**Guatemala in Pictures** Duke University Press

The Historical Dictionary of Guatemala contains a chronology, an introduction, and an extensive bibliography. The dictionary section has over 700 cross-referenced entries on important personalities, politics, economy, foreign relations, religion, and culture.

**The Latin American Photobook** Legare Street Press

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Los Ambulantes 10x10 Photobooks

Guatemala is the most "Indian" of Central American nations, and Mayan culture permeates many aspects of language, dress and artistic expression. "Guatemala in Focus" is an authoritative and up-to-date guide to this wonderful country. It explores the land, history and politics, economy, society and people, culture and includes tips on where to go and what to see. Photos and maps.

*Narrative of a Journey to Guatemala, in Central America, in 1838* MIT Press (MA)

These striking portraits of Indians dressed in richly ornamented clothing and posed in front of brightly painted backdrops record the ongoing folk tradition of itinerant photography. They were taken over a period of several years while the authors traveled with itinerants to village fairs throughout Guatemala. Ann Parker's work is represented in such major collections as the Museum of Modern Art, the Metropolitan Museum of Art, the Whitney Museum of American Art, and the Museum of Fine Arts in Boston. Avon Neal has written extensively on folk culture.

*Los Ambulantes* Rowman & Littlefield

*Our Culture Is Our Resistance: Repression, Refuge, and Healing in Guatemala* is a stunning document of this tiny Central American country, revealing stories of life and death, of hope and despair, and of struggles for survival, respect, and truth. For the past ten years Jonathan Moller has photographed communities uprooted by war in Guatemala. The beauty and strength of Moller's one hundred forty-seven tritone portraits and the accompanying texts not only document and preserve

the faces and events associated with this land and its history, but also display for the viewer the humanity and dignity of these largely Mayan indigenous peoples. Sponsors and official endorsers of the book include Amnesty International, the Soros Foundation, Global Exchange, The Nation Institute, the Photo Review, Witness for Peace, and Cultural Survival.

*Central America* Hachette UK

The dramatic work of photographer Daniel Hernandez-Salazar and its social and political context are presented in this powerful, comprehensive overview on recent Guatemalan history, which captures the state-sponsored terrorism and mass killings that took place during the country's long civil war.

Pictures of Travel in Far-off Lands: a Companion to the Study of Geography. Central America Aperture Foundation

Invites you to jump on one of the country's brightly painted chicken buses and visit its bustling marketplaces, Mayan monuments, colonial town squares, and whitewashed churches, where baroque Catholic rituals meld with ancient Mayan beliefs to create a unique style of worship.

**Central America** Nabu Press

This Central America guidebook is ideal for travellers seeking inspirational guides and planning a more extended trip. It provides interesting facts about Central America's people, history and culture and detailed coverage of the best places to see. This Central America travel book has the style of an illustrated magazine to inspire you and give a taste of Central America. *Eadweard Muybridge in Guatemala, 1875* Palala Press

A photobook anthology that documents CLAP!, a traveling reading room exhibition of 130 contemporary Latin American Photobooks from 2000 to 2016. Selected by Latin American specialists, the books presented offer a range of twenty-first century Latin American photobooks that are rarely seen or available outside the region. The books in CLAP! represent many of the most exciting innovations in Latin American photography and publications. Copiously illustrated and indexed, the publication provides full color spreads and detailed bibliographic information for 130 photobooks. Paris Photo - Aperture Photography Catalogue of the Year Shortlist 2018 Walter Tiemann Prize Shortlist 2018

**Insight Guides Central America: Travel Guide eBook** Twenty-First Century Books

My third trip in 2017 included my new husband (and old friend and painting teacher) Paul Donaldson who, on our return home, began a two year project painting the people and scenes of the Mayan towns we visited. I began writing poems and short essays about some of the memorable people I met and have put them together with photos to share my Impressions of Guatemala. In these recent days of political scapegoating of Central American refugees, I wanted to share my admiration for the Guatemalan people I encountered. We need not wall them out, but to open our arms and hearts to them.

*CLAP! 10x10 Contemporary Latin American Photobooks: 2000-2016* Purple Moon Press

*Other Americas*, originally published in France in 1986 and designed by Léila Wanick Salgado, is Sebastião Salgado's first book. Upon publication it became an award-winning photobook classic, establishing Salgado's reputation as the visionary reportage photographer of his generation. With forty-nine black-and-white photographs taken between 1977 and 1984, Salgado's distilled survey of a continent includes images from Brazil, Ecuador, Bolivia, Peru, Guatemala, and Mexico. The images range in subject, capturing spiritual and religious practices, changing rural landscapes, and intimate domestic life. Each photograph shares a sense of sincere connection--connection between the subject and the photographer, between a population and their homeland, and between Salgado and the audience he seeks to engage. In his text, Alan Riding writes, Salgado has sought out a lost corner of the Americas and he has made it a prism through which the entire continent can be viewed. A philosophy of life is caught in a look; an entire way of life is frozen in a moment...

**A Glimpse At Guatemala And Some Notes On The Ancient Monuments Of Central America**

Legare Street Press

These striking portraits of Indians dressed in richly ornamented clothing and posed in front of brightly painted backdrops record the ongoing folk tradition of itinerant photography. They were taken over a period of several years while the authors traveled with itinerants to village fairs throughout Guatemala. Ann Parker's work is represented in such major collections as the Museum of Modern Art, the Metropolitan Museum of Art, the Whitney Museum of American Art, and the Museum of Fine Arts in Boston. Avon Neal has written extensively on folk culture.

**Guatemala Rainbow** Palala Press

DIVAn interdisciplinary anthology on the largest, most populous nation in Central America, covering Guatemalan history, culture, literature and politics and containing many primary sources not previously published in English./div

*Guatemala in Pictures* University of Texas Press

One of the important cultural responses to political and sociohistorical events in Latin America is a resurgence of urban photography, which typically blends high art and social documentary. But unlike other forms of cultural production in Latin America, photography has received relatively little sustained critical analysis. This pioneering book offers one of the first in-depth investigations of the complex and extensive history of gendered perspectives in Latin American photography through studies of works from Argentina, Mexico, and Guatemala. David William Foster examines the work of photographers ranging from the internationally acclaimed artists Graciela Iturbide, Pedro Meyer, and Marcos López to significant photographers whose work is largely unknown to English-speaking audiences. He grounds his essays in four interlocking areas of research: the experience of human life in urban environments, the feminist matrix and gendered cultural production, Jewish cultural production, and the ideological principles of cultural works and the connections between the works and the sociopolitical and historical contexts in which they were created. Foster reveals how gender-marked photography has contributed to the discourse surrounding the project of redemocratization in Argentina and Guatemala, as well as how it has illuminated human rights abuses in both countries. He also traces photography's contributions to the evolution away from the masculinist-dominated post-1910 Revolution ideology in Mexico. This research convincingly demonstrates that Latin American photography merits the high level of respect that is routinely accorded to more canonical forms of cultural production.

*Guatemala* Insight Guides Main Series

This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact, or were introduced by the scanning process. We believe this work is culturally important, and despite the imperfections, have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide. We appreciate your understanding of the imperfections in the preservation process, and hope you enjoy this valuable book.

**Impressions of Guatemala** Sagwan Press

We have created a photo book containing over 280 photos of the people we have met in Cuba, Panama, Nicaragua, Guatemala and El Salvador. We hope you find their faces as interesting as we did.

*The Guatemala Reader* Lerner Publishing Group

Discusses the geography, history, government, people, cultural life, and economy of Guatemala.

*Other Americas* Sagwan Press
