 The Greatcoats have found the heir to the throne . . . but now they must keep her alive, against all the odds. 'These books are just joyous - first-rate fiction, first rate adventure, first rate full stop.' Conn Iggulden, author of The Golden Age series
 The Greatcoats have found the heir to the throne . . . but now they must keep her alive, against all the odds. Falcio Val Mond has completed the final task given to him by the late King Paelis: he has found the King's Charoites (well, one at least). But his task isn't over, and now he, Kest and Brasti must protect the girl from those her want her dead. 'Sebastien, write faster!' John Gwynne, author of the award-winning

series *The Faithful and the Fallen* That would be simple enough, if it weren't for the renegade Knights and legendary Dashini assassins, getting in their way, not to mention the Dukes, who are desperate to hold on to their power at any cost, or Trin, the merciless daughter of the ruthless Duke of Rijou and the cruel Duchess of Hervor, who is determined to be Queen of Tristia. Of course, the fact that the heir to the throne is thirteen years old doesn't help, nor the fact that every day brings Falcio closer to dying from the poison running through his veins. And then there is the Greatcoat's Lament
Spellslinger 2: Shadowblack Houghton Mifflin Harcourt
 Ten year old Ferius Parfax has a simple plan: kill every last inhabitant of the spell-gifted nation that destroyed her people, starting with the man who murdered her

parents. Killing mages is a difficult business, of course, so Ferius undertakes to study the ways of the Argosi: the loosely-knit tribe of tricksters known for getting the better of even the most powerful of spellcasters. But the Argosi have a price for their teachings, and by the time Ferius learns what it is, it may be too late. Perfect for fans of *The Dark Tower*, *Firefly*, *Guardians of the Galaxy*, Terry Pratchett, Ben Aaronovitch and Jim Butcher.

Gena and Finn would have never met but for their mutual love for the popular show *Up Below*. Regardless of their differences—Gena is a recent high school graduate whose social life largely takes place online, while Finn is in her early twenties, job hunting and contemplating marriage with her longtime boyfriend—the

two girls realize that the bond between them transcends fanfiction. When disaster strikes and Gena's world turns upside down, only Finn can save her, and that, too, comes with a price. Told through emails, text messages, journal entries, and blog posts, Gena/Finn is a story of friendship and love in the digital age.

The History of Terrorism Princeton University Press

'High energy, highly unique, swashbuckling-cop-epic-noir story. Buy it. BUY IT NOW' Sam Sykes The Greatcoats are back - and this time it's personal How do you kill a Saint? Falcio, Brasti and Kest are about to find out, as someone is doing just that, and they've started with a friend. The Dukes were already looking for ways to weasel out of their promise to put Aline on her father's throne - but with Saints turning up dead, and Church Inquistitors pushing for control - rumours are spreading that the Gods themselves oppose her ascension. The only way Falcio can stop the country turning into a vicious theocracy is to find and stop the Saint-killer - but his only clue is the iron mask encasing the head of the Saint of Mercy, which prevents her from speaking. And even if he can find the murderer, he will still have to face them in battle - and this may be a duel that no swordsman, no matter how skilled, can win.

A Tokyo college student's discovery and eventual obsession with a stolen handgun awakens something dark inside him. On a nighttime walk along a Tokyo riverbank, a young man named Nishikawa stumbles on a dead body, beside which lies a gun. From the moment Nishikawa decides to take the gun, the world around him blurs. Knowing he possesses the weapon brings an intoxicating sense of purpose to his dull university life. But soon Nishikawa's personal entanglements become unexpectedly complicated: he finds himself romantically involved with two women while his biological father, whom he's never met, lies dying in a hospital. Through it all, he can't stop thinking about the gun—and the four bullets loaded in its chamber. As he spirals into obsession, his focus is consumed by one idea: that possessing the gun is no longer enough—he must fire it.

must race against the clock to identify the next victim of a killer who will stop at nothing . . .

The Way of Kings Bantam

Following in the wake of his groundbreaking work *War in the Age of Intelligent Machines*, Manuel De Landa presents a brilliant, radical synthesis of historical development of the last thousand years. *A Thousand Years of Nonlinear History* sketches the outlines of a renewed materialist philosophy of history in the tradition of Fernand Braudel, Gilles Deleuze, and Félix Guattari, while engaging — in an entirely unprecedented manner — the critical new understanding of material processes derived from the sciences of dynamics. Working against prevailing attitudes that see history merely as the arena of texts, discourses, ideologies, and metaphors, De Landa traces the concrete movements and interplays of matter and energy through human populations in the last millennium. The result is an entirely novel approach to the study of human societies and their always mobile, semi-stable forms, cities, economies, technologies, and languages. De Landa attacks three domains that have given shape to human societies: economics, biology, and linguistics. In each case, De Landa discloses the self-directed processes of matter and energy interacting with the whim and will of human history itself to form a panoramic vision of the West free of rigid teleology and naive notions of progress and, even more important, free of any deterministic source for its urban, institutional, and technological forms. The source of all concrete forms in the West's history, rather, is shown to derive from internal morphogenetic capabilities that lie within the flow of matter—energy itself. A Swerve Edition.

The Kite Runner Routledge

The Violence of Modernity turns to Charles Baudelaire, one of the most canonical figures of literary modernism, in order to reclaim an aesthetic legacy for ethical inquiry and historical critique. Works of modern literature are commonly theorized as symptomatic responses to the trauma of history. In a climate that tends to privilege crisis over critique, Debarati Sanyal argues that it is urgent to rethink literary experience in terms that recall its contestatory potential. Examining Baudelaire's poems afresh, she shifts the focus of critical attention toward an account of modernism as an active engagement with violence, specifically the

violence of history in nineteenth-century France. Sanyal analyzes a literary current that uses the traditional hallmarks of modernism—irony, intertextuality, self-reflexivity, and formalism—to challenge the historical violence of modernity. Baudelaire and the committed ironists writing in his wake teach us how to read and resist the violence of history, and thereby to challenge the melancholy tenor of our contemporary "wound culture." In a series of provocative readings, Sanyal presents Baudelaire's poetry as an aesthetic form that contests historical violence through rhetorical strategies of complicity, counterviolence, and critique. The book develops a new account of Baudelaire's significance as a modernist by dislodging him both from his traditional status as a practitioner of "art for art's sake" and from his more recent incarnation as the poet of trauma. Following her extended analysis of Baudelaire's poetry, Sanyal in later chapters considers a number of authors influenced by his strategies—including Rachilde, Virginie Despentes, Albert Camus, and Jean-Paul Sartre—to examine the relevance of their interventions for our current climate of trauma and terror. The result is a study that underscores how Baudelaire's legacy continues to energize literary engagements with the violence of modernity.

"The Lynley books constitute the smartest, most gratifyingly complex and impassioned mysteries now being published."—Entertainment Weekly The career of playwright Joy Sinclair comes to an abrupt end on an isolated estate in the Scottish Highlands when someone drives an eighteen-inch dirk through her neck. Called upon to investigate the case in a country where they have virtually no authority, aristocratic Detective Inspector Thomas Lynley and his partner, Detective

Sergeant Barbara Havers, grapple for both a motive and a murderer. Emotions run deep in this highly charged drama, for the list of suspects soon includes Britain's foremost actress, its most successful theatrical producer, and the woman Lynley loves. He and Havers must tread carefully through the complicated terrain of human relationships while they work to solve a case rooted in the darkest corners of the past and the unexplored regions of the human heart.

The sole survivor of a brutal crime, Reece Gilmore is on the run, desperately fighting the panic attacks and the nightmares that haunt her. She doesn't intend to stay in the sleepy town of Angel's Fist one second longer than she needs to, despite its friendly - if curious - inhabitants, and the irresistible attraction of local writer Brody. However, on a hike into the mountains she witnesses a couple having a vicious argument that culminates in murder. Faced with a lack of evidence, the authorities in Angel's Fist find it hard to believe Reece's story. But when a series of menacing events prove that someone wants her out of the way, Reece must put her trust in Brody - the one person who does believe her - to find the murderer before it's too late.

Meg's expecting twins---any minute!---in this next hilarious entry in the award-winning, New York Times bestselling series! Meg is eight and a half months pregnant with twins when Michael asks if she wouldn't mind another houseguest. One of his doctoral students is directing his new translation of a play by a minor Spanish playwright, and the playwright has agreed to come to town for the production. Senor Mendoza turns out to be a drinker, a smoker, and an inveterate partygoer. Before long, Meg's kitchen is

filled with the smells of Spanish food and the voices of all the wilder souls in both the drama and Spanish departments. Into this chaos arrive two prune-faced administrators, the dean of the English department and a man from the college president's office, who say that the play must be canceled. When the dean is found murdered, Meg's house becomes a crime scene, and the only way to restore peace is to help Chief Burke solve the murders---while rescuing the student's dissertation and Michael's tenure---all before dashing off to the hospital to give birth to her twins! The one and only Donna Andrews continues to surprise and delight in this next knee-slapping adventure featuring Meg Langslow and all the eccentric characters that make up her world.

Born On A Blue Day HarperCollins

A journey into one of the most fascinating minds alive today—guided by the owner himself. Bestselling author Daniel Tammet (*Thinking in Numbers*) is virtually unique among people who have severe autistic disorders in that he is capable of living a fully independent life and able to explain what is happening inside his head. He sees numbers as shapes, colors, and textures, and he can perform extraordinary calculations in his head. He can learn to speak new languages fluently, from scratch, in a week. In 2004, he memorized and recited more than 22,000 digits of pi, setting a record. He has savant syndrome, an extremely rare condition that gives him the most unimaginable mental powers, much like those portrayed by Dustin Hoffman in the film *Rain Man*. Fascinating and inspiring, *Born on a Blue Day* explores what it's like to be special and gives us an insight into what makes us all human—our minds.
