Photo Montage along each section of the South Rim Trail most visited. Description of the Backcountry Office, Shuttle Bus System, Dining, Shopping, Pets, Geology, Geography, Plants, Animals,

Trailheads, and History. Description and Photos of the North Rim, North Rim Lodge, Dining, Gift Shops. Over 190 beautiful photographs of the Canyon and the South Rim Trail. Over one dozen helpful maps. Over 5 million people visit the Grand Canyon each year. Stunned silence and awe is usually the first reaction they have as they walk from their first stop, the Visitor Center, and make a short walk to Mather Point along the South Rim Trail. But along that South Rim Trail there is much to

see and do. There are fantastic accommodations and wonderful choices for dining. There are many places to buy books, clothing, and reference materials at the numerous shops on the South Rim. Frederick Fichman's "Grand Canyon: Your South & North Rim Guide to Hiking, Dining & Lodging" is a necessary introduction and tour of all the South Rim Trail has to offer at the Grand Canyon. In both detailed description and stunning photography, this book tour will give you the

feeling of actually being there at one of the wonders of the world, the Grand Canyon, Arizona, USA. The author, Frederick Fichman, lives and works as a writer in Northern Arizona."

 More than four million people visit the Grand Canyon National Park every year, but most visitors choose not to stray beyond the heavily visited trails or to venture below the Canyon's rims. The rim trails and the routes to the inner canyon offer solitude and expose

beauty vastly different from what can be seeing from the developed areas of the Rims. This edition of the Official Guide to Hiking Grand Canyon provides an overview of all the park's major trails, with notations about difficulty levels, conditions, water sources, distances from point to point and elevation gain and losses.

Excerpt: The Bright Angel Trail is a hiking trail located in Grand Canyon National Park in the U.S. state of Arizona. The trail is accessed by the mule corral, as seen here: Bright Angel Trail head on the south rim. Plateau Point, on the Bright Angel TrailThe trail originates at the Grand Canyon Village on the south rim of Grand Canyon, descending 4380 feet to the Colorado River.

It has an average grade of 10% along its entire length. At trail's end, the River Trail continues another 2 miles to the Bright Angel Campground and Phantom Ranch. These two trails combined are the most common method used to access Phantom Ranch by hikers and mules. Two trails cross or join the Bright Angel Trail, the first being an intersection with the Tonto Trail at Indian Gardens, leading toward the Monument Use Area to the west, and to the South Kaibab Trail 4.7

 Designed especially for the first-time day hiker or backpacker, this common sense guide contains everything needed to enjoy a fresh perspective and get below the rim of one of the most

spectacular natural wonders in the world: the Grand Canyon. Included is advice on equipment, permits, rules and restrictions, trail descriptions, and other tips—all geared toward the most popular, easily accessible, and well-maintained trails. Complete with full-color maps and photos, this beautiful guidebook provides prospective hikers with a real sense of what it takes to hike the canyon.
Hiking the Grand Canyon
 Hachette UK

Visiting the Grand Canyon's North Rim is a unique experience. Just ten miles across the abyss from the canyon's busy South Rim, the two settings are worlds apart. Fewer than ten percent of park visitors find their way to the remote North Rim. Sublime beauty, rugged terrain, and quiet solitude await those who do. Those who visit the park with this book in hand take a personal guide. In these pages author Stewart Aitchison shares his knowledge of the plant and animal communities,

geologic forces, and human history that set this place apart. And the stories don't stop at the park's boundary. They stretch across the broad Arizona Strip to provide insights into the vast scenery of this little-known land.
