When Averie agrees to sit in as the fourteenth guest at an exclusive dinner party to rescue the other attendees from bad luck, it's her who needs rescuing when all hell begins to break loose. Averie Cooke has never set foot on the old Faulkner plantation. She refuses because of the macabre history surrounding it, and the fact everyone says is haunted. A hundred and fifty years ago a slave by the name of Lunar Wilson was hung there. His lifeless body dangled in the breeze along with the Spanish moss. Later that same night, the petite southern belle, Emily Faulkner wrapped a thick rope around her delicate neck

and joined her lover in the afterlife. Legend says all hell broke loose after that. Unaware that their only daughter was hanging dead in the cupola, Emily's parents continued on with their festivities, gorging themselves on prime rib, and guzzling expensive wine. They were pretty drunk by the time Lunar's brothers burst inside the house slinging their hatchets, vindicating their brother's murder. They decapitated James Faulkner, his socialite wife Elizabeth and dismembered all eleven-dinner guest. The massacre was the bloodiest ever recorded. So why would Averie agree to sit at the same table, on the same night, a hundred and fifty years later? She needs the money that's why. However, she gets much more than she bargains for when she and another mysterious guest transports back to the year 1859, exactly one month before the fateful event. Things go from bad to worse when she discovers the only way back home is

to stop the hanging. Can she put her fear aside long enough to change the past? *Thirteen for Dinner* is a page turning thriller that will have you on the edge of your seat. Dealing with issues such as racism, slavery, hatred, and fear you'll discover the only weapon that has the power to damage them all is love.

"You either love Andrea Camilleri or you haven't read him yet. Each novel in this wholly addictive, entirely magical series, set in Sicily and starring a detective unlike any other in crime fiction, blasts the brain like a shot of pure oxygen. Aglow with local color, packed with flint-dry wit, as fresh and clean as Mediterranean seafood — altogether transporting. Long live Camilleri, and long live Montalbano." A.J. Finn, #1 New York Times bestselling author of *The Woman in the Window* A hail of bullets interrupts a period of dead calm. An elderly brother and sister open fire on the plaza below their apartment, punishing the people of Vigàta for their sins. News cameras capture Montalbano—gun in hand—as he scales the building to capture the ancient snipers. Inside he finds a nightmarish world of religious objects and a well-worn inflatable sex doll that will come back to haunt him. The Inspector is hailed as a hero after the televised adventure and calm returns. But Montalbano begins to receive cryptic messages in verse, challenging him to go on a "treasure hunt." Intrigued, he accepts, treating the messages as amusing riddles—until they take a dangerous turn.

Angel Doyle, semi-reformed thief and accidental P.I., is back for a second adrenaline-fueled adventure. Angel and her friend and sidekick, Sidney, are thrilled to get their first official assignment for the Omega Group, a super-secret international P.I. agency co-run by Angel's mother, former adult movie actress Desirée Chablis. The agency's mission: to recover a cache of stolen Egyptian artifacts for a prestigious auction house before an international gang of art thieves can sell them at a black-market auction. With just seventy-two hours to locate the cache, Angel and Sidney are eager to be in the thick of the action. Finally, Angel will get to prove to Luc, the annoyingly hot ex-military P.I., that she's just as skilled an investigator as he is. Instead, Desirée sidelines Angel and Sidney, making them bodyguards-babysitters for the auction house CEO's bratty teenage daughter. The only upside to the job is the gorgeous setting. Who can say no to a free stay at a luxurious chalet in the Swiss Alps? Anticipating a weekend of chocolate, cheese, and breathtaking views, the last thing Angel expects is to find a corpse in her bath. The duo soon faces an ambush, a snowmobile chase, and a literal ticking bomb. By the time Luc rolls up at the chalet, injured and expecting a peaceful recuperation, Angel and Sidney are knee-deep in

snowdrifts and dead bodies. Can they escape the mountain before the bomb triggers an avalanche?

This is the forth book by William White and deals with treasure  
 hunting lore and the actual treasure hunters who still walk the  
 upper reaches of the fabled Caballo Mountains. This will be the  
 last book dedicated exclusively to this Mountain Range. There will  
 be other stories no doubt, but not enough to fill a complete  
 volume with. William is a treasure hunter first, and a writer  
 second, and because of this, most of his stories come from actual  
 treasure hunting experiences. This book was designed to finish  
 off most of the untold stories that abound here. It would be pure  
 conceit to assert that all the treasure stories about the Caballo

Mountains are now committed to print. This is simply not true and  
 William would agree that these tales represent only those stories  
 that he is aware of. His style of writing is both entertaining and  
 informative in such a manner that one could easily relate to his  
 experiences. This is another book that will be difficult to put down  
 once one has started reading it. William is humbled by the fact  
 that so many people enjoy reading his books and says that it  
 fuels the fires of creative energy that causes him to continue his  
 work. The reader will find this an honest book with no punches  
 pulled for the sake of someone's feelings. It is uniquely William  
 White and I can almost hear him telling the stories as I read them  
 in print.
