Best known for directing the Impressionist classic *The Smiling Madame Beudet* and the first Surrealist film *The Seashell and the Clergyman*, Germaine Dulac, feminist and pioneer of 1920s French avant-garde cinema, made close to thirty fiction films as well as numerous documentaries and newsreels. Through her filmmaking, writing, and cine-club activism, Dulac's passionate defense of the cinema as a lyrical art and social practice had a major influence on twentieth century film history and theory. In *Germaine Dulac: A Cinema of Sensations*, Tami Williams makes unprecedented use of the filmmaker's personal papers, production files, and archival film prints to produce the first full-length historical study and critical biography of Dulac. Williams's analysis explores the artistic and sociopolitical currents that shaped Dulac's approach to cinema while interrogating the ground breaking techniques and strategies she used to critique conservative notions of gender and sexuality. Moving beyond the director's work of the 1920s, Williams examines Dulac's largely ignored 1930s documentaries and newsreels establishing clear links with the more experimental impressionist and abstract

works of her early period. This vivid portrait will be of interest to general readers, as well as to scholars of cinema and visual culture, performance, French history, women's studies, queer cinema, in addition to studies of narrative avant-garde, experimental, and documentary film history and theory.

In *Reaching Beyond*, Buddhist thinker and activist Daisaku Ikeda explores the origins, development, and international influence of jazz with legendary

artists Herbie Hancock and Wayne Shorter. Reflecting on their lives and careers, Mr. Hancock and Mr. Shorter share the lessons they have learned from their musical mentors, including Miles Davis and Art Blakey, and how the Buddhist philosophy they've learned from President Ikeda over the past forty years deeply resonates with the emancipatory spirit of jazz. These wide-ranging conversations include such thought-provoking topics as:

- Music's mission for peace in a time of discord
- The importance of the artist's spiritual growth
- The Buddhist concept of changing poison into medicine
- Ways to make the "ideal America" a reality for everyone

Reaching Beyond offers positive new ideas for musicians and nonmusicians alike.

A powerful post-apartheid novel and winner of South Africa's M-Net Literary Award, hailed by J.M. Coetzee as "a tremendous achievement." South Africa, 1991: Nelson Mandela is freed from prison, the African National Congress is now legal, and a new day dawns in Cape Town. David Dirkse, part of the underground world of activists, spies, and saboteurs in the liberation movement, suddenly finds himself above ground. With "time to think" after the unbanning of the movement, David searches his family tree, tracing his bloodline to the mixed-race "Coloured" people of South Africa and their antecedents among the indigenous people and early colonial settlers. But as David studies his roots, he soon learns that he's on a hit list. Now caught in a web of surveillance and betrayal, he's forced to rethink his role in the struggle for "nonracial democracy," the loyalty of his "comrades," and his own conceptions of freedom. Mesmerizing and multilayered, Wicomb's award-winning novel delivers a moving examination of the nature of political vision, memory, and truth. "A delicate, powerful novel, guided by the paradoxes of witnessing the certainties of national liberation and the uncertainties of ground-level hybrid identity, the mysteries of sexual exchange, the austerity of political fiction. Wicomb's book belongs on a shelf with books by Maryse Condé and Yvette Christiansë." —Gayatri Chakravorty Spivak, author of *A Critique of Postcolonial Reason*

Feminism has dramatically influenced the way literary texts are read, taught and evaluated. Feminist literary theory has deliberately transgressed traditional boundaries between literature, philosophy and the social sciences in order to understand how gender has been constructed and represented through language. This lively and thought-provoking Companion presents a range of approaches to the field. Some of the essays demonstrate feminist critical principles at work in analysing texts, while others take a step back to trace the development of a particular feminist literary method. The essays draw on a range of primary material from the medieval period to postmodernism and from several countries, disciplines and genres. Each essay suggests further reading to explore this field further. This is the most accessible guide available both for students of literature new to this developing field, and for students of gender studies and readers interested in the interactions of feminism, literary criticism and literature.

Nowadays thousands of grammar books, textbooks, outlines, references and language guides of Spanish, Portuguese, Italian and French are published year by year. However, all of them teach these languages separately. Here you will find a comparative grammar of the four major Romance languages together based on their grammatical and lexical similarities for you, lovers of foreign languages, to learn and compare Spanish, Portuguese, Italian and French simultaneously. It is an audacious endeavor to find or create a novel way of learning to speak several languages and becoming a multilingual person. It took me over 3 years to finish the book. It consists of over 800 pages, 10 chapters covering all the grammatical aspects of these 4 languages. It includes over 1000 examples, 500 easy-to-follow charts and tables. It contains 138 geographical, historical and cultural facts about Spanish, Portuguese, Italian and French countries. Below I will discuss several reasons why I decided to write this book and why you need it. 1) First of all, this book is written for readers like you who are fond of or would like to learn Spanish, Portuguese, Italian and French simultaneously or just to get an all-round knowledge of all these four Romance languages. It is designed not only for beginners who do not have an extensive knowledge of grammar, yet need a guide through the grammatical concepts of all mentioned above languages, but also intermediate and advanced students who would like to have a reference book of several Romance languages at once. 2) Second of all I spent many years learning these languages separately, which was a complete waste of time before I realized it. This book will hopefully save you a great deal of time and allow you to study and compare at a glance the four main Neo-Latin languages. 3) Knowledge of foreign languages is fast becoming a necessary requirement for those who are involved in international business, tourism, culture and education. This book offers you four languages to learn, which will make you feel at homewherever you go, whether as a tourist or businessman. 4) Learning several languages simultaneously or one by one will train and strengthen your memory and can help stave off such terrible diseases as Alzheimer's. 5) If you have never studied several languages at once before and you like challenges, then you should definitely try it. Because it is a really entertaining and challenging task to do. In conclusion, I would like to sincerely thank you for preordering the book and your interest in it. I hope it will help you improve your languages and become multilingual.

At thirty-seven, Christine Moore had a world-class case of burnout: frustrating career, a few dead-end romances, and a less-than-perfect figure. Little did she know her life was about to change completely.... "Come out of the shadows, Christine. You've spent far too much time hiding in shadows." The man who spoke to her was gorgeous -- long sable hair, faded T-shirt, black motorcycle jacket -- all astride a 1340cc Harley-Davidson, mysteriously parked on a moonlit beach near her home. Christine was inexplicably drawn to this stranger -- who seemed to know everything about her -- and as a sweet serenity settled over her, she surrendered to his words: "We have a lot of work to do, but it won't feel like work. It will feel quite wonderful." So begins Christine's journey, a voyage of the spirit that frees her to appreciate each precious moment of life -- and reveals to her six wondrous precepts that lead to the deepest peace and fulfillment we can ever know. For every woman whose heart has ever been broken, but who believes in her soul that real happiness can be found, *God On A Harley* has arrived. Need a lift?

Poetry. Bilingual Edition. Translated from the Italian by Luigi Bonaffini. *THE BEDROOM* [La camera da letto] is Bertolucci's best-known work, so popular that the poet once read it to television viewers on a seven-hour program. It is a narrative poem that traces the history of the poet's family across seven generations with directness, precision and attention to everyday details, major events and fantastic surprises. Paolo Lagazzi writes in his introduction: "THE BEDROOM is a sort of a multi-novel, or a distillation of very diverse narrative forms and intuitions: a Bildungsroman and fairytale, an epoch novel, a novel-chronicle, a dramatic novel and a picaresque novel. An experimental work in the most authentic sense of the word..."

"Nothing of time's essence escapes or is neglected by the author's ravenous sensibility, no less active in recording the multiple places in which existence rests (the city and the countryside, the sea and the plane, the Po river and the Maremma) in an exuberant display of forms, lights, perspectives, tonalities." —Luigi Ferrara

On these pages you will discover that during His time on earth, Jesus was not only a Jew, but a trained and qualified Rabbi--who had verified authority to be the leading teacher of His day. Where was Jesus from age 12 when He was in the temple, until we find Him at age 30 being baptized by John the Baptist? Why did they call Him Rabbi? By what authority did Jesus teach in a synagogue? Why did He command such a great following? Says the author, "As a follower of Christ, what you are about to discover will help establish a cultural context that will enable you to clearly interpret the teachings of God's Son."
