Boogie Woogie Bugle Boy Keyboard Ensemble Library Disk Pkg Warner Bros Publications (Faber Piano Adventures). Written for ages 5 and 6, My First Piano Adventure captures the child's playful spirit. Fun-filled songs, rhythm games and technique activities develop beginning keyboard skills. Three distinguishing features of the Lesson Book A make it unique and effective for the young 5-6 year old beginner. 1. A strong focus on technique embedded in the book through playful

technique games, chants, and carefully-composed pieces that gently lead the child into pianistic motions. 2. An outstanding CD for the young student to listen, sing, tap, and play along with at the piano. The orchestrated songs on the CD feature children singing the lyrics, which has great appeal to the 5-6 year old beginner. The CD becomes a ready-made practice partner that guides the student and parent for all the pieces and activities in the books. 3. The fanciful art features five multi-cultural children who are also learning to play. These friends at the piano introduce basic rhythms, white key names, and a variety of white and black-key songs that span classical, folk, and blues. Young students will listen, sing, create, and play more musically with Nancy and Randall Faber s My First Piano Adventure, Lesson Book A. The Lesson Book introduces directional pre-reading, elementary music theory and technique with engaging songs, games, and creative discovery at the keyboard. Young students will enjoy the multi-cultural "friends at the piano" who introduce white-key names, basic rhythms, and a variety of songs which span classical, folk, and blues. Ear-training and eye-training are also part of the curriculum. The Fabers' instructional theory "ACE" - Analysis, Creativity, and Expression, guides the pedagogy of My First Piano Adventure. Analysis leads to understanding, creativity leads to self-discovery, and expression develops personal artistry. The CD for this book offers a unique listening experience with outstanding orchestrations and vocals. The recordings demonstrate a key principle of the course: when children listen, sing, tap, and move to their piano music, they play more musically. View Helpful Introductory Videos Here

First 50 Blues Songs You Should Play on the Piano Hal Leonard Corporation

Boogie-woogie is an intoxicating music style that touches the heart and uplifts the spirit of players and listeners alike. Combining boogie-woogie, blues, rock, and rock 'n' roll elements into an enticing mix, boogie & blues piano offers pianists the freedom to play unaccompanied and to present a repertoire that is based on their own particular strengths. The rules of improvisation and how to jam along with other musicians are much easier to learn than in complex jazz music. Boogie-woogie is also a masculine domain and female pianists are underrepresented. While the large hands and strong male physique associated with greater power and endurance are a great advantage, women and girls can now take heart and are perfectly able to groove and boogie with the best of players by adjusting the notes and licks to a smaller hand with a lighter touch. German ULRIKE GAATE is one of the few female boogie & blues piano players in Europe, and New Zealander JAN PRESTON is known as the 'Queen of Boogie Piano' in Australia, where she now lives. The authors met from across the world through their shared love of the boogie piano tradition. They have produced this boogie & blues tutor to help and inspire female players of all ages to experience the uplifting energy and abundant possibilities of this style. Written for all small-handed piano players, regardless of gender, the book contains original compositions specifically arranged for pianists with small hands ranging in difficulty from lower intermediate to advanced, as well as a variety of suitable left hand patterns and many exercises. The authors present important characteristics of the boogie & blues piano style and provide tips on how to improvise. Audio samples are downloadable as mp3 files and QR codes. www.ulrikegaate.com www.janpreston.com
