Path of the Purified Heart traces the classic Christian

spiritual journey toward transformation into the likeness of Christ in a unique, fascinating way. Drawing on the voices of wise elders from the past and present, Dunham illumines the common path all Christians and spiritual seekers may take toward union with God. Through the motifs of the liturgical year and the labyrinth, the author weaves in her own journey on this path during her

"year of purification." *Everlasting Life* Thomas Nelson

 Currently, much of what is happening in the world is not good. The world is in chaos. Problems exist worldwide. Terrorism, violence, destruction, disease, drugs, and death are in

countries and communities all over the world. There is hurt, heartache, and pain. Consequently, hopelessness and fear controls the hearts and minds of many people. The world is searching for a solution. The world is hungry for hope. The world is looking for a leader. The church is that leader. The church has what the world needs. And what the world needs now is the grace of God.

By following God's strategic design and communicating his strategic message, the church can lead the world to discover the solution and hope it needs...the message of God's grace, the grace he has freely and abundantly provided for us in Jesus.

1951. No adventure is more compelling than the search for God, and no discovery is more satisfying than the realness of God. Pondering upon a lifetime of discovery through prayer, Glenn Clark surveys all that he has learned and gives his results and conclusions in a most lucid manner. Beginning with the three dimensions of space, he probes into the mysteries

of the seven dimensions of God." He says, "The culmination of all our earthly and heavenly endeavor is Oneness" - oneness with one's neighbor, oneness with God the Father, and oneness with Christ. His treatment of the laws of the universe and the way he applies them to human experience is highly suggestive and practical. Dr. Clark then applies these discoveries to the problems of life - to

friends, to health, to guidance and to finance. Finally, the author shows us how to look beneath and beyond the senses to their spiritual reality - beneath confusion lies stillness, beneath confusion lies perfect pattern, etc. This is a book for adventurers with God. The Depth of God's Reach A Spirituality of Christ's Descent Paul, a religious teen living in a small

conservative town, finds his world turned upside down when he meets Manuel—a young man who says he's both Christian and gay, two things that Paul didn't think could coexist in one person. Doesn't the Bible forbid homosexuality ? As Paul struggles with Manuel's interpretation of the Bible, thoughts that Paul has long tried to bury begin to surface, and he finds himself re-examining his

What's a cross-cultural discipler? It's someone who crosses distinct cultural barriers—whether at home or abroad—to share the gospel and develop other

effective Christian disciples. Think of the apostle Paul who was born into a Jewish heritage but preached in Greece and Rome among other places, or modern day missionaries, both short-term and long-term, who bravely go where God sends them despite the challenges of language and lifestyle differences when they get there. Called to Reach is a much-needed book of encouragement and training

for cross-cultural disciples new and old. Based on the authors' dynamic experiences, it defines seven characteristics that best enhance the effectiveness of disciples in overcoming cultural barriers and emphasizes the importance of personally growing in spiritual maturity with every outreach opportunity. Throughout, Jesus is presented as the model cross-cultural

discipler, for He left the culture of Heaven to disciple us in our earthly culture.

 Philip Yancey
