"You belong to me. You'll regret ever thinking you could get away." Fifteen-year-old Kari is the oldest of ten children. When their father abandons them and their mother dies, Kari must care for them all. Overwhelmed, she flees to a nearby city. Desperation and hunger drive Kari to the only work available-at a brothel run by Roza and Yolin, a cruel madam and her husband. There, Kari forges bonds with another woman and a young handyman. But friendship and fine dresses can't veil the despair of her grim new life. Knowing Yolin's savagery toward runaways, Kari doesn't dare escape-until an unexpected pregnancy compels her to try. She hides in the forest, where a mysterious magical force shields her from Yolin's pursuit. When she's most vulnerable, Kari's supernatural protection disappears. Yolin attacks, and she must fight for her life, her dignity, and her child. But Roza and Yolin are ruthless manipulators. And all Kari's furious strength may not be enough to defeat them. Whether you're new to the Sun-Blessed Trilogy or an existing fan, this prequel will captivate your imagination from the first page. Kari's story is a breathtaking tale of unstoppable women and unforgettable magic.

Within Obsession and Lies is the sexy, action-packed first book in A Court of Gilt and Shadow Series by bestselling authors Stacy Jones and Harper

Wylde. Power. Obsession. Lies. Other people dream of being special. They wouldn't, if they knew what a nightmare it is. Arawyn would give anything to be ordinary and rid herself of the power that lives inside her. Dangerous and alluring, it's caused nothing but pain and horror, making her the dark obsession of anyone who gets too close. After years of barely containing it, Arawyn thought she had control... until the night it bursts free and pulses like a beacon. As threats emerge from the shadows, each one more fixated on her than the last, she finds her life infiltrated by three mysterious men. A mafia boss, a psychopath, and a killer. Rathe, Viper, and Fear are much more than they seem. They taste of power and feel impossibly familiar. They call to her soul in a way she's never experienced and might have answers to questions she's been asking her entire life. But darkness and secrets surround them, ones covered in blood and mire. When the monsters stalking her endanger not only her power but her life, she'll have to make a decision: take a risk and let these dangerous men in, or do what she's always done-walk away and try to survive on her own. Trusting them would be a mistake. Yet, she may not have a choice. The monsters hunting her aren't human and they're out for blood. Rathe, Viper, and Fear might be her only chance of making it through this alive. There's only one problem. They aren't human either... From bestselling authors, Stacy Jones and Harper Wylde, comes a darkly seductive new series that blends romance, danger, and the supernatural into an unforgettable read.

She lives from risk to risk, slipping regularly out of her village to satisfy her need to explore. Her harmless adventuring comes to a devastating halt when she is slammed with way more than she bargained for-- a bullet through her wing that renders her flightless and leaves her at the mercy of two towering humans, Jon and Cliff. Sylvia is certain there is zero chance of survival, but despite the warnings that have been drilled to her since childhood, the humans aren't quite as murderous as she expected. Under the assumption that it's only temporary, she creates friendships where she shouldn't. However, her intention to get home as soon as possible doesn't pan out so smoothly. "This main character has echoes of Rylee Adamson, yet still holds her own flare, the world building is unique and the book has some beautiful snarky humor that left me gobbling it up! The author has a deft hand at bringing bad ass women to life, I can't wait for book two!"~~ReviewerThe Witch's Reign...a land of unnatural hellish cold ruled over by the Ice Witch herself, who is in turn guarded by three creatures--Wolf, Bear, and Raven. Those lovely beasts derive their power directly from their mistress and just happen to kill any who cross their paths. To get THERE, you first must pass through the Dragon's Ground. Full of, you guessed it, dragons who for the record, also do not like trespassers. Sounds like a fun place to go, doesn't it? Yeah, not so much. You see the thing is my best friend, Darcy was sent with a team into the Witch's Reign to recover a powerful jewel that belongs to our mentor, and they are long overdue to come back. That leaves me, Zamira "Reckless" Wilson to go after my friend because no one else will. Somehow, I get saddled with a human--a male no less!--tagging along for the ride. A human that is as weak and useless as my shifting abilities. Throw in a weapon that might be trying to kill me, and a small dragon that has a penchant for Shakespearean insults, and you've got my life in a nutshell. May the sands of the desert swallow me whole because this is going to be a friggin bumpy ride.

With this salvage, it's a race against time, a test of trust, and a temptation that I'm doing my damndest to ignore. If only swallowing my pride was that easy.
