## **Immortal Plague**

Createspace  
Independent Pub  
William Barrow carries  
a dark secret. A very  
dark secret. An  
archivist for the  
Smithsonian Institute  
and also a part-time  
operative for the CIA,  
no one would ever  
suspect the handsome  
'thirty-ish' William is in  
fact the most reviled  
human being to ever

walk the earth. His  
infectious warmth and  
sense of humor make  
such an assertion  
especially hard to  
believe. But long ago,  
William Barrow had  
another name...one  
that is synonymous  
with shame and  
betrayal: Judas Iscariot.  
Forced to walk the  
earth as a cursed  
immortal, William/Judas  
is on a quest to reclaim  
the thirty silver shekels  
paid to him in  
exchange for Jesus  
Christ. Twenty-one

coins have now been recovered-thanks in large part to the help from his latest son, the esteemed Georgetown University history professor, Alistair Barrow. Ever hopeful the complete coin collection will buy him a full pardon from God and end his banishment from heaven, William plans a visit to a remote village deep within Iran's Alborz Mountains to retrieve 'silver coin number twenty-two'. But the CIA has a different objective for this trip, one that pits both father and son against an unscrupulous Russian billionaire searching for something else that's just as precious within the ancient mountains of Iran...something that threatens peace in the modern world if

William and Alistair fail to reach it first.
