The Man in the Mist Didier Jeunesse

La Maison du Chat qui revient (1926) : Hériter d'un vieil oncle ! Qui n'en a pas rêvé ? Henri, journaliste à Lyon, ne connaissait

même pas l'oncle Barnabé... Le voici propriétaire d'une maison en Haute-Savoie avec vue sur le Lac Léman. Un héritage qui tombe à pic ! Il vient d'épouser Françoise et rêve d'écrire un roman. Sans hésiter, le couple quitte Lyon pour s'installer dans sa nouvelle « maison de campagne ». Mais au lieu de la villa proprette qu'ils avaient imaginée, la « Maison-rouge », comme on l'appelle dans le pays, est une bâtisse biscornue et, pour tout dire, plutôt moche... On semble lui avoir ajouté des ailes et des annexes un peu au hasard et sans se préoccuper d'esthétique. À quoi donc pouvaient servir toutes ces pièces et tous ces lits à un vieil homme solitaire, veuf depuis des années ? Hébétés par la nuit d'orage qui accompagne leur installation, Françoise et Henri sont loin de réaliser le piège dans lequel ils sont tombés. Et d'où vient ce chat noir énigmatique et sauvage ? Ce ne serait rien qu'il ait la griffe facile... mais Catherine, la vieille servante affirme qu'il est un fantôme, une réincarnation de l'oncle Barnabé. Ce chat qui revient saura-t-il protéger le jeune couple des difficultés qui vont naître et de l'avalanche qui s'apprête à leur tomber sur la tête ? Une histoire bien menée, malgré quelques faiblesses de style, où le lecteur sera conduit de rebondissements en situations bloquées jusqu'à une fin en grand style et toute romantique. Michel Epy (de son vrai nom Louis Vauray 1876-1943) est un

écrivain et traducteur suisse. Auteur d'une vingtaine de titres et de quelques trente-cinq autres en traduction, il fit œuvre de romancier, de conteur, d'écrivain pour la jeunesse et d'éditeur d'anthologies ou de volumes d'œuvres choisies, comme celles de Kipling.

"Writing Crooked House was pure pleasure and I feel justified in my belief that it is one of my best." --Agatha Christie Described by the queen of mystery herself as one of her favorites of her published work, Crooked House is a classic Agatha Christie thriller revolving around a devastating family mystery. The Leonides are one big happy family living in a sprawling, ramshackle mansion. That is until the head of the household, Aristide, is murdered with a fatal barbiturate injection. Suspicion naturally falls on the old man's young widow, fifty years his junior. But the murderer has reckoned without the tenacity of Charles Hayward, fiancé of the late millionaire's granddaughter.

La Vie parisienne HarperCollins

Is Alix's new husband really going to murder her for her money? Who has killed the young Englishman on his return from America? And why have a young couple suddenly disappeared from their home? In this collection of mysteries by famous authors, the answers are never quite what you expect.

Crooked House Le Masque

Quand Lapin arrive à l'entrée de son terrier, un bruit bizarre le fait sursauter. Dedans, y'a quelque chose qui bouge, quelque chose avec deux yeux rouges... Voici un nouveau récit en anglais dans la collection "Les Bilingues" ! L'histoire a été remarquablement traduite par Claire Brown, dans un anglais oral très vivant et très rythmé. La traduction française en fin d'ouvrage permet au petit lecteur de suivre le récit et de bien saisir les péripéties des animaux.

Mr Eastwood's Adventure: An Agatha Christie Short Story Indiana University Press

There once was a witch who lived a broom cupboard. She was a wicked witch, and very grumpy too, as you might be if you had to live in a broom cupboard. To be precise, she was the sort of witch would use her magic to make you her prisoner for ever and ever. In fact, that's exactly what she threatened to do to Uncle Pierre, and if it wasn't for his friend Bashir, along with his magic fish and translating mouse, she would have succeeded! Elsewhere in this collection a giant loses his socks, a doll looks into the future and a potato falls in love with a sultan. In these tales, clever young people find nifty ways to overcome wicked witches, outwit their parents and save their friends. And there's a big dash of magic to help them on the way!

'No wonder she's been crowned Queen of Cosy Crime' Mail on Sunday Toil and trouble in store for Agatha! Cotswolds inhabitants are used to bad weather, but the night sky is especially foggy as Rory and Molly Harris, the new vicar and his wife, drive slowly home from a dinner party in their village of Sumpton Harcourt. They struggle to see the road ahead - but then screech to a halt. Right in front of them, aglow in the headlights of their car, a body hangs from a lightning-blasted tree

at the edge of town. But it's not suicide; Margaret Darby, an elderly spinster of the parish, has been murdered - and the villagers are bewildered as to who would commit such a crime, and why. Agatha Raisin rises to the occasion, delighted to have some excitement back in her life as if truth be told, she was getting bored of the long run of lost cats and divorces on the books. But Sumpton Harcourt is an isolated and unfriendly village, she finds a place that poses more questions than answers. And when two more murders follow the first, Agatha begins to fear for her reputation - and her life. That the village has its own coven of witches certainly doesn't make her feel any better... Praise for M. C. Beaton's Agatha Raisin series 'A Beaton novel is like The Archers on speed' Daily Mail 'Agatha is like Miss Marple with a drinking problem, a pack-a-day habit and major man lust. In fact, I think she could be living my dream life' Entertainment Weekly 'The detective novels of M C Beaton, a master of outrageous black comedy, have reached cult status' The Times

The little girl appeared in Central Park: red-haired, blue-eyed, smiling, perfect - except for the blood on her shoulder. It fell from the sky, she said, while she was looking for her uncle, who turned into a tree. Poor child, people thought. And then they found the body in the tree. For NYPD detective, Kathy Mallory, there is something about the girl that she understands. Mallory is damaged, they say, but she can tell a kindred spirit. And this one will lead her to a story of extraordinary crimes; murders stretching back fifteen years, blackmail and complicity and a particular cruelty that only someone with Mallory's history could fully recognise. In the next few weeks, Kathy Mallory will deal with them all ... in her own way.

"Just Fine is a touching and often hilarious novel that traces the mishaps and misadventures of a conflicted agoraphobe: a woman psychologically restricted to a life indoors but spiritually inclined to wander the meadows, roads, and community beyond the house and river of her youth. In its brilliant collage of river lore, art history, astrology, and mythology France Daigle's rich and witty novel journeys beyond the cultural, psychological, and literary bounds within which its characters live and leads us to where history, fantasy, and memory collide."

Correspondance de Madame Duchesse d'Orléans

"Jazz, aliens, and witchcraft collide in this collection of short stories by renowned author Emmanuel Dongala. The influence of Kongo culture is tangible throughout, as customary beliefs clash with party conceptions of scientific and rational thought. In the first half of Jazz and Palm Wine, the characters emerge victorious from decades of colonial exploitation in the Congo only to confront the burdensome bureaucracy, oppressive legal systems, and corrupt governments of the post-colonial era. The ruling political party attempts to impose order and scientific thinking while the people struggles to deal with drought, infertility, and impossible regulations and policies; both sides mix witchcraft, diplomacy, and violence in their efforts to survive. The second half of the book is set in the United States during the turbulent civil rights struggles of the 1960s. In the title story, African and American leaders come together to save the world from extraterrestrials by serving vast quantities of palm wine and playing American jazz. The stories in Jazz and Palm Wine prompt conversations about identity, race, and co-existence, providing contextualization and a historical dimension that is often sorely lacking. Through these collisions and clashes, Dongala suggests a pathway to racial harmony, peaceful co-existence, and individual liberty through artistic creation"--Back cover

Tant que brillera le jour réunit neuf nouvelles parmi les premiers écrits d'Agatha Christie à avoir été publiés à l'époque dans les journaux. Le crime est notre affaire (Nouvelle traduction révisée) Le Masque

Le couple Beresford s'ennuie : elle à la maison, lui dans son bureau des Services Secrets britanniques. Aussi quand le chef des services spéciaux leur propose de reprendre une agence internationale de détectives, ils sautent sur l'occasion, trop heureux d'être à nouveau ensemble sur le terrain. En dix-sept nouvelles, Agatha Christie va mettre en scène ce couple qu'elle adore et auquel elle s'identifie : les Beresford, des détectives drôles et futés auxquels aucune affaire ne résiste. C'est aussi l'occasion en dix-sept pastiches, de rendre hommage aux grands noms de la littérature de « détection » anglo-saxonne : le Père Brown, Chesterton, la Baronne Orczy... sans oublier Sherlock Holmes bien sûr ! Traduit de l'anglais par Janine Alexandre

The Grisly Goat Pantheon

Trois générations de la famille Léonides vivent sous le même toit. Celui d'une vaste maison un rien biscornue... Quand le grand-père, un patriarche tyrannique, meurt assassiné, tout le monde est soupçonné, même ses petits enfants ! Et justement, Joséphine, douze ans, semble s'intéresser de près au crime et aux différentes façons d'éliminer son prochain. Un véritable petit monstre... Or on devrait toujours se méfier des petits monstres, aussi adorables soient-ils. Traduit de l'anglais par Janine Lévy

The WITCH IN THE BROOM CUPBOARD AND OTHER TALES
Pushkin Press

White Poison is probably the strongest and most reasonable appeal ever addressed to the African continent, for its spiritual liberation, and therefore its real independence. With non refutable historical facts, the author calls upon his African brothers and sisters to break down the chains in which colonial christian Europe still oppresses them. He encourages them to find back the glory and the values of their own ancestral spiritual heritage. This book has the power to revolutionize spiritual life in Africa. This book is a new religious message which offers to Africans the keys for their real spiritual decolonization, a real new authentic gospel for Africa. An intense call for Africa to wake up. You read it, and you will never again be the same.
