Band in Butler, Pennsylvania. Travel 101 is a comprehensive guide that will provide a step by step blueprint for planning and executing a safe and successful experience for your students. You'll get the

answers to these and other questions as well as advice and guidance on: Getting Started, Applying for major events i.e. Pasadena Tournament of Roses Parade and Macys Thanksgiving Day Parade, Choosing a Travel Company, Creating a Budget, Planning Your Itinerary, Making Transportation Choices i.e. Bus, Commercial or Charter Air, Fundraising, Managing Student

Accounts, Safety and Security, Travel Dos and Donts, Liability Issues, Chaperones, Medical Concerns, Student Supervision, Dealing with Uniforms and Equipment, Public Relations, Meetings and Methods of Communication, Rooming Assignments, Packing Guidelines, Preparing for Your Performance, and Managing the Trip to name just a few. In addition I

have included a resource section in the back of the book with links to various travel and event websites, a major events list, information on several travel associations and several sample forms and letters you can adapt for your own use.

This Shanghai Business Travel Guide assumes you are a North American businessperson traveling

directly from North America to Shanghai, China. The Guide's goal is to provide you with practical and current information that will allow you to plan and execute your trip most effectively. The Guide contains information written by business people who have lived, worked, and played in Shanghai. people and are not frequently updated. Travel guides usually contain glowing reports of life in a particular country; we tell it like it is! This Guide helps you prepare for your trip by advising you how much to budget for your trip, how to get a visa, and what vaccinations you should have. We suggest the best hotels and help you find your way from the airport to your hotel. Of

course the main purpose of your trip is business, and understanding Chinese business etiquette may mean the difference between a successful trip and a failure. We explain how the Chinese conduct business and guide you through business meetings and dinners. The Guide is packed with advice from experienced Shanghai travelers on all the things we love about the city and

many of the problems we have encountered. We tell you how to power up your laptop and where to find the best restaurants and bars and what to do in an emergency.
