Activities(R) for bridging
grades 3-4 is designed
specifically for preparing
Canadian third-grade
students for the new year
ahead. Reviewed by

Canadian teachers and
students, this workbook
features daily activities in
reading, writing, math,
and language arts plus a
bonus section focusing on
character development
and healthy lifestyles. The
exercises are easy to
understand and are
presented in a way that
allows your child to review
familiar skills and then be
progressively challenged
on more difficult subjects.

Give your children the
head start they deserve
with this fun, easy-to-use,
award-winning series, and
make learning a yearlong
adventure! 160 full-colour
perforated pages and an
answer key.
So Many Boots Page
Publishing Inc
A brilliant American
combat officer and this
country's most famous
traitor, Benedict Arnold is
one of the most

fascinating and complicated people to emerge from American history. His contemporaries called Arnold "the American Hannibal" after he successfully led more than 1,000 men through the savage Maine wilderness in 1775. The objective of Arnold and his heroic corps was the fortress city of Quebec, the capital of British-held Canada. The epic campaign is the subject of Benedict Arnold's Army, a fascinating campaign to bring Canada into the war

as the 14th colony. The initiative for the assault came from George Washington who learned that a fast moving detachment could surprise Quebec by following a chain of rivers and lakes through the Maine wilderness. Washington picked Col. Benedict Arnold, an obscure and controversial Connecticut officer, to command the corps who signed up for the secret mission. Arnold believed that his expedition would reach Quebec City in twenty days. The route

turned out to be 270 miles of treacherous rapids, raging waterfalls, and trackless forests that took months to traverse. At times Arnold's men were up to their waists in freezing water dragging and pushing their clumsy boats through surging rapids and hauling them up and over waterfalls. In one of the greatest exploits in American military history, Arnold led his famished corps through the early winter snow, up and over the Appalachian Mountains, and on to Quebec.

Benedict Arnold's Army covers a largely unknown but important period of Arnold's life. Award-winning author Arthur Lefkowitz provides important insights into Arnold's character during the earliest phase of his military career, showing his aggressive nature, need for recognition, experience as a competitive businessman, and his obsession with honor that started him down the path to treason. Lefkowitz extensively researched Arnold's expedition and made

numerous trips along the same route that Arnold's army took. Benedict Arnold's Army also contains a closing chapter with detailed information and maps for readers who wish to follow the expedition's route from the coast of Maine to Quebec City. There is a growing interest in the Founding Fathers and the Revolutionary War as a source of national pride and identity and the Arnold Expedition as told through Benedict Arnold's Army is one of the greatest adventure stories

in American history. Arthur S. Lefkowitz lives in central New Jersey Scouting Good Year Books It's as easy to use as modeling clay. Fire it, and it turns to pure silver: It's metal clay magic! Nana Mizushima's playful approach shows how this fantastic medium allows anyone to craft items in silver. Features more than 25 imaginative, appealing projects for beads, earrings, pendants, bookmarks, pet tags, little boxes, origami, and more. *Footprints* HarperCollins UK

Benedict Arnold's Army
Taylor & Francis
Join Author and Paranormal Investigator Alice Carpenter, Along With Her Cohorts, Twila, Granny, Trucker, and Miss Molly, on Their First Three Ghostly Murder

Adventures, Plus a Bonus Novella Novella: Dead Man Love (Series Prequel - Bonus Content) It's Mardi Gras in party city where fate unites author and paranormal investigator Alice Carpenter and the gorgeous Cajun detective Jack Roucheau over a newly dead body. There are a couple of other murders to solve, too; Billy Ray, a mystery writer who is the latest victim of a voodoo curse, and Elvira, once a voodoo queen in Storyville. Book 1: Dead Man Talking

Author and paranormal investigator Alice Carpenter is well-practiced at disciplining the ten resident ghosts in her lakeside log cabin near Six Gun, Texas. When her cousin Katy calls looking for help with Sir Gary Gavin, the resident ghost at Esprit d'Chene Plantation, the family mansion near Jefferson, Texas, Alice agrees to come to her rescue. Book 2: Dead Man Haunt When Patrick, a gorgeous naked ghost, reaches out to author and paranormal investigator

Alice Carpenter and her cohorts for help, the small town of Mineral Springs, Texas, will never be the same. In exchange for helping him journey to the hereafter, Patrick leads Alice into a crumbling historical hotel, where she discovers a new murder—a woman severed in half at the bottom of an elevator shaft. Book 3: Dead Man Hand Alice, Twila, Granny, Jack, Trucker, and Miss Molly are smack dab in the middle of another murder investigation, this time in a haunted hotel in

Red Dollar, New Mexico. The villain is armed with Black Magic, and there's no escape for anyone during the ice storm. From the Publisher: Cozy mystery fans and readers who enjoy amateur sleuths, ghosts and a supernatural twist will enjoy this fun series of mysteries with its cast of colorful characters. "Dead Man Talking is grisly fun! T. M. Simmons is the finest, funniest writer about Texas I've ever read."~Alice Borchardt, author of Raven Warrior "With ghosts practically

outnumbering live characters, this entertaining romp...is certainly worth a gander." ~Library Journal "All this supernatural phenomena resides inside a delightful who-done-it." ~Harriet Klausner, Reviewer A
 Dead Man Mystery Series:
 Dead Man Talking
 Dead Man Hand
 Dead Man Ohio
 Dead Man Love (Novella)
 About the Author: T. M. Simmons lives in a haunted house on the edge of the East Texas Piney Woods, which she and her husband share

with a variety of pets and paranormal residents. In between writing cozy mysteries and other stories, she delights in scaring herself silly during otherworldly encounters and visits haunted buildings and graveyards during both dark and full moons. Her husband goes along sometimes to protect her from the bumps in the night, although he's been known to spy a ghost and retreat rather than confront. She also pursues paranormal entities with her own real-life Twila, Aunt Belle

Brown, and they are Lead Investigators of the Supernatural Researchers of Texas paranormal investigative team. SRT's motto is, "Leave Peace Behind," and the team seeks to leave peace for the people who are dealing with troubled hauntings, as well as for the ghosts. Simmons is extremely willing to discuss her experiences with anyone she can corner.

Our Dumb Animals
ePublishing Works!
Beatrice the beaver discovers the footprints of several different animals. It's up to her--and the kids

who study each illustration--to figure out which animal left each of the prints. The charming "Animal Detectives" series of funny animal stories will appeal to every toddler's budding instinct for detection Each book follows its own "whodunit" story line, and each is filled with appealing animal characters. Kids look for details in a succession of delightful illustrations and try to guess which animal is responsible for each unusual happening. Boys and girls will want to have

these books read to them again and again--and grownups will be happy to oblige. Humorous, full-color illustrations brighten every page.

Kalmbach Books

I quite fancy a pet - an African lion or an octopus or even a boa constrictor.

The trouble is, Mum and Dad and Granny and

Grandad all have

objections to pets.

Grandad says that sheep are forever following you around; Dad says wolves

give him a headache; and Mum says she'll cancel

tea-time if I mention bats in the wardrobe again. So

I must try to find a pet

that none of them will mind. What could I have?. Lauren Child's deliciously droll riddle of a text, accompanied by her own delightful and wacky illustrations, is sure to raise chuckles with grown-ups and children alike.

Add this learning resource to your book collection today! **I Want a Pet** Baby Professor (Education Kids) An outstanding work crafted from the handwritten pages of translations from the Navajo of the late Father Berard Haile giving three separate versions of the Blessingway rite with each version consisting of a prose text accompanied by the ritual songs and

prayers. Valuable insights into the character and use of the Blessingway rite; its ceremonial procedures, its mythology, and its drypaintings.

Time to Eat the Dog?

Gryphon House, Inc. English File's unique, lively and enjoyable lessons are renowned for getting students talking. In fact, 90% of English File teachers we surveyed in our impact study found that the course improves students' speaking skills. *Footprints of Famous Men* Sterling Publishing Company, Inc.

When the farm animals are frightened by large footprints in the snow, Detective Dog sets out to discover who left them. *Notebook* Book Publishing Company (TN) Riding, training and caring for horses are visceral experiences that require the immersion of both body and mind. This book provides an in-depth understanding of human-horse relationships and interactions as embodied in equestrian sport and leisure. As a closely focused ethnographic

study of the horse world, it explores the key themes of partnership and collaboration in human-horse communication, the formation of individual and collective identities performed through involvement in the horse world, and human-horse interaction as an embodied way of being. This book argues that encounters between humans and horses can reveal the ways that human society has been and continues to be structured through

intersection with nonhuman others. Equestrian sport and leisure provides an apt context for considering how such concepts of interspecies communication and collaboration are negotiated, managed, (mis)understood and performed, resulting in a uniquely embodied way of knowing and being in the world. *Human-Animal Relationships in Equestrian Sport and Leisure* is fascinating reading for anyone interested in

equestrianism, human-animal studies, theories of embodiment, the sociology of sport, or sport and social theory. [Whose Footprints Are These? a Field Guide to Identifying Footprints - Animal Book 3rd Grade Children's Animal Books](#) Savas Beatie
Contains more than six hundred circle time and

group activities designed by teachers to use with children three to six years old, each including a suggested age, a list of materials, and step-by-step directions, and features lists of related books, songs, and poems. *The American Bookseller* Blue Sky Press
A stirring action-adventure story about two

very different boys whose lives unexpectedly cross. When they stumble upon a badger-baiting plot by dangerous criminals, they need to overcome their differences and fears to help each other and save the badgers. A story about being the person you can be, not the person you are expected to be.
