Aventurine is the fiercest, bravest kind of dragon, and she's ready to prove it to her family by leaving the safety of their mountain cave and capturing the most dangerous prey of all: a human. But when the human she captures tricks her into drinking enchanted hot chocolate, she finds herself transformed into a puny human girl with tiny blunt teeth, no fire, and not one single claw. She's still the fiercest creature in these mountains though – and now she's found her true passion: chocolate! All she has to do is walk on two feet to the human city, find herself an apprenticeship (whatever that is) in a chocolate house (which sounds delicious), and she'll be conquering new territory in no time ... won't she? Wild and reckless young Aventurine will bring havoc to the human city – but what she doesn't expect is that she'll find real friendship there too, along with betrayal, deception, scrumptious chocolate and a startling new

understanding of what it means to be a human (and a dragon). A pinch of Ella Enchanted, a sprinkling of How to Train your Dragon and a generous helping of Eva Ibbotsen – The Dragon with a Chocolate Heart is entirely delicious.

The Tiny Dragon's Adventure Summary about this story: Spark, a small dragon who lives in the mythical country of Misty Meadows, goes on an amazing journey that belies his small size. Spark wants to show that even the smallest dragons can have the biggest hearts. Her green scales shine, and her wings are thin. When Spark sees a flyer for the Great Dragon Games,

he sees it as a chance to show off his skills and make his dreams come true. He goes with determination to the Dragon's Roost, where the games are held. Along the way, he runs into obstacles like thick woods, dangerous rivers, and mischievous goblins. When Spark gets to the Dragon's Roost, he flies around the holes instead of through them in the Fiery Ring Race and wins a special prize. In the Crystal Maze Challenge, his small size helps him get through tight spots and find the valuable crystal. In the last event, the Sky-High Soar, Spark's drive helps him go higher and higher, which earns him the respect of the people watching. Even though he didn't win the race, his other dragons admire him for being brave and strong. Spark's adventures in Misty Meadows keep going as he discovers new areas and helps people in need. His name as a brave dragon spread far and wide. Even Eldor, the wise old dragon, heard about how brave he was. Eldor is so pleased with Spark's good qualities that he gives him a magical amulet that lets him grow whenever he wants. Spark goes on amazing adventures with his new power, where he meets magical animals and

makes new friends. Spark's small size helped him solve problems and give a helping hand, like when he helped a lost spirit find her way home and when he helped a friendly giant get back his stolen golden harp. During Spark's underground trip in Atlantis, he meets Marina, a mermaid who cares about the health of the coral reefs. With the help of his amulet, he gets bigger and helps Marina rebuild the reefs, which makes the water creatures grateful. Spark learns from his adventures that a person's size is not a measure of how brave or important they are. The most important things about him are his heart, his courage, and his desire to help others. He becomes an example for other people, telling them to believe in themselves and be proud of what makes them different. King Cedric of Misty Meadows finds out about Spark's amazing deeds. Spark is called to the royal court, where the king makes him the Guardian of Misty Meadows and gives him the job of protecting the magical people who live there. Spark keeps going on adventures as the Guardian, protecting Misty Meadows and all the fun things there. His legacy lives on, inspiring people to believe in their

own powers and accept the magic that is already inside them. Spark's journey shows how important it is to be brave, be kind, and believe that even the tiniest person can make the biggest difference. Spark's heart is full of happiness and pride every time he goes on a new adventure. Misty Meadows grows well under his watch, and the Valley of Whispers is a place where magic and knowledge from the past can be found. Spark's story will live on, telling everyone who hears it that greatness can come in many forms and that a brave heart can lead to the most amazing things. How the story started: Once upon a time, Spark, a small dragon, lived in the magical land of Misty Meadows. Spark was not like other dragons. In fact, he was the smallest dragon anyone had ever seen. He was a sight to behold. His green scales sparkled, and his wings were as thin as gossamer. Even though Spark was small, he had big dreams and a brave heart. He wanted to do big things like the big dragons he had heard about. He spent his days exploring the beautiful fields and playing with his animal friends in the woods. Spark, always wanted more. One beautiful morning,

Spark was flying around when he saw a brightly colored bird. It said that there would be a race called the "Great Dragon Games," in which dragons of all sizes could take part. Spark's little heart was racing with happiness. He knew this was his chance to show that even tiny dragons can have the biggest hearts. Spark gathered up his courage and went to the Dragon's Roost, where the Great Dragon Games were going to be held. The trip wasn't easy for a dragon of his size. He had to go through thick woods, cross dangerous rivers, and even trick a group of sneaky goblins. Spark kept going because he was driven by his strong desire. After traveling for days, Spark gets to the Dragon's Roost. As dragons of all shapes, sizes, and colors came from all over, the place was filled with energy. Spark's heart skipped a beat, but he didn't let the fact that he was short stop him. He was going to do everything he could. There were many different contests at the Great Dragon Games, and each one tried a different skill. The Fiery Ring Race was the first-time dragons had to fly through a number of flaming hoops. Spark knew he couldn't fly as quickly as the others, but he

was quick and smart. He didn't run through the hoops. Instead, he flew around them, using his speed and agility. Spark won a special prize for being creative because the judges were impressed by how he did things differently. The Crystal Maze Challenge, which was a test of intelligence and skill, came next. Dragons had to get through a maze full of magical hurdles to find a valuable gem. Spark was small, so he could quickly move through small areas and around tight turns. As he ran quickly through the maze, his green scales sparkled in the dim light. He saw the gem right away, which got him another round of praise from the crowd. The Sky-High Soar was the last game and the hardest one. Dragons had to fly to the top of the Enchanted Mountains while dodging stormy clouds and strong winds. When Spark looked up at the tall hills, he felt both excited and scared. But he wouldn't give up. With each beat of his little wings, he went higher and higher, never losing sight of his goal. As Spark reached the top, the crowd cheered loudly. They were impressed by how brave and determined the small dragon was. Even more

important than the Sky-High Soar, Spark had won the love and respect of his fellow dragons. Spark went back to Misty Meadows, happy and proud of how well he did at the Great Dragon Games. The animals in the woods cheered and praised him because they were proud of their brave friend. Spark's story about being brave and persistent taught young dragons and other animals to believe in themselves and be proud of what makes them different. His story showed that a person's worth is not based on how tall they are, but on how brave and driven they are. Spark went on exciting adventures, where he found new places and helped people who were in trouble. He In Misty Meadows, he became a sign of hope and inspiration, a reminder that even the smallest of them could do big things. Spark's status as the little dragon with the biggest heart grew with every new adventure he went on and act of kindness he had. Eldor, a wise old dragon, took notice of Spark because he was brave and didn't care about himself. Eldor went to see Spark because he was amazed by how good he was. He told Spark about his own great adventures. Spark got a special

amulet from Eldor because he was brave and helped bring peace back to Misty Meadows. Spark's size could be changed at will by the charm. Spark can change into a bigger dragon that can do even more powerful things with just one touch. Spark's size used to be seen as a bad thing, but now he sees it as a chance to make an even bigger difference in the world around him. Spark used his new skill to keep exploring the strange places beyond Misty Meadows. He solved problems and helped people in need as he went through beautiful woods, over dangerous mountains, and into secret tunnels. Because he was small, he could get into small spaces, go to hard-to-reach places, and talk to animals that others might have missed. With each new adventure, Spark's notoriety grew. Dragons from other lands came to him for advice, and animals of all sizes saw him as a sign of hope. Spark's kind and brave deeds became famous, and they still inspire people today.

If she can get close enough, she could drive a dagger into that wicked man's heart. But the bridal games are more difficult than most. Lorelei must prove herself not only beautiful, but talented, poised, and deadly as the king. However, the closer she gets to saving her kingdom, the more she realizes a singular problem stands in her way. The dragon. The King's bodyguard is more than a slathering beast. He's a man. And the longer she's near him, the more she realizes that perhaps the king isn't the most dangerous person in the kingdom. Perhaps she had to guard not only her body, but her heart. For a dragon mates for life, and they're hard pressed to give up their treasures.

Fall of Dragons Willa Hart

A generation past, the western realms were embroiled in endless war. Then the Destroyer came. From the blood and ashes he left behind, a tenuous alliance rose between the barbarian riders of

Parsathe and the walled kingdoms of the south. That alliance is all that stands against the return of an ancient evil—until the barbarian king and queen are slain in an act of bloody betrayal. Though forbidden by the alliance council to kill the corrupt king responsible for his parents' murders, Maddek vows to avenge them, even if it costs him the Parsathean crown. But when he learns it was the king's daughter who lured his parents to their deaths, the barbarian warrior is determined to make her pay. Yet the woman Maddek captures is not what he expected. Though the last in a line of legendary warrior-queens, Yvenne is small and weak, and the sharpest weapons she wields are her mind and her tongue. Even more surprising is the marriage she proposes to unite them in their goals and to claim their thrones—because her desire for vengeance against her father burns even hotter than his own...

The Dragon and Her Boy A.K. Thorne
 Who knew dragons could be so...hot? I

grew up as a trashbag kid. I don't want to even try counting how many foster homes I've lived in since I was orphaned at the age of five. When some long-lost relatives take me in during my last year in the system, I'm careful to remain on my best behavior. Finding family and living happily ever after has always been a secret fantasy, so getting the boot would be devastating. But these perfect strangers are turning out to be perfectly strange. Like when they tell me dragons are real and my great-aunt's husband just happens to be one. Um...But before I can pack my few belongings and bolt, I see the evidence with my own eyes. Then I catch sight of my new uncle's five gorgeous nephews and decide...maybe dragons aren't so bad after all. The Glow of the Dragon's Heart is the prequel to the Harem of Fire series, a medium-burn reverse harem fantasy romance featuring five dead-sexy dragon shifters and one sassy human heroine with a propensity for finding trouble. Pulse-pounding action and adventure mixed with schmexy lovin' and an HEA for all. For fans of Meg Xuemei X, Yumoyori Wilson, Sadie Moss, Jaymin Eve, K. F. Breene, Alex Lidell, and Ava Mason.
