**Arts Management** Vicki

Krohn Amorose  
 The Sunday Times  
 Number One Bestseller  
 and Richard and Judy  
 Book Club selection.  
 Seductive, exhilarating  
 and suspenseful, The  
 Muse is an unforgettable  
 novel about aspiration  
 and identity, love and  
 obsession, authenticity  
 and deception – a  
 masterpiece from Jessie  
 Burton, the million-copy  
 bestselling author of The  
 Miniaturist. A picture  
 hides a thousand words . .  
 . On a hot July day in  
 1967, Odelle Bastien  
 climbs the stone steps of

the Skelton gallery in  
 London, knowing that her  
 life is about to change  
 forever. Having struggled  
 to find her place in the  
 city since she arrived from  
 Trinidad five years ago,  
 she has been offered a job  
 as a typist under the  
 tutelage of the glamorous  
 and enigmatic Marjorie  
 Quick. But though Quick  
 takes Odelle into her  
 confidence, and unlocks a  
 potential she didn't know  
 she had, she remains a  
 mystery – no more so  
 than when a lost  
 masterpiece with a secret  
 history is delivered to the

gallery. The truth about  
 the painting lies in 1936  
 and a large house in rural  
 Spain, where Olive  
 Schloss, the daughter of a  
 renowned art dealer, is  
 harbouring ambitions of  
 her own. Into this fragile  
 paradise come artist and  
 revolutionary Isaac Robles  
 and his half-sister Teresa,  
 who immediately  
 insinuate themselves into  
 the Schloss family, with  
 explosive and devastating  
 consequences . . . 'Those  
 who loved The Miniaturist  
 will find here all the  
 cliffhangers, twists and  
 heart-stopping revelations

they expected, and in two evocative settings . . . as a study of female creativity, it triumphs' – Daily Telegraph  
*Bear's Christmas Star*

Concise and comprehensive, *A History of the Arab-Israeli Conflict* presents balanced, impartial, and well-illustrated coverage of the history of the Arab-Israeli conflict. The authors identify and examine the issues and themes that have characterized and defined the conflict over

the past century tying in a twenty-first century perspective. The seventh edition exposes readers to recent events in the Middle East. Altering relations between Israel and neighboring states, political and religious uncertainty as a result of the Arab Spring and the increased scrutiny of Iran's nuclear program are explored in this updated edition.

**A History of the Arab-Israeli Conflict** Europa Editions UK

This book investigates Japanese politics in the

postwar era from theoretical and comparative perspectives. After providing historical context, it offers an in-depth exploration of postwar political institutions, political reform in the 1990s, the policymaking process, and the politics of economic growth and stagnation. The author draws attention to key policy issues including women and work, immigration, Japanese aging/low fertility society, and Constitutional revision. By delving into Japan's

international relations, the book sheds light on Japan's security and trade policies, Japan's role in the Asian region, and Japan's bilateral relations with the U.S., China, South Korea, and the EU. Themes and questions addressed throughout the text include: How and why did Japan modernize so successfully when so many other countries fell prey to colonialism and authoritarianism? What explains the Japanese economic miracle and its subsequent economic stagnation? What

accounts for Japan's successful democratization? In the international realm, why has Japan achieved economic superpower status without achieving political superpower status? What has or has not changed since the historic election of the Democratic Party of Japan in 2009, and why? What is the future trajectory of Japanese politics? Connecting Japan to larger themes in comparative politics and linking Japan's history, institutions, policymaking

process, and international relations to experiences and structures in other countries, this book is essential reading for any course on Japanese or Asian Politics.

Even when nothing is going her way, Amber Brown is always bold, bright, and colorful. #Amber Brown is out now on Apple TV+ Amber Brown's going through a growth spurt . . . and her body's not the only thing that's changing. Her mom and Max are engaged. Her dad is moving back from

Paris. And now her school's overrun by skunks, and she feels like she's being held captive in a hot, crowded school bus that's going nowhere. But growth spurts and skunks are not her only concerns. Why can't her parents agree on anything . . . why did she ever get that haircut . . . and most important, what will happen when Dad moves back?

*Congo Inc.* Children's Press(CT)  
WINNER 2019 Albertine Prize 2019 Lambda Literary Award Prix du Style Prix de la Porte Dorée 2016 Lire Best Debut Novel Le Prix du Roman News Now in B-

format Paperback Kimiâ Sadr fled Iran at the age of ten in the company of her mother and sisters to join her father in France. Now twenty-five, with a new life and the prospect of a child, Kimiâ is inundated by her own memories and the stories of her ancestors, which reach her in unstoppable, uncontrollable waves. In the waiting room of a Parisian fertility clinic, generations of flamboyant Sadrs return to her, including her formidable great-grandfather Montazemolmolk, with his

harem of fifty-two wives, and her parents, Darius and Sara, stalwart opponents of each regime that befalls them. In this high-spirited, kaleidoscopic story, key moments of Iranian history, politics, and culture punctuate stories of family drama and triumph. Yet it is Kimiâ herself—punk-rock aficionado, storyteller extraordinaire, a Scheherazade of our time, and above all a modern woman divided between family traditions and her own

"disorientalization"—who forms the heart of this bestselling and beloved novel. "In her remarkable novel, Negar Djavadi beautifully captures the "disorientation" of exile and the attempt to reconstruct a self through family stories." - The New York Times "The novel pulsates with life but does not shirk from violence. The gorgeous prose...takes the edge off the relentless turmoil described throughout." - The Financial Times "A momentous saga of modern Iran." - Publishers

Weekly

To the sound of machine gun fire and the smell of burning flesh, award-winning author In Koli Jean Bofane leads readers on a perilous, satirical journey through the civil conflict and political instability that have been the logical outcome of

generations of rapacious multinational corporate activity, corrupt governance, widespread civil conflict, human rights abuses, and environmental degradation in Africa. Isookanga, a Congolese Pygmy, grows up in a small village with big dreams of becoming rich. His vision of the world is shaped by his exploits in Raging Trade, an online game where he seizes control of the world's natural resources by any means possible: high-tech weaponry, slavery, and

even genocide. Isookanga leaves his sleepy village to make his fortune in the pulsating capital Kinshasa, where he joins forces with street children, warlords, and a Chinese victim of globalization in this blistering novel about capitalism, colonialism, and the world haunted by the ghosts of Bismarck and Leopold II. Told with just enough levity to make it truly heartbreaking, Congo Inc. is a searing tale about ecological, political, and economic failure.

Pan Macmillan  
Crow Lake is that rare find, a first novel so quietly assured, so emotionally pitch perfect, you know from the opening page that this is the real thing—a literary experience in which to lose yourself, by an author of immense talent. Here is a gorgeous, slow-

burning story set in the rural “badlands” of northern Ontario, where heartbreak and hardship are mirrored in the landscape. For the farming Pye family, life is a Greek tragedy where the sins of the fathers are visited on the sons, and terrible events occur-offstage. Centerstage are the Morrissions, whose tragedy looks more immediate if less brutal, but is, in reality, insidious and divisive. Orphaned young, Kate Morrison was her older brother Matt’s

protegee, her fascination for pond life fed by his passionate interest in the natural world. Now a zoologist, she can identify organisms under a microscope but seems blind to the state of her own emotional life. And she thinks she’s outgrown her siblings–Luke, Matt, and Bo–who were once her entire world. In this universal drama of family love and misunderstandings, of resentments harbored and driven underground, Lawson ratchets up the tension with

heartbreaking humor and consummate control, continually overturning one’s expectations right to the very end. Tragic, funny, unforgettable, Crow Lake is a quiet tour de force that will catapult Mary Lawson to the forefront of fiction writers today.

MyAccountingLab with Pearson eText -- Standalone Access Card -- for Horngren's Financial & Managerial Accounting: The Financial Chapters *200 Narrow-lot Home Plans* HarperCollins UK In this haunting novel, Martinez weaves an enchanting and lyrical tale whereby a whisper can become a shout heard by an entire people, and the voice of a child can be more powerful than that

of a king. At fifteen, Esclarmonde realizes that the only way out of her betrothal is to renounce her freedom and a part of herself. Rather than accept the hand of a philandering knight, she cuts off her own ear and declares herself to be the mistress of Christ. She uses her dowry to build a stone chapel, where she entombs herself, inhabiting a magical place between the living and

the dead. Out of the ashes of her former self arises the Virgin of Whispers—a mystical being whose prescient murmurs can alter the fate of a kingdom.
