Church Festival Decorations: Comprising Directions and Designs for the Suitable Decoration of Churches for Christmas, Easter, Whitsuntide. Illustrated Concordia Publishing House

Drawn from 30 years of her own banner-making and design, the author has compiled more than 70 of her best designs for this book. The patterns are simple and the techniques for construction are straightforward, requiring no special skills beyond those used by the quilters and crafters of any congregation. The key to making beautiful, eye-catching banners, according to the author, is the choice of colors and fabrics.

African Voices Church Publishing, Inc.

A practical guide to help you create beautiful and expressive processional banners for use in the liturgy, Sunday by Sunday, throughout the seasons of the church's year. Also includes guidance on using banners in the celebrations of baptism, confirmation, first communion, marriage and ordination, as well as on other special occasions in the life of the congregation. *Banners for Visual Worship* Church Banner Designs Drawn from 30 years of her own banner-making and design, the author has compiled more than 70 of her best designs for this book. The patterns are simple and the techniques for construction are straightforward, requiring no special skills beyond those used by the quilters and crafters of any congregation. The key to making beautiful, eye-catching banners, according to the author, is the choice of colors and fabrics. *Celebrate the Church* Provides material that can be used for private meditation or public worship. This book spans the whole breadth of Celtic Christianity - from liturgies and prayers to the stories of Celtic saints and Celtic artwork. It includes liturgies for different times of the day, for personal use at home or in larger groups; liturgies for different occasions, for example baptism, marriages and funerals; prayers for at home, at work or on pilgrimage; stories from the saints; artistic activities, including Celtic crosses and stitching patterns; and practical advice on planning pilgrimages. *Church and People in Interregnum Britain* Taylor & Francis This book focuses on second half of the twentieth century, for strange things have been happening in the church. It aims to show something of the origins and use of the vestments themselves, and to trace the development of their decoration in the context of the arts.

Raise the Banners High! Canterbury Press

When God gave us the Holy Scriptures He concealed beneath the surface a vast wealth of spiritual truths for His people. In the tabernacle, its furniture, and its service, God has hidden an inexhaustible mine of precious spiritual truths. For years many of us have passed over this hidden wealth, unconscious of its existence. But all the time it has been there awaiting our discovery. Elder Jones has listed the significance of 17 Bible numbers and gives us the meanings of the materials of the tabernacle, such as gold, silver, brass, blue, purple, scarlet, fine linen, shittim wood, oil, salt, leaven and much more. Learn about the furniture of the tabernacle - the ark, the golden cherubim above the mercy seat, the table of shewbread, the candlestick, the altar of incense, and the duties of the priests. As we attempt to walk in the midst of the truths of this ancient sanctuary may the Spirit of our God open our eyes and hearts to see Christ revealed therein. May we behold His divine perfection, His glorious attributes, His divine love, and the all-sufficiency of His matchless grace. From the author of: *That Ye May Marvel* or *The Significance of Bible Numbers* and *A Verse by Verse Commentary on Revelation*. ***** "It was therefore necessary that the patterns of things in the heavens should be purified with these; but the heavenly things themselves with better sacrifices than these. For Christ is not entered into the holy places made with

hands, which are the figures of the true; but into heaven itself, now to appear in the presence of God for us..." (Hebrews 9:23-24).

Abingdon's Banners for Worship University of Hawaii Press

Facing the uncertainty of their present life and ministry, the American and Canadian churches of mainline Protestantism are, for the most part, responding in one of two ways. Some are simply choosing to ignore the process of their disestablishment. They continue to carry on with their church life as though nothing were happening, as though they were still occupying a place at the center of society. Others, knowing that they are being moved to the periphery of social and political life, are seeking to regain their past power and influence by adopting one or another program of church growth, many of which are being promoted by the newly emerging megachurches of the Christian right. Based upon the history and experience of a particular congregation, Church of the Crossroads in Honolulu, Hawaii, this book suggests a third option for the churches of mainline Protestantism: to embrace their ongoing disestablishment and to see it not as a burden or as something to be either ignored or reversed, but as an opportunity to envision a new way of being in the world.

The New Banner Book Sacristy Press

"*Samoan Art and Artists* is a wide-ranging survey of both the traditional and contemporary arts of Samoa. The author has drawn on an extensive research base to present a contemporary and accessible picture of a vibrant culture. The book has a broad sweep, covering all facets of the Samoan arts, including canoe and house building, siapo (tapa) weaving, tattooing, oratory, adornment, all forms of performance art, the visual arts, and literature. An important feature of the book is the inclusion of profiles of living practitioners, both from Samoa and the large Samoan communities in other Pacific countries."--Publisher description.

Common Worship: Times and Seasons President's Edition Abingdon Press

Introducing an emerging academic field known as African British Theologies, this publication explores the significant presence of African Christianity in Britain. Featuring contributions from twelve scholarly African pastors engaged in ministry and theology in Britain, this book is a unique expression of theology from African Christians, contextualizing the gospel for a multicultural British society. Under three key areas of missiology, contextual constructive theology and transformative practical theology the contributors interact with topics such as reverse missiology, African pneumatology, prosperity gospel, and urban mission. This book rigorously examines new contexts of Christianity and articulates new theological perspectives that are required to

understand twenty-first-century ministry, not only in urban Britain, but also across the world.
