*Christmas Eve Night
Raiders*
It's Christmas Eve, 2017.
A philosophy professor is

on her way to celebrate
with her family when she
is hauled out of a taxi and
bundled into an
interrogation room.

Opposite her, the senior
officer is cynical, smart
and relentless.
Incriminating evidence
has been found against

her. Or has it? Is a
terrorist attack imminent
or is this a case of state
paranoia? The clock ticks.
Played out in real time,
this riveting thriller pits
two powerful antagonists
head to head. Both think
they are saving their
country. Only one of them

will win. Daniel Kehlmann's Christmas Eve , translated by Christopher Hampton, premiered at the Ustinov Theatre, Bath, in October 2017. Faber & Faber Night Raiders Oxford University Press - Children *Night Raiders* Ohio University Press In this new edition of Janet Lewis's classic short novel, *The Wife of Martin Guerre*, Swallow Press executive editor Kevin Haworth writes that Lewis's story is "a short novel of astonishing depth

and resonance, a sharply drawn historical tale that asks contemporary questions about identity and belonging, about men and women, and about an individual's capacity to act within an inflexible system." Originally published in 1941, *The Wife of Martin Guerre* has earned the respect and admiration of critics and readers for over sixty years. Based on a notorious trial in sixteenth-century France, this story of Bertrande de Rols is the first of three novels making up Lewis's

Cases of Circumstantial Evidence suite (the other two are *The Trial of Sören Qvist* and *The Ghost of Monsieur Scarron*). Swallow Press is delighted and honored to offer readers beautiful new editions of all three *Cases of Circumstantial Evidence* novels, each featuring a new introduction by Kevin Haworth.

The Wife of Martin Guerre Oxford University Press - Children Life in a grand Norwegian mountain hotel is not what it used to be. Sedd's

grandparents are fighting a losing battle to maintain standards at Fölnesheim hotel, whilst the young Sedd observes developments with a keen eye for the absurd and a growing sense of unease that all is not well.

Lobster Life

Since the 1.34 a.m. wake up calls began, Elena,

Matt, and Tima had all had the power to talk to animals, birds and insects like no other human could. None of them would ever trade that for a full eight hours sleep. It was too amazing. But an amazing life has its complications. Like finding a body in the dark. Like having to stop the world from ending. You can fit a

lot in your day when you don't sleep. New from award-winning author, Ali Sparkes, with huge appeal for both boys and girls. Fast-paced action adventure about contemporary children with mysterious powers, told with Ali's classic humour and lightness of touch.
