Don't miss this brand new Wolf adventure!

Coo Is in Love Auzou
Wolf devours books, literally. After helping a librarian find some missing books, he learns to like reading.

Pinocchio. Die-cut Reading. Ediz. a Colori
A&C Black

The next installment in the popular Big Book series is a fascinating introduction to some of the most magnificent and surprising flowering plants from around the world. In

The Big Book of Blooms, the next installment in the wildly successful Big Book series, Yuval Zommer's charming illustrations bring to life some of the most colorful, flamboyant, and unusual flowers from across the globe. In the opening pages, readers will learn all about botany, including how to recognize different types of flowers. Subsequent pages illustrate the various habitats that are home to flora such as pitcher plants, the giant water lily, and the weirdly wonderful corpse flower.

Readers will discover which flowers are endangered and why some blooms are fragrant or colorful, not to mention grisly details about carnivorous and poisonous flowers. This title pairs picture-book charm and concise, informative text to create a beautiful book for children to return to. Zommer's quirky illustrations appeal to young readers, who will relish these fun and amazing facts about the world's most exciting plants.

Hildafolk Editions Auzou
An outdoor activity guide for boys outlines nature-themed craft projects while explaining how to develop proficient skills in areas ranging from reading topographic maps and identifying birds to using a compass and providing first-aid for injuries.

The Wolf Who Wanted to Be a Superhero

Courier Corporation
Text and illustrations introduce a variety of farm animals, including the cow, pig, goat and horse.

Ma pochette de 100 gommettes Routledge
A heavily illustrated reprint of a 1927 edition of La Fontaine's fables contains the original French verses and new English translations of such tales as "The Crow and the Fox" and "The Heron."

1000 premières gommettes formes

Spiderwize
This book has over two hundred stickers and is filled with fun facts and activities centered around birds. Drawing from Yuval Zommer's hugely popular,

fact-filled *The Big Book of Birds*, this jam-packed sticker activity book brings the avian world alive in a creative way. Taking fascinating facts as its starting point, activities invite children to draw, color, and play games with birds from around the world—creating an interest in nature as they play. Yuval Zommer's rich illustrations illuminate some of the quirkiest creatures in the animal kingdom. *The Big Sticker Book of Birds* features over two hundred

fantastic stickers for children to use in their drawings and to complete games and puzzles.

Booksales

This authoritative reference assembles prominent international experts from psychology, social work, and counseling to summarize the current state of couple and family therapy knowledge in a clear A-Z

format. Its sweeping range of entries covers major concepts, theories, models, approaches, intervention strategies, and prominent contributors associated with couple and family therapy. The Encyclopedia provides family and couple context for treating varied problems and disorders, understanding special client populations, and approaching emerging issues in the field, consolidating this wide array of knowledge into a useful resource for

clinicians and therapists across clinical settings, theoretical orientations, and specialties. A sampling of topics included in the Encyclopedia: Acceptance versus behavior change in couple and family therapy Collaborative and dialogic therapy with couples and families Integrative treatment for infidelity Live supervision in couple and family therapy Postmodern approaches in the use of genograms Split alliance in couple and family therapy Transgender couples and

families The first comprehensive reference work of its kind, the Encyclopedia of Couple and Family Therapy incorporates seven decades of innovative developments in the fields of couple and family therapy into one convenient resource. It is a definitive reference for therapists, psychologists, psychiatrists, social workers, and counselors, whether couple and family therapy is their main field or one of many modalities used in practice.

99 Tomatoes and One

Potato Abrams
A lovely tale about the consequences of mistreating nature and the world we live in.
Birds of the Indian Ocean Islands Hachette
Éducation
Rare edition with unique illustrations. Hans Christian Andersen was a Danish author best known for writing children's stories including "The Little Mermaid" and "The Ugly Duckling." But he didn't just write short stories, and his intended audience wasn't restricted to children. In addition to

his fairy tales, Andersen wrote poems, plays, novels, travel books, essays, and more. He hungered for recognition at home (Denmark) and abroad-and he got it! Eventually. Today, his stories can be read in over one hundred languages. But no matter what language they're in, Andersen's tales have got something for everyone. In them, you'll find beauty, tragedy, nature, religion, artfulness, deception, betrayal, love, death, judgment, penance, and-

occasionally-a happy ending. They're complex tales, but since Andersen himself was pretty complex, we like to think that art imitates life. Or something like that. "The Ugly Duckling" is a literary fairy tale by Danish poet and author Hans Christian Andersen. The story tells of a homely little bird born in a barnyard who suffers abuse from the others around him until, much to his delight (and to the surprise of others), he matures into a beautiful swan, the most beautiful bird of all. The story is

beloved around the world as a tale about personal transformation for the better.
