*A Practical Approach to Landlord and Tenant* BoD – Books on Demand

This new work, a successor to the author's earlier book (co-written with Geoff Gilbert) *Landlord and Tenant Law: The Nature of Tenancies* (1995), though now the work of a single author and completely up-dated and rewritten, shares the same aim of setting leases in their wider context by weaving together matters of law and policy. The book provides a clear understanding of the main principles of landlord and tenant law in each sector. The style of this book is distinctive. First of all, it explains the law of landlord and tenant law by showing how the statutory and common law rules have been shaped by wider commercial, social, economic and policy considerations, by the growth in human rights law and by changing concepts of community and justice. The other innovative feature of the book is that the law is explained by reference to the different stages of the relationship; entering a lease, regulating leases, managing leasehold property, and so on. The stages of the relationship provide the structure for the book. Most landlord and tenant books set out the 'common law' rules in the opening chapters and then deal with the legislative regime for each individual sector later in the book. By instead setting the law in the different stages of the relationship, this book is able to show where the shared issues faced by landlord and tenant receive a common legal response, and where the different context of the leasehold relationship has led to a variety in legal rules.

Landlord and tenant law is now very different from the common law of 100 years ago. In describing the modern law (or laws), the unique style of this book enables the reader to see how the commonalities and the contrasts between the law in the different sectors can be explained by reference to the way that leases are differently used and regulated.

*Landlord and Tenant Law in a Nutshell* Routledge

Reprint of the original, first published in 1871. The publishing house Anatiposi publishes historical books as reprints. Due to their age, these books may have missing pages or inferior quality. Our aim is to preserve these books and make them available to the public so that they do not get lost.

**The History of the Law of Landlord and Tenant in England and Wales** BoD – Books on Demand

*A Guide to Landlord and Tenant Law* provides a strong foundation in commercial landlord and tenant, and housing law. The book is designed to provide a complete course text for both undergraduate and postgraduate students from surveying and real estate management backgrounds. This clear and accessible textbook aims to introduce the reader to the fundamentals of both residential and commercial landlord and tenant law by considering the nature of the tenancy and the relationship between the parties. It examines the main elements of the commercial lease including rent, repair, alienation, termination and statutory renewal. The main types of residential tenancy are also considered including: assured and assured shorthold tenancies, secure and Rent Act tenancies and long leasehold enfranchisement. The book aims to familiarise the reader with the contractual documentation as well as the common law and statutory codes which form the basis of landlord and tenant transactions. It contains useful features

such as: extracts from the Model Commercial Lease key case summaries, a glossary and chapter summaries further reading lists In addition, students on the Legal Practice Course and Bar Professional Training Course will find this to be a useful supplementary resource as will professional surveyors and lawyers looking for a refresher on the latest landlord and tenant law.

**The Laws Relating to Landlords and Tenants** Oxford University Press, USA

Reprint of the original, first published in 1860.

[A Manual of the Law of Landlord and Tenant \(1878\)](#) Straightforward co Ltd

Clear and comprehensive, Landlord and Tenant Law examines the current law with an eye to possible reforms whilst drawing attention to matters of legal policy where relevant.

[The Law of Landlord and Tenant](#) Hart Publishing

First published in 1797, this book is a comprehensive guide to the laws governing landlords, tenants, and lodgers in England. It provides a detailed overview of the legal requirements for each party, as well as practical advice on how to handle common disputes. This is an essential resource for anyone involved in the rental market or interested in landlord-tenant law. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

[Woodfall's Law of Landlord and Tenant](#) Bloomsbury Publishing

Now in its sixth edition, A Practical Approach to Landlord and Tenant continues to provide a comprehensive and systematic guide to the principles and practice of landlord and tenant law. Containing coverage of up to date cases, as well as key documents, this book provides a valuable introduction for students and professionals alike.

[Hill and Redman's Law of Landlord and Tenant](#) Legare Street Press

"This well-written and thoroughly researched book is essential reading for anyone interested or involved in property law or in English legal history.

The main text and the footnotes both contain fascinating information. Mark Wonnacott's book throws illuminating shafts of light on the political, economic, social, and religious history of this country, as well as its legal history." --LORD NEUBERGER OF ABBOTSBURY, M.R. Who has not been a landlord or a tenant? It is one of the most common legal relationships between people, and has been since the medieval period. But there is very little academic interest in the law of landlord and tenant. Nobody before has attempted to write its history. This book shows how the rules on each point of importance have developed. Sometimes it demonstrates how a wrong turn has been taken, or an important principle forgotten. But its practical use is to provide the material for understanding the old cases, and to put those cases in their proper context; for it is hard for any lawyer, advising on a doubtful point, to say where exactly we are now, without a thorough understanding of what the law once was and how and when it might have changed. The historical development of the rules about granting leases, their different types, the rents, covenants and conditions which can be attached to them, their alienation and termination, and the forms of action used to enforce them, are all explained in this book. MARK WONNACOTT is a barrister at Maitland Chambers in Lincoln's Inn, London, specialising in property litigation. If it is attached to the ground, he litigates about it, and the dustier corners of land law are his particular favourite. He was counsel for the successful appellant in Berrisford v. Mexfield Housing Co-operative Ltd. [2011] UKSC 52, which revived the rule that a tenancy for an uncertain term is a defeasible lease for life. When not in court or writing law-books, he is collecting or repairing them, or trying to learn Italian, without much success, or appreciating wine, with somewhat more success. His previous publications include Drafting Property Pleadings (EMIS Professional Publishing, 1997) and Possession of Land (Cambridge University Press, 2006).

[A Guide to Landlord and Tenant Law](#) Legare Street Press

The Landlord and Tenant Act 1954 is by far the most important piece of legislation affecting premises occupied for business purposes. A good understanding of the workings of the Act is vital for anyone advising landlords or tenants of business premises. The authors of this guide are both experienced barristers with expertise in the field. Their aim has been to produce a comprehensive, one-stop-shop, practical guide to the 1954 Act and associated areas of practice covering (amongst other topics): When the Act applies How to contract out of the Act How claims for a new tenancy (or termination) are brought, together with detailed guidance as to the court procedures required by the Civil Procedure Rules Detailed practical guidance to all the grounds on which a landlord may seek to resist a claim for a new tenancy, with treatment of recent case law and Guidance as to the technical area of claims for an interim rent Notices under the Act and guidance in relation to service The terms of a new tenancy Claims for compensation for improvements under the Landlord and Tenant Act 1927 Dilapidations Termination at common law This book is likely to be an invaluable guide for solicitors, barristers or surveyors working in this area. CHANGES SINCE THE FIRST EDITION The text since the first edition has been reviewed and fully updated. The chapters on Ground F and Ground G have been revised to reflect the important Supreme Court decision in S Franses Ltd v Cavendish Hotel (London) Ltd [2018] UKSC 62. The chapter on contracting out of the provisions of sections 24 to 28 of the Landlord and

Tenant Act 1954 now includes a discussion of TFS Stores Ltd v Designer Retail Outlet Centres (Mansfield) General Partner Ltd [2021] EWCA Civ 688. The chapter on forfeiture has been significantly amended to include recent developments in the law, including the Court of Appeal decisions in Faiz v Burnley BC [2021] EWCA Civ 55 and Brar v Thirunavukkrasu [2019] EWCA Civ 2032. The decision in Fast Drinks Ltd v Cetyl International Group Inc [2016] EWHC 3501 (QB) on the validity of Section 26 notices has been incorporated. Throughout, the authors have included reference to recent High Court and other first instance or appellate decisions since the first edition, as well as revising and clarifying other parts of the text to reflect the new authorship team.

*A Treatise on the Law of Landlord and Tenant; with an Appendix Containing Forms of Leases* West Academic Publishing

"This book is a comprehensive guide that provides an expert explanation of the rules that govern the legal relations between landlords and tenants. It describes the exceptions to these rules and explores the underlying reasons for them. The book also reviews the creation, duration, and termination of several types of tenancies; termination of leases before expiration; repairs and improvements; transfers; extensions, renewals, and purchase options; rent and security; and insurance and taxes."--Publisher website.

[A Treatise on the Law of Landlord and Tenant](#)

Guide to Landlord and Tenant Law, third edition, is a comprehensive guide to all aspects of the law as it relates to property ownership. The book will enable the reader to understand this complex area and to understand more fully the law as it relates to ownership and leasing of residential and commercial property.

*Landlord and Tenant Law in a Nutshell*

This comprehensive guide provides expert explanations of the rules that govern the legal relations between landlords and tenants. It describes exceptions to these rules and explores the underlying reasons for them. The text also reviews the creation, duration, and termination of several types of tenancies; terminating leases before expiration; repairs and improvements; transfers; extensions, renewals, and purchase options; rent and security; and insurance and taxes.

**A Compendium of The Law of Landlord and Tenant**

Landlord and Tenant Law contains summaries, exercises and workshops to help the reader to make sense of a complex area of Law. This is an extensively revised fifth edition of this popular text, particularly in terms of its coverage of the effects of covenants in leases and also in an expanded section on business tenancies.
