigmatisation autour de ces problèmes pour les faire connaître du public.

Tyson Fury
Der Bestseller aus Großbritannien Seine Kämpfe gegen Wladimir Klitschko und The Bronze Bomber Deontay Wilder sind legendär, mit ihm ist Spannung im Ring

garantiert. Doch Drogenprobleme, umstrittene Äußerungen und der Kampf mit der Depression brachten den Absturz: vom Höhepunkt seines Erfolgs, bis zum dunkelsten Punkt seines Lebens war es nur ein kleiner Schritt. Heute hat er sich ins Leben zurückgekämpft und ist nach seinem Sieg gegen Wilder durch technisches K.o. WBC Weltmeister im Schwergewicht. Der Gypsy King erzählt von seinen spektakulären Erfolgen aber genauso schonungslos offen und selbstkritisch auch von Rückschlägen, Fehlern und schweren Zeiten. Vor allem aber vom Wiederaufstehen und Weitermachen. Im Ring und im Leben.

Deontay Wilder and Tyson Fury! Blurb

Boxing is always about more than the title fights. For Tyson Fury, born into a family of bare-knuckle fighters, realising his destiny as World Heavyweight Champion was only the start. There's a saying in the fighting arts that the greatest opponent is always yourself - which explains how Tyson Fury lost all of his titles without a punch being thrown. After years of drinking, drugs, and mental-health issues, he

first had to fight his way back into the ring - then on to a show-stopping return that nobody could've ever predicted.

Tyson Fury is colossal - six feet nine inches tall and a whisker under 20 stones in weight. He is spectacularly fast. He has a punch that could knock over a rhino and he can dance and weave like no one since the great Muhammad Ali. When he destroyed the fearsome Deontay Wilder in Las Vegas to become two-time world heavyweight champion in February 2020, the world held its breath. Fury was born in 1988 and named after Mike Tyson, who was then the world heavyweight champion. He comes from a long line of gypsy bare knuckle fighters, and his father, Gypsy John Fury,

and grandfather, Tiger Gorman, both fought as professionals. Tyson's success has not come easily, but he has fought the terrible battles of his personal life as bravely as those in the ring. In this extraordinary biography you will read how he overcame addiction to cocaine and alcohol and lost a staggering eight stone in weight to make his comeback. His bravery in talking about his mental health problems is an inspiration to many. Now he is happy and at the top of his game. There seems little doubt that, for Tyson Fury, Gypsy King of the World, the best is yet to come...

Life of Action Blurb

Fighting Back is the story of a different kind of boxing superstar - a hero for winning his battles outside as well as inside the ring. When he outpointed Wladimir Klitschko, on one of the greatest nights in British boxing history, Tyson Fury sat on top of the world. But 'The Gypsy King' soon discovered that being heavyweight champion wasn't all he had imagined. His own demons would prove harder to conquer than Klitschko. In the following months, Tyson drank and ate to excess, took drugs

and contemplated suicide. He seemed destined for an early grave. But, with the help of his family, Fury dealt with his issues and launched a boxing comeback - after shedding an incredible ten stones in weight! Fury eased back with a couple of straightforward wins. Then, in what appeared a foolhardy, if very brave, move, he challenged unbeaten KO specialist Deontay Wilder for the WBC heavyweight championship in Los Angeles. The humour-laden, heart-wrenching, inspirational story of a boxer who conquered the world, lost everything - and then got it back.

Tyson Fury and Deontay Wilder came to boxing on different paths. Wilder was a promising basketball and American football player and dreamed of playing in the NFL. Those dreams were shattered when his daughter was born with spina bifida and Wilder looked for a day job to help with her medical bills. He first stepped into a boxing gym aged nineteen and never looked back, winning bronze at the 2008 Beijing Olympics and knocking everybody out on his way to winning the WBC heavyweight

championship of the world. Born prematurely and fighting for his life, Fury's father John called his son after Mike Tyson, the at the time reigning heavyweight champion. Fury grew into a mountain of a man and followed the family tradition of prizefighting. The charismatic and outspoken Gypsy King breathed new life into British heavyweight boxing and got his wish to face and dethrone the dominant Wladimir Klitschko. After a three-year break in his career where Fury battled UKAD and faced his personal demons, he returned to the ring and challenged Wilder for his WBC title. Their three epic battles equalled the rivalries of Ali-Frazier and Holyfield-Bowe. *A Modern Day Rivalry* takes you from both men's early beginnings and tells the story of the heavyweight title during their ascendancy from professional debut to world title contenders. *Marabout* Are today's boxers better than their predecessors, or is modern boxing a shadow of its former self? Boxing historians discuss the socioeconomic and demographic changes that have affected the

quality, prominence and popularity of the sport over the past century. Among the interviewees are world-renowned scholars, some of the sport's premier trainers, and former amateur and professional world champions. Chapters cover such topics as the ongoing deterioration of boxers' skills, their endurance, the decline in the number of fights and the psychological readiness of championship-caliber boxers. The strengths and weaknesses of today's superstars are analyzed and compared to those of such past greats as Joe Louis, Sugar Ray Robinson, Jack Dempsey and Jake LaMotta. *How Does She Do It?* Random House Life and leadership lessons from the Special Forces, from the stars of Channel 4 series *SAS: Who Dares Wins* - including Sunday Times bestselling author of *FIRST MAN: LEADING FROM THE FRONT*, Ant Middleton Are you up to the challenge of SAS leadership? Only the best will succeed... Britain's SAS (Special Air Service) has an unparalleled reputation for soldiering excellence. Their skills and techniques have been

perfected in the most demanding environments imaginable, but many of these can also be used in our everyday lives. This book takes situations all of us will experience during our lives and presents tactical lessons drawn from SAS training and battlefield experience. Its four authors - stars of the hit Channel 4 show *SAS: Who Dares Wins* - how their finely honed understanding of how to handle extreme challenges can be applied in any environment. Their advice on negotiation, people management, self-motivation and resilience, among other things, can transform your performance in a whole range of scenarios: from buying a house, nailing a job interview, and the experience of dealing with rejection, to maintaining a diet, or managing that pushy colleague at work. This is the ultimate guide to leadership and personal achievement. [The Champion TYSON FURY Gypsy King](#) McFarland This is the story of a man who came from 10 generations of bare knuckle fighters and climbed right to the summit of boxing - at a time when nobody outside

his close circle gave him a chance. Tyson Fury went to Germany and took four world heavyweight titles from the unbeaten champion Wladimir Klitschko. It was an astonishing success that left the previously all conquering Klitschko camp gasping in disbelief. Tyson was born prematurely, a weak one pound baby whose survival was in doubt. His

father, who fought under the name Gypsy John Fury, took one look, predicted he would be heavyweight champion one day - and named him Tyson after world champion Mike. It all came true in one amazing night in Dusseldorf. Physically he's a giant, mentally he's a champion. Yet all his life he's been an outsider, a proud member of the Irish

travelling community. Now he's won the titles - he stays true to his values. Controversial and charismatic Tyson is a modern champion who links back to the very first, 19th century holder of the crown, the fabulous John L. Sullivan. This is a story with a difference and the biggest difference is Tyson himself. You'll relish getting to know more about him.
