Business Periodicals Index Bookouture Like a secret society, poker has its own language and customs -- its own governing logic and rules of etiquette that the uninitiated may find intimidating. It's a game of skill, and playing well depends on more than just a good hand or the ability to hide emotion. The first step toward developing a style of play worthy of the greats is learning to think like a poker player. In a game where there are no absolutes, mastering the basics is only the

beginning -- being able to pull off the strategy and theatrics is the difference between legendary wins and epic failure. Cincinnati Magazine Routledge *Politica, cultura, economia.*

Cincinnati Magazine EK Publishing, LLC  
My grandparents had come to America from hard times of starvation and despair. Because of widespread poverty, thousands of Italians and Sicilians were emigrating from their homeland in the early 1900s. Certainly, things must have been dark in Sicily in 1910 when my grandfather was only seventeen. How did he determine at such a young age that he had to make it to America "on the boat" and alone? That is just one of the questions I wanted answered. Even with a sense of regret that there would be no answers to find, I viewed the opportunity to go to Italy and walk on Italian soil with Dad a closure, of sorts, to the mystery of my heritage that I was sure I would never solve. With these thoughts, Judy Giudice Tull begins an adventure into her past. Like many modern-day genealogy seekers, she is willing to investigate any resource she can uncover. She is a never-say-die, sensitive person whose love for family is a constant driving force. She writes beautifully about family love throughout her search for

something, anything to uncover her family history from the old country. The reader will enjoy visiting famous sites and tasting new cuisines as detective work ensues. You will participate firsthand in suspense of her characters' hopes, surprises, disappointments, and rewards as she takes you on an unexpected journey of love--an adventure story that happens only in the movies! --Father Ilario Dichiera, Catholic priest \*\*\*\*\* *Closing the Circle: a Journey of Love* is an over-the-top, happy story shouting to be heard. It is the response to numerous folks from many walks of life who heard of the happenings and implored the author, "You have to write a book!" A truly beautiful story. --Dewey Johnson, author of *The Lord's Prayer: Hope for the Neighborhood. Hot Mic!* Random House  
*Cincinnati Magazine* taps into the DNA of the city, exploring shopping, dining, living, and culture and giving readers a ringside seat on the issues shaping the region. *Poker: The Real Deal* Rodale Books
